Further amend said bill, page 3, section 190.309, line 85, by inserting immediately after said line the following:

“190.335. 1. In lieu of the tax levy authorized under section 190.305 for emergency telephone services, the county commission of any county may impose a county sales tax for the provision of central dispatching of fire protection, including law enforcement agencies, emergency ambulance service or any other emergency services, including emergency telephone services, which shall be collectively referred to herein as “emergency services”, and which may also include the purchase and maintenance of communications and emergency equipment, including the operational costs associated therein, in accordance with the provisions of this section.

2. Such county commission may, by a majority vote of its members, submit to the voters of the county, at a public election, a proposal to authorize the county commission to impose a tax under the provisions of this section. If the residents of the county present a petition signed by a number of residents equal to ten percent of those in the county who voted in the most recent gubernatorial election, then the commission shall submit such a proposal to the voters of the county.

3. The ballot of submission shall be in substantially the following form:

Shall the county of (insert name of county) impose a county sales tax of (insert rate of percent) percent for the purpose of providing central dispatching of fire protection, emergency ambulance service, including emergency telephone services, and other emergency services?

NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance shall be in effect as provided herein. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the county commission shall have no power to impose the tax authorized by this section unless and until the county commission shall again have submitted another proposal to authorize the county commission to impose the tax under the provisions of this section, and such proposal is approved by a majority of the qualified voters voting thereon.

4. The sales tax may be imposed at a rate not to exceed one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525, RSMo. 3. Notice shall be provided by both publication and mailing. Notice by publication shall be given by publication in a newspaper of general circulation within the municipality or county in which the port authority is located at least once not more than fifteen, but not less than ten, days prior to the date of the public hearing. Notice by mail shall be given not more than thirty, but not less than twenty, days prior to the date of the public hearing by sending the notice via registered or certified United States mail with a return receipt attached to the address of record of each owner within the boundaries of the proposed district. proposed district is illegal or unconstitutional, or why the proposed method for funding the district is illegal or unconstitutional. The respondent shall ask the court for a declaratory judgment respecting these issues. The answer of each respondent shall be served on each petitioner and every other respondent named in the petition. Any resident or taxpayer within the proposed district not qualifying as a respondent may join in or file a petition supporting or answer opposing the creation of the district and seeking a declaratory judgment respecting these same issues within thirty days after the date notice is last published by the circuit clerk under section 68.325.

2. The court shall hear the case without a jury. If the court shall thereafter determine the petition is defective or the proposed district is illegal or unconstitutional, or shall be an undue burden on any owner of property within the district or is unjust and unreasonable, it shall enter its declaratory judgment to that effect and shall refuse to make the certifications requested in the pleadings. If the court determines that any proposed funding method is illegal or unconstitutional, it shall enter its judgment striking that funding method in whole or in part. If the court determines the petition is not legally defective and the proposed district and method of funding are neither illegal nor unconstitutional, the court shall enter its judgment to that effect. The court shall then certify the single question regarding the proposed real property tax or sales and use tax, or both, as applicable, needed to fund the project for voter approval. If no objections to the petition are timely filed, the court may make such certifications based upon the pleadings before it without any hearing.

3. Any party having filed an answer or petition may appeal the circuit court's order or declaratory judgment in the same manner provided for other appeals.

68.325. The circuit court clerk in whose office the petition was filed shall give notice to the public by causing one or more newspapers of general circulation serving the counties or portions thereof contained in the proposed district to publish once a week for four consecutive weeks a notice substantially in the following form:
