To amend chapter 163, RSMo, by adding thereto one new section relating to school funding.

---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 163, RSMo, is amended by adding thereto one new  
2 section, to be known as section 163.095, to read as follows:

**163.095. For any district in the county with a charter form of  
2 government and with more than one million inhabitants that in  
3 calendar year 2005 (school year 2005-2006) erroneously set a levy in the  
4 capital projects fund rather than the incidental fund and reported the  
5 capital projects amount to the county for which the county issued tax  
6 notices and the district received taxes for calendar year 2005, the  
7 department of elementary and secondary education shall calculate the  
8 amount the district would have received in state school aid for fiscal  
9 year 2006 had the district placed the levy in the incidental fund rather  
10 than the capital projects fund and use this revised 2005-2006 calculated  
11 funding amount in the distribution of state school aid for fiscal year  
12 2007 and subsequent years. The sum of the amounts due to the school  
13 district in state school aid after recalculation for fiscal years 2007,  
14 2008, 2009, and 2010, shall be divided and distributed to the school  
15 district in equal amounts in fiscal years 2010, 2011, 2012, and 2013. The  
16 calculation shall not change the actual funding due the district for the  
17 2005-2006 school year.**
