AN ACT

To amend chapter 304, RSMo, by adding thereto one new section relating to the use of automated photo red light enforcement systems by local governments.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 304, RSMo, is amended by adding thereto one new
2 section, to be known as section 304.286, to read as follows:

304.286. No county, city, town, village, municipality, state agency,
2 or other political subdivision of this state that is authorized to issue a
3 notice of violation for a violation of a state or local traffic law or
4 regulation, shall use or employ an automated photo red light
5 enforcement system at any intersection within its jurisdiction. As used
6 in this section, the term "automated photo red light enforcement
7 system" shall mean a device, consisting of a camera or cameras and a
8 vehicle sensor or sensors, installed to work in conjunction with a traffic
9 control signal, which is used to produce recorded images of motor
10 vehicles entering an intersection against a red signal indication.
