Dear Friend,

This directory has been prepared especially for the residents of our district. Whether you are a new resident or have lived here a lifetime, an up-to-date listing of government agencies, officials, addresses and telephone numbers should prove helpful in determining the right person or office to contact for your specific problem or need.

Whether you have an urgent problem or are just seeking casual information, you should receive prompt, courteous assistance from government employees at all levels. If you do not, or if your question remains unanswered, please contact me at my Capitol office.

If you reach our answering machine, please leave a brief message explaining your concern. Also, be sure to include your name, home address, e-mail address and telephone number on all calls and correspondence so that we can assist you as soon as possible.

If you would like to be on my constituent e-mail list, please e-mail your contact information to jane.cunningham@senate.mo.gov. This directory will be available on my website - www.senate.mo.gov/cunningham.

I have included only a limited number of local and federal numbers due to space limitations. For other listings, please refer to your local telephone directory.

Thank you for giving me the opportunity to serve you in the Missouri Senate.

Your State Senator,

Jane Cunningham
