### Legislature Approves Bill Advanced by Sen. Rob Mayer Allowing Change in School Makeup Days for Three Area School Districts Affected by Winter Storm

JEFFERSON CITY — Under a bill passed by the General Assembly today (5/13) advanced by Sen. Rob Mayer, R-Dexter, students in the school districts of Malden, Kennett, and Senath-Hornersville who missed more than two weeks of school during the snow and ice storms that pummeled southeast Missouri in January will not have to make up the usual number of school days lost due to inclement weather.

[House Bill 682](#) would allow those school districts to make up only 10 days as a result of lost days during the winter storm.

“I am very pleased the General Assembly agreed to this measure that will help these school districts avoid the problems that would be caused by having to make up several weeks of school and having students attend school well into the summer,” Sen. Mayer said.

The bill contains an emergency clause and takes effect upon the governor’s signature.
