New Audio Clips Posted to Sen. Stouffer's Multimedia Page

JEFFERSON CITY – State Sen. Bill Stouffer, R-Napton, recently added new audio clips to his multimedia page, which is located on his Missouri Senate website. This page features audio and video links (both streaming and broadcast quality — when available) for visitors to listen to and watch Sen. Stouffer address issues that are important to him and the citizens of the 21st Senatorial District.

The page includes instructions for downloading a podcast version of Sen. Stouffer's weekly full-length audio interview. This week, Sen. Stouffer discusses the Missouri Senate's efforts to streamline and restructure state government. On Tuesday (3/23), senators broke into work groups to discuss suggestions made by the general public via the [Rebooting Government](#) section on the Missouri Senate's [website](#). Senator Stouffer led the Transportation work group.

Senator Stouffer will continue to add audio and video clips throughout the 2010 legislative session. To view Sen. Stouffer's multimedia page, visit <http://www.senate.mo.gov/multimedia/Stouffer/Multimedia.html>.
