160.085. The provisions of sections 37.710, 160.085, 160.261,  
2 160.262, 162.014, 162.068, 162.069, 168.021, 168.071, 168.133, 210.135,

3 **210.145, 210.152, 210.915, 210.922, and 556.037 relating to protecting**  
4 **children from sexual offenders shall be known as the "Amy Hestir**  
5 **Student Protection Act".**

160.261. 1. The local board of education of each school district shall  
2 clearly establish a written policy of discipline, including the district's  
3 determination on the use of corporal punishment and the procedures in which  
4 punishment will be applied. A written copy of the district's discipline policy and  
5 corporal punishment procedures, if applicable, shall be provided to the pupil and  
6 parent or legal guardian of every pupil enrolled in the district at the beginning  
7 of each school year and also made available in the office of the superintendent of  
8 such district, during normal business hours, for public inspection. All employees  
9 of the district shall annually receive instruction related to the specific contents  
10 of the policy of discipline and any interpretations necessary to implement the  
11 provisions of the policy in the course of their duties, including but not limited to  
12 approved methods of dealing with acts of school violence, disciplining students  
13 with disabilities and instruction in the necessity and requirements for  
14 confidentiality.

15 2. The policy shall require school administrators to report acts of school  
16 violence to all teachers at the attendance center and, in addition, to other school  
17 district employees with a need to know. For the purposes of this chapter or  
18 chapter 167, "need to know" is defined as school personnel who are directly  
19 responsible for the student's education or who otherwise interact with the student  
20 on a professional basis while acting within the scope of their assigned duties. As  
21 used in this section, the phrase "act of school violence" or "violent behavior"  
22 means the exertion of physical force by a student with the intent to do serious  
23 physical injury as defined in subdivision (6) of section 565.002 to another person  
24 while on school property, including a school bus in service on behalf of the  
25 district, or while involved in school activities. The policy shall at a minimum  
26 require school administrators to report, as soon as reasonably practical, to the  
27 appropriate law enforcement agency any of the following crimes, or any act which  
28 if committed by an adult would be one of the following crimes:

- 29 (1) First degree murder under section 565.020;
- 30 (2) Second degree murder under section 565.021;
- 31 (3) Kidnapping under section 565.110;
- 32 (4) First degree assault under section 565.050;
- 33 (5) Forcible rape under section 566.030;
- 34 (6) Forcible sodomy under section 566.060;
- 35 (7) Burglary in the first degree under section 569.160;
- 36 (8) Burglary in the second degree under section 569.170;

- 37 (9) Robbery in the first degree under section 569.020;  
38 (10) Distribution of drugs under section 195.211;  
39 (11) Distribution of drugs to a minor under section 195.212;  
40 (12) Arson in the first degree under section 569.040;  
41 (13) Voluntary manslaughter under section 565.023;  
42 (14) Involuntary manslaughter under section 565.024;  
43 (15) Second degree assault under section 565.060;  
44 (16) Sexual assault under section 566.040;  
45 (17) Felonious restraint under section 565.120;  
46 (18) Property damage in the first degree under section 569.100;  
47 (19) The possession of a weapon under chapter 571;  
48 (20) Child molestation in the first degree pursuant to section 566.067;  
49 (21) Deviate sexual assault pursuant to section 566.070;  
50 (22) Sexual misconduct involving a child pursuant to section 566.083;  
51 (23) Sexual abuse pursuant to section 566.100;  
52 (24) Harassment under section 565.090; or  
53 (25) Stalking under section 565.225; committed on school property,  
54 including but not limited to actions on any school bus in service on behalf of the  
55 district or while involved in school activities. The policy shall require that any  
56 portion of a student's individualized education program that is related to  
57 demonstrated or potentially violent behavior shall be provided to any teacher and  
58 other school district employees who are directly responsible for the student's  
59 education or who otherwise interact with the student on an educational basis  
60 while acting within the scope of their assigned duties. The policy shall also  
61 contain the consequences of failure to obey standards of conduct set by the local  
62 board of education, and the importance of the standards to the maintenance of an  
63 atmosphere where orderly learning is possible and encouraged.
- 64 3. The policy shall provide that any student who is on suspension for any  
65 of the offenses listed in subsection 2 of this section or any act of violence or  
66 drug-related activity defined by school district policy as a serious violation of  
67 school discipline pursuant to subsection 9 of this section shall have as a condition  
68 of his or her suspension the requirement that such student is not allowed, while  
69 on such suspension, to be within one thousand feet of any school property in the  
70 school district where such student attended school or any activity of that district,  
71 regardless of whether or not the activity takes place on district property unless:
- 72 (1) Such student is under the direct supervision of the student's parent,  
73 legal guardian, or custodian and the superintendent or the superintendent's  
74 designee has authorized the student to be on school property;
- 75 (2) Such student is under the direct supervision of another adult

