Senator Wes Shoemyer Congratulates Local Business on Receiving Low-Interest Loan

Funding Comes from State's Linked Deposit Program

JEFFERSON CITY — State Sen. Wes Shoemyer, D-Clarence, applauds Jacob's Vineyard and Winery of Kirksville for its recent award of a low-interest state loan for expansion through the [Missouri Linked Deposit Program](#).

"This is a huge boost for Jacob's Vineyard and Winery," Sen. Shoemyer said. "It's programs like this that help small businesses and show Missouri's commitment to existing companies and entrepreneurs. I thank the state treasurer's office for their help in making this possible."

The \$90,000 in loans for business expansion is expected to save approximately \$9,000 in interest costs to the business. The state treasurer has issued more than \$400 million in Linked Deposit loans across the state since 2009, with Northeast Missouri receiving \$68 million alone.

"Every day, we hear stories about companies laying folks off or closing their doors," Sen. Shoemyer said. "Today, we get to hear about a business that is making it through these tough economic times and can now expand to meet rising demand. I think this is just great."
