From your State Senator

TIMOTHY P. GREEN
13TH SENATORIAL DISTRICT

Dear Neighbors,

There are many resources available to Missouri citizens through state and local agencies. However, in many cases, people fail to take advantage of these services because they are unfamiliar with existing organizations and the programs they offer.

It is my pleasure to present to you the **2010 Community Services Directory for the 13th Senatorial District**. I hope that you will find it to be a quick and easy reference for locating city, county, state and federal telephone numbers and addresses for your reference and convenience. This guide includes phone numbers, addresses and other pertinent data that you may find helpful.

If you do not find the information you need in this directory, or find your questions still unanswered, please do not hesitate to contact my office. My staff will be pleased to assist you.

As your state senator, it is a privilege to serve you, and I take great pride in representing you in the 13th District. I am always interested in discussing legislative issues or assisting you with any problems involving state government. Your concerns are important to me, and my door is always open to you.

Sincerely,

Timothy P. Green

State Senator

13th Senatorial District
