Sen. Frank Barnitz Sponsors Appointment of Alfred Brandt to State Milk Board

JEFFERSON CITY – Senator Frank Barnitz, D-Lake Spring, today announced that the Senate confirmed the appointment of Alfred Brandt of Linn to the State Milk Board. The board works to ensure food safety in dairy products in the state.

Brandt is the owner of Brandt Dairy in Linn and has been involved in agriculture his entire life. He holds a degree in agriculture with an emphasis in animal science and recently received the Progressive Breeder Registry Award. He will be one of four milk producers serving on the 12 member board.

“Missouri’s dairy industry is an important part of our agricultural history, and it is important to me to support the efforts of our dairy producers,” said Sen. Barnitz. “Alfred’s experience as a dairy producer will be an asset to the board as they continue their efforts to ensure safety and quality in Missouri’s dairy products.”

Senator Barnitz served as the sponsor for Brandt throughout the gubernatorial process. The appointments were approved by the Senate Gubernatorial Appointments Committee on February 3; and the full Senate gave its consenting vote today, February 4.
