## Bringing Jobs to Missouri

### *The Need to Make Missouri a Right To Work State*

My top legislative priority is to help the private sector create jobs for Missourians. As part of my “Missouri First” jobs plan, I have introduced [Senate Bill 888](#) that would make Missouri a Right to Work state, removing the union only restriction on employers and bring jobs to Missouri.

In this week's video, I explain how Right to Work laws give employees options and how a Right to Work law will help the private sector create jobs for Missourians. Thank you for watching and let me know what you think.

You can view the video by clicking on the video box in this report or you can also visit [www.senate.mo.gov/crowell](http://www.senate.mo.gov/crowell) and click on the jobs plan information link.

This Web site will also provide you with

additional up-to-date information and progress of all my proposed reforms to make sure your state government is accountable to you in how it spends your money to create jobs.