76 designated by the student's parent, legal guardian, or custodian, in advance, in  
77 writing, to the principal of the school which suspended the student and the  
78 superintendent or the superintendent's designee has authorized the student to be  
79 on school property;

80 (3) Such student is enrolled in and attending an alternative school that  
81 is located within one thousand feet of a public school in the school district where  
82 such student attended school; or

83 (4) Such student resides within one thousand feet of any public school in  
84 the school district where such student attended school in which case such student  
85 may be on the property of his or her residence without direct adult supervision.

86 4. Any student who violates the condition of suspension required pursuant  
87 to subsection 3 of this section may be subject to expulsion or further suspension  
88 pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making  
89 this determination consideration shall be given to whether the student poses a  
90 threat to the safety of any child or school employee and whether such student's  
91 unsupervised presence within one thousand feet of the school is disruptive to the  
92 educational process or undermines the effectiveness of the school's disciplinary  
93 policy. Removal of any pupil who is a student with a disability is subject to state  
94 and federal procedural rights. This section shall not limit a school district's  
95 ability to:

96 (1) Prohibit all students who are suspended from being on school property  
97 or attending an activity while on suspension;

98 (2) Discipline students for off-campus conduct that negatively affects the  
99 educational environment to the extent allowed by law.

100 5. The policy shall provide for a suspension for a period of not less than  
101 one year, or expulsion, for a student who is determined to have brought a weapon  
102 to school, including but not limited to the school playground or the school parking  
103 lot, brought a weapon on a school bus or brought a weapon to a school activity  
104 whether on or off of the school property in violation of district policy, except that:

105 (1) The superintendent or, in a school district with no high school, the  
106 principal of the school which such child attends may modify such suspension on  
107 a case-by-case basis; and

108 (2) This section shall not prevent the school district from providing  
109 educational services in an alternative setting to a student suspended under the  
110 provisions of this section.

111 6. For the purpose of this section, the term "weapon" shall mean a firearm  
112 as defined under 18 U.S.C. 921 and the following items, as defined in section  
113 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a  
114 firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon,

115 a rifle, a shotgun, a spring gun or a switchblade knife; except that this section  
116 shall not be construed to prohibit a school board from adopting a policy to allow  
117 a Civil War reenactor to carry a Civil War era weapon on school property for  
118 educational purposes so long as the firearm is unloaded. The local board of  
119 education shall define weapon in the discipline policy. Such definition shall  
120 include the weapons defined in this subsection but may also include other  
121 weapons.

122 7. All school district personnel responsible for the care and supervision  
123 of students are authorized to hold every pupil strictly accountable for any  
124 disorderly conduct in school or on any property of the school, on any school bus  
125 going to or returning from school, during school-sponsored activities, or during  
126 intermission or recess periods.

127 8. Teachers and other authorized district personnel in public schools  
128 responsible for the care, supervision, and discipline of schoolchildren, including  
129 volunteers selected with reasonable care by the school district, shall not be civilly  
130 liable when acting in conformity with the established policies developed by each  
131 board, including but not limited to policies of student discipline or when reporting  
132 to his or her supervisor or other person as mandated by state law acts of school  
133 violence or threatened acts of school violence, within the course and scope of the  
134 duties of the teacher, authorized district personnel or volunteer, when such  
135 individual is acting in conformity with the established policies developed by the  
136 board. Nothing in this section shall be construed to create a new cause of action  
137 against such school district, or to relieve the school district from liability for the  
138 negligent acts of such persons.

139 9. Each school board shall define in its discipline policy acts of violence  
140 and any other acts that constitute a serious violation of that policy. "Acts of  
141 violence" as defined by school boards shall include but not be limited to exertion  
142 of physical force by a student with the intent to do serious bodily harm to another  
143 person while on school property, including a school bus in service on behalf of the  
144 district, or while involved in school activities. School districts shall for each  
145 student enrolled in the school district compile and maintain records of any  
146 serious violation of the district's discipline policy. Such records shall be made  
147 available to teachers and other school district employees with a need to know  
148 while acting within the scope of their assigned duties, and shall be provided as  
149 required in section 167.020 to any school district in which the student  
150 subsequently attempts to enroll.

