26 corporation agrees to convey or sell the sites, buildings or facilities, including any
27 improvements, extensions, renovations, furnishings or equipment, back to the
28 educational institution with clear title at the end of the period of successive
29 one-year options or at any time bonds, notes or other obligations issued by the
30 corporation to pay for the improvements, extensions, renovations, furnishings or
31 equipment have been paid and discharged.

32 4. Any consideration, promissory note or deed of trust which an
33 educational institution receives for selling or leasing property to a not-for-profit
34 corporation pursuant to this section shall be placed in a separate fund or in
35 escrow, and neither the principal or any interest thereon shall be commingled

52 not be liable thereon, and in no event shall such bonds, notes or other obligations
53 be payable out of any funds or properties other than those acquired for the
54 purposes of this section, and such bonds, notes and obligations shall not

55 constitute an indebtedness of the educational institution within the meaning of
56 any constitutional or statutory debt limitation or restriction.

57 7. The interest on such bonds, notes and other obligations of the
58 corporation and the income therefrom shall be exempt from taxation by the state
59 and its political subdivisions, except for death and gift taxes on transfers. Sites,
60 buildings, facilities, furnishings and equipment owned by a corporation in
61 connection with any project pursuant to this section shall be exempt from
62 taxation.

63 8. The board may make all other contracts or agreements with the

71 of the meeting of the board at which such project will be considered and acted
72 upon.

73 10. Provisions of other law to the contrary notwithstanding, the board
74 may refinance any lease purchase agreement that satisfies at least one of the
75 conditions specified in subsection 6 of section 165.011 for the purpose of payment
76 on any lease with the corporation under this section for sites, buildings, facilities,
77 furnishings or equipment which the corporation has acquired or constructed, but
78 such refinance shall not extend the date of maturity of any obligation, and the
79 refinancing obligation shall not exceed the amount necessary to pay or provide for
80 the payment of the principal of the outstanding obligations to be refinanced,
81 together with the interest accrued thereon to the date of maturity or redemption
82 of such obligations and any premium which may be due under the terms of such
83 obligations and any amounts necessary for the payments of costs and expenses
84 related to issuing such refunding obligations and to fund a capital projects
85 reserve fund for the obligations.

86 11. [Provisions of other law to the contrary notwithstanding, payments
87 made from any source by a school district, after the latter of July 1, 1994, or July
88 12, 1994, that result in the transfer of the title of real property to the school
89 district, other than those payments made from the capital projects fund, shall be
90 deducted as an adjustment to the funds payable to the district pursuant to section

96 payable to the district under section 163.031 as a result of the transfer of title.

97 12. Notwithstanding provisions of this section to the contrary, the board
98 of education of any school district may enter into agreements with the county in
99 which the school district is located, or with a city, town, or village wholly or
100 partially located within the boundaries of the school district, in order to provide
101 for the acquisition, construction, improvement, extension, repair, remodeling,
102 renovation, and financing of sites, buildings, facilities, furnishings, and
103 equipment for the use of the school district for educational purposes. Such an
104 agreement may provide for the present or future acquisition of an ownership
105 interest in such facilities by the school district, by lease, lease-purchase
106 agreement, option to purchase agreement, or similar provisions, and may provide
107 for a joint venture between the school district and other entity or entities that are
108 parties to such an agreement providing for the sharing of the costs of acquisition,
109 construction, repair, maintenance, and operation of such facilities. The school
110 district may wholly own such facilities, or may acquire a partial ownership
111 interest along with the county, city, town, or village with which the agreement
