Citizen from the 20th Senatorial District Appointed to Governor's Commission

Jefferson City – Senator Dan Clemens, R-Marshfield, proudly announces the addition of an upstanding citizen from the 20th Senatorial District to a governor-appointed commission: the State Lottery Commission.

Mr. Stephen Snead, of Turners, was recently appointed to serve on the [State Lottery Commission](#). A native of Springfield, Mr. Snead has been practicing law since 1981. He is also trained as a civil litigation mediator and serves on the panel of neutrals for the Early Assessment Program of the U.S. District Court for the Western District of Missouri, Southern Division.

“Mr. Snead’s vast experience in law will help serve the members on the State Lottery Commission and our state,” said Sen. Clemens. “I am proud of Mr. Snead for his accomplishments and his commitment to Missouri.”
