New Audio Clip Posted to Sen. Pearce's Multimedia Page

JEFFERSON CITY – State Sen. David Pearce, R-Warrensburg, recently added a new audio link to his multimedia page, which is located on his Missouri Senate website. This page features audio and video links (both streaming and broadcast quality — when available) for visitors to keep up with issues Sen. Pearce finds important to the citizens of the 31st Senatorial District.

The new audio link on his multimedia page includes Sen. Pearce discussing [Senate Bill 673](#), which would improve job training in Missouri and change reporting requirements for receiving unemployment benefits.

Senator Pearce will continue to add audio and video clips throughout the 2010 legislative session. You can listen by going to his multimedia page: <http://www.senate.mo.gov/multimedia/Pearce/Multimedia-2009.html>.
