“The legislative tour of Whiteman Air Force Base, which is located in the 31st Senatorial District, will be a great opportunity for other lawmakers to better understand how the base operates,” Sen. Pearce said.

“I know the top-notch facilities and equipment are only matched by the first-rate airmen who serve at Whiteman, and I’m confident that a tour of the base will illustrate what a valuable asset it is to the state,” Rep. Hoskins said.
