New Audio and Video Clips Posted to Sen. Wright-Jones' Multimedia Page

JEFFERSON CITY – State Sen. Robin Wright-Jones, D-St. Louis, recently added new audio and video links to her multimedia page located on her Missouri Senate website. This page features audio and video clips (both streaming and broadcast quality — when available) for visitors to listen to and watch Sen. Wright-Jones address issues that are important to her and the citizens of the 5th Senatorial District.

These new audio and video links feature Sen. Wright-Jones discussing [Senate Bill 793](#), which would change provisions relating to abortion. She shares how this bill would obstruct certain services being sought out by women in her district and why she considers certain provisions “unnecessary.”

Senator Wright-Jones will continue to add audio and video clips during the 2010 legislative session. To view Sen. Wright-Jones' multimedia page, visit <http://www.senate.mo.gov/multimedia/Wright-Jones/Wright-JonesMultimedia.html>.
