

FIRST REGULAR SESSION

SENATE BILL NO. 127

95TH GENERAL ASSEMBLY

INTRODUCED BY SENATOR RUPP.

Pre-filed December 18, 2008, and ordered printed.

TERRY L. SPIELER, Secretary.

0589S.011

AN ACT

To amend chapter 9, RSMo, by adding thereto one new section relating to math, engineering, technology and science week.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 9, RSMo, is amended by adding thereto one new
2 section, to be known as section 9.138, to read as follows:

**9.138. The governor shall annually issue a proclamation setting
2 apart the third week of March as "Math, Engineering, Technology and
3 Science (METS) Week", and recommending to the people of the state
4 that the week be appropriately observed through activities that will
5 result in an increased awareness of the importance of advancing
6 community interest in math, engineering, technology, and science
7 programs, and promote METS careers statewide in order to advance
8 Missouri's workforce. The proclamation shall also recommend that the
9 week be observed with appropriate activities in public schools. Public
10 and private involvement in METS week demonstrates that fostering and
11 encouraging interest in the sciences is a major factor in determining
12 growth and success in school and will help students develop a focus on
13 technology based careers after graduation.**
