16 committed against that individual. The state shall not be required to make an
17 election as to the alternative count on which it will proceed. This subsection in
18 no way limits the right to try in the conjunctive, where they are properly joined

25 that offense may be tried and submitted to the trier together with any murder in
26 the first degree charge with which it is lawfully joined. In such case the judge
27 will assess punishment on any offense joined with a murder in the first degree

2 homicide offense, the defendant may, with the assent of the court, waive a trial
3 by jury and agree to submit all issues in the case to the court, whose finding shall
4 have the force and effect of a verdict of a jury. Such a waiver must include a
5 waiver of a trial by jury of all issues and offenses charged in the case, including
6 the punishment to be assessed and imposed if the defendant is found guilty.

7 2. No defendant who pleads guilty to a homicide offense or who is found
8 guilty of a homicide offense after trial to the court without a jury shall be

10 agreement of the state.

11 3. [If a defendant is found guilty of murder in the first degree after a jury
12 trial in which the state has not waived the death penalty, the defendant may not
13 waive a jury trial of the issue of the punishment to be imposed, except by
14 agreement with the state and the court.

14 probation, parole, or release except by act of the governor, with the exception that
15 when a specific aggravating circumstance found in a case is held to be
16 inapplicable, unconstitutional or invalid for another reason, the supreme court
17 of Missouri is further authorized to remand the case for retrial of the punishment
18 pursuant to subsection 5 of section 565.035].

6 was had, on the application of the prosecuting attorney, shall issue
7 a writ of habeas corpus to bring such convict before the court; or if

 accordingly.]

2 [546.720. 1. The manner of inflicting the punishment of
3 death shall be by the administration of lethal gas or by means of

12 an execution team which shall consist of those persons who
13 administer lethal gas or lethal chemicals and those persons, such
14 as medical personnel, who provide direct support for the
15 administration of lethal gas or lethal chemicals. The identities of
16 members of the execution team, as defined in the execution protocol
17 of the department of corrections, shall be kept

All members of the execution team are entitled to coverage under the state legal expense fund established by section 105.711, RSMo, for conduct of such execution team member arising out of and performed in connection with his or her official duties on behalf of the state or any agency of the state, provided that moneys in this fund shall not be available for payment of claims under chapter 287, RSMo.]

[546.730. A judgment of death must be executed within a correctional center of the department of corrections; and such

4 director of the department of corrections.]

[546.740. The chief administrative officer of the correctional
2 center, or his duly appointed representative shall be present at the
3 execution and the director of the department of corrections shall

[546.820. Whenever the governor shall be satisfied that the
2 cause of such suspension no longer exists, he shall issue his
3 warrant, appointing a day for the execution of such convict,
4 pursuant to her sentence; or he may, at his discretion, commute her

5 punishment to imprisonment in the penitentiary for life.]

6 [565.030. 1. Where murder in the first degree is charged
7 but not submitted or where the state waives the death penalty, the
8 submission to the trier and all subsequent proceedings in the case
9 shall proceed as in all other criminal cases with a single stage trial
10 in which guilt and punishment are submitted together.

11 2. Where murder in the first degree is submitted to the
12 trier without a waiver of the death penalty, the trial shall proceed
13 in two stages before the same trier. At the first stage the trier
14 shall decide only whether the defendant is guilty or not guilty of
15 any submitted offense. The issue of punishment shall not be
16 submitted to the trier at the first stage. If an offense is charged
17 other than murder in the first degree in a count together with a
18 count of murder in the first degree, the trial judge shall assess
19 punishment on any such offense according to law, after the
20 defendant is found guilty of such offense and after he finds the
21 defendant to be a prior offender pursuant to chapter 558, RSMo.

22 3. If murder in the first degree is submitted and the death
23 penalty was not waived but the trier finds the defendant guilty of
24 a lesser homicide, a second stage of the trial shall proceed at which
25 the only issue shall be the punishment to be assessed and
26 declared. No further evidence shall be received. If the trier is a
27 jury it shall be instructed on the law. The attorneys may then
28 argue as in other criminal cases the issue of punishment, after
29 which the trier shall assess and declare the punishment as in all
30 other criminal cases.

31 4. If the trier at the first stage of a trial where the death
32 penalty was not waived finds the defendant guilty of murder in the
33 first degree, a second stage of the trial shall proceed at which the
34 only issue shall be the punishment to be assessed and
35 declared. Evidence in aggravation and mitigation of punishment,
including but not limited to evidence supporting any of the
aggravating or mitigating circumstances listed in subsection 2 or
3 of section 565.032, may be presented subject to the rules of
evidence at criminal trials. Such evidence may include, within the
discretion of the court, evidence concerning the murder victim and

the impact of the crime upon the family of the victim and others. Rebuttal and surrebuttal evidence may be presented. The state shall be the first to proceed. If the trier is a jury it shall be instructed on the law. The attorneys may then argue the issue of punishment to the jury, and the state shall have the right to open and close the argument. The trier shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor:

(1) If the trier finds by a preponderance of the evidence that the defendant is mentally retarded; or

(2) If the trier does not find beyond a reasonable doubt at least one of the statutory aggravating circumstances set out in subsection 2 of section 565.032; or

(3) If the trier concludes that there is evidence in mitigation of punishment, including but not limited to evidence supporting the statutory mitigating circumstances listed in subsection 3 of section 565.032, which is sufficient to outweigh the evidence in aggravation of punishment found by the trier; or

(4) If the trier decides under all of the circumstances not to assess and declare the punishment at death. If the trier is a jury it shall be so instructed.

If the trier assesses and declares the punishment at death it shall, in its findings or verdict, set out in writing the aggravating circumstance or circumstances listed in subsection 2 of section 565.032 which it found beyond a reasonable doubt. If the trier is a jury it shall be instructed before the case is submitted that if it is unable to decide or agree upon the punishment the court shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor or death. The court shall follow the same procedure as set out in this section whenever it is required to determine punishment for murder in the first degree.

5. Upon written agreement of the parties and with leave of the court, the issue of the defendant's mental retardation may be taken up by the court and decided prior to trial without prejudicing the defendant's right to have the issue submitted to the trier of fact

as provided in subsection 4 of this section.

6. As used in this section, the terms "mental retardation" or "mentally retarded" refer to a condition involving substantial limitations in general functioning characterized by significantly subaverage intellectual functioning with continual extensive related deficits and limitations in two or more adaptive behaviors such as communication, self-care, home living, social skills, community use, self-direction, health and safety, functional academics, leisure and work, which conditions are manifested and documented before eighteen years of age.

[565.032. 1. In all cases of murder in the first degree for which the death penalty is authorized, the judge in a jury-waived trial shall consider, or he shall include in his instructions to the jury for it to consider:

(1) Whether a statutory aggravating circumstance or circumstances enumerated in subsection 2 of this section is established by the evidence beyond a reasonable doubt; and

(2) If a statutory aggravating circumstance or circumstances is proven beyond a reasonable doubt, whether the evidence as a whole justifies a sentence of death or a sentence of life imprisonment without eligibility for probation, parole, or release except by act of the governor. In determining the issues enumerated in subdivisions (1) and (2) of this subsection, the trier shall consider all evidence which it finds to be in aggravation or mitigation of punishment, including evidence received during the first stage of the trial and evidence supporting any of the statutory aggravating or mitigating circumstances set out in subsections 2 and 3 of this section. If the trier is a jury, it shall not be instructed upon any specific evidence which may be in aggravation or mitigation of punishment, but shall be instructed that each juror shall consider any evidence which he considers to be aggravating or mitigating.
