## AN ACT

To amend chapter 393, RSMo, by adding thereto one new section relating to a nuclear power surcharge.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 393, RSMo, is amended by adding thereto one new  
2 section, to be known as section 393.293, to read as follows:

**393.293. Notwithstanding any other provision of law to the  
2 contrary, an electrical corporation engaged within this state in the  
3 production of electricity utilizing nuclear energy shall pay a surcharge  
4 of one-tenth of one cent per kilowatt hour of nuclear energy produced  
5 and is sold out of its service territory. The surcharge may be  
6 recoverable by the electrical corporation through normal rate making  
7 procedures. Any money received under this section shall be placed in  
8 a special fund in the general revenue fund and shall be distributed to  
9 school districts within the ten-mile emergency planning zone, as  
10 defined by the Federal Emergency Management Agency. All  
11 distributions shall be on a percentage basis to each school district  
12 based on the percentage of land within the ten-mile emergency  
13 planning zone that falls within each school district. The money shall  
14 be distributed for nuclear emergency preparedness and planning and  
15 hazard mitigation, as determined by the school district receiving such  
16 money.**
