# Senator Rob Mayer Appointed to National Education Commission

---

JEFFERSON CITY — State Sen. Rob Mayer, R-Dexter, was recently appointed to serve as a commissioner on the Education Commission of the States (ECS).

The commission, a nationwide, nonpartisan interstate compact devoted to education at all levels, helps states develop effective policy and practice for public education by providing data, research, analysis and leadership; and by facilitating collaboration, the exchange of ideas among the states, and long-range strategic thinking. ECS commissioners help guide the commission's policy direction and help set the agenda for a national forum on education policy.

Senator Mayer will serve on the commission through May 2010.

"I am pleased to serve on this important commission and to work along side other education leaders to develop networks and partnerships and to share information, ideas and resources to improve education across the country," Sen. Mayer said.
