

SUPPLEMENT
MESSAGES FROM THE GOVERNOR
(Received after May 30, 2010)

EXECUTIVE OFFICE
State of Missouri
Room 216
State Capitol
Jefferson City 65101

July 12, 2010

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Senate Substitute for Senate Bill No. 578 entitled:

AN ACT

To repeal sections 68.025, 68.035, 68.040, and 68.070, RSMo, and to enact in lieu thereof nineteen new sections relating to port authorities.

On July 12, 2010, I approved Senate Substitute for Senate Bill No. 578.

Senate Substitute for Senate Bill No. 578 allows a port authority to establish a port improvement district within its boundaries for the purpose of funding qualified project costs associated with an approved port improvement project.

Funding for a qualified project would come from either a district wide sales and use tax or a property tax levied upon real property located within the district – and only with voter approval. Senate Substitute for Senate Bill No. 578 contains an inaccurate statutory reference that is relevant to the real property provision. Section 68.235.1, RSMo, provides that a property tax resolution shall not be "final nor shall it take effect until the qualified voters approve, by mail-in ballot election conducted in accordance with section 68.255..."(emphasis added). The underlined reference should have been to section 68.250, RSMo. This incorrect reference is of sufficient substantive significance that a port authority will be unable to pursue a property tax resolution until the provision is corrected. Nevertheless, I am approving Senate Substitute for Senate Bill No. 578 because it will allow port authorities to establish port improvement districts and seek voter approval to fund qualified projects through the sales and use tax provision. That provides port authorities sufficient opportunity – subject to voter approval – to spur economic development and warrants the approval of this legislation.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon
Governor

June 29, 2010

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Senate Bill No. 649 entitled:

AN ACT

To amend chapter 9, RSMo, by adding thereto one new section relating to the designation of Girl Scout day.

On June 29, 2010, I approved said Senate Bill No. 649.

By approving Senate Bill No. 649, a gubernatorial proclamation will be issued annually declaring March 12th Girl Scout Day. The Girl Scouts are a valued organization with a mission to "build girls of courage, confidence and character, who make the world a better place." Their efforts are deserving of recognition. However, recent years have seen an increase in the number of statutorily designated days. Courtesy resolutions are available through both legislative chambers and my office regularly issues proclamations similar to the type required by Senate Bill No. 649. I urge the General Assembly to refrain from enacting new statutes mandating such designations and instead recognize worthy groups, individuals and occurrences through the other readily available mechanisms.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon
Governor

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you House Committee Substitute for Senate Committee Substitute for Senate Bill No. 777 entitled:

AN ACT

To repeal sections 339.503, 362.111, 375.1152, 375.1155, 375.1255, 408.052, 408.140, 408.233, and 408.300, RSMo, and to enact in lieu thereof twelve new sections relating to the sale of certain financial products and plans associated with certain loan transactions, with penalty provisions for a certain section.

I disapprove of House Committee Substitute for Senate Committee Substitute for Senate Bill No. 777. My reasons for disapproval are as follows:

House Committee Substitute for Senate Committee Substitute for Senate Bill No. 777, in sections 408.052.4 and 408.140.1(12), RSMo, facilitates consumer borrowing to purchase service contracts, products of often questionable value in a market with an active history of consumer deception and confusion. Permitting expansion of the sale of these products in this manner will be harmful to Missourians.

Missouri consumers have complained loudly about the sale of these products, spurring the Missouri Attorney General to initiate an investigative task force. Deceptive practices employed by this industry were also the focus of a multi-state investigation by state attorneys general and consumer fraud litigation into the sale and marketing of these products has been initiated in Missouri and nationwide. Permitting more readily available financing for these dubious products is not good for Missouri consumers.

In accordance with the above stated reasons for disapproval, I am returning House Committee Substitute for Senate Committee Substitute for Senate Bill No. 777 without my approval.