151 10. ~~[(1)]~~ Spanking, when administered by certificated personnel and in  
152 the presence of a witness who is an employee of the school district, or the use of  
153 reasonable force to protect persons or property, when administered by personnel

154 of a school district in a reasonable manner in accordance with the local board of  
155 education's written policy of discipline, is not abuse within the meaning of  
156 chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the  
157 children's division shall not have jurisdiction over or investigate any report of  
158 alleged child abuse arising out of or related to the use of reasonable force to  
159 protect persons or property when administered by personnel of a school district  
160 or any spanking administered in a reasonable manner by any certificated school  
161 personnel in the presence of a witness who is an employee of the school district  
162 pursuant to a written policy of discipline established by the board of education  
163 of the school district, as long as no allegation of sexual misconduct arises from the  
164 spanking or use of force.

165 **11. If a student reports alleged sexual misconduct on the part of**  
166 **a teacher or other school employee to a person employed in a school**  
167 **facility who is required to report such misconduct to the children's**  
168 **division under section 210.115, such person and the superintendent of**  
169 **the school district shall forward the allegation to the children's**  
170 **division within twenty-four hours of receiving the information. Reports**  
171 **made to the children's division under this subsection shall be**  
172 **investigated by the division in accordance with the provisions of**  
173 **sections 210.145 to 210.153 and shall not be investigated by the school**  
174 **district under subsections 12 to 20 of this section for purposes of**  
175 **determining whether the allegations should or should not be**  
176 **substantiated. The district may investigate the allegations for the**  
177 **purpose of making any decision regarding the employment of the**  
178 **accused employee.**

179 **[(2)] 12.** Upon receipt of any reports of child abuse by the children's  
180 division **other than reports provided under subsection 11 of this section,**  
181 pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a  
182 school district, the children's division shall notify the superintendent of schools  
183 of the district or, if the person named in the alleged incident is the  
184 superintendent of schools, the president of the school board of the school district  
185 where the alleged incident occurred.

186 **13.** If, after an initial investigation, the superintendent of schools or the  
187 president of the school board finds that the report involves an alleged incident of  
188 child abuse other than the administration of a spanking by certificated school  
189 personnel or the use of reasonable force to protect persons or property when  
190 administered by school personnel pursuant to a written policy of discipline or that  
191 the report was made for the sole purpose of harassing a public school employee,  
192 the superintendent of schools or the president of the school board shall

193 immediately refer the matter back to the children's division and take no further  
194 action. [(3)] In all matters referred back to the children's division, the division  
195 shall treat the report in the same manner as other reports of alleged child abuse  
196 received by the division.

197       14. If the report pertains to an alleged incident which arose out of or is  
198 related to a spanking administered by certificated personnel or the use of  
199 reasonable force to protect persons or property when administered by personnel  
200 of a school district pursuant to a written policy of discipline or a report made for  
201 the sole purpose of harassing a public school employee, a notification of the  
202 reported child abuse shall be sent by the superintendent of schools or the  
203 president of the school board to the juvenile officer of the county in which the  
204 alleged incident occurred.

205       15. The report shall be jointly investigated by the juvenile officer or a law  
206 enforcement officer designated by the juvenile officer and the superintendent of  
207 schools or, if the subject of the report is the superintendent of schools, by the  
208 juvenile officer or a law enforcement officer designated by the juvenile officer and  
209 the president of the school board or such president's designee.

210       [(4)] 16. The investigation shall begin no later than forty-eight hours  
211 after notification from the children's division is received, and shall consist of, but  
212 need not be limited to, interviewing and recording statements of the child and the  
213 child's parents or guardian within two working days after the start of the  
214 investigation, of the school district personnel allegedly involved in the report, and  
215 of any witnesses to the alleged incident.

216       17. The juvenile officer or a law enforcement officer designated by the  
217 juvenile officer and the investigating school district personnel shall issue separate  
218 reports of their findings and recommendations after the conclusion of the  
219 investigation to the school board of the school district within seven days after  
220 receiving notice from the children's division.

221       18. The reports shall contain a statement of conclusion as to whether the  
222 report of alleged child abuse is substantiated or is unsubstantiated.

223       [(5)] 19. The school board shall consider the separate reports **referred**  
224 **to in subsection 17 of this section** and shall issue its findings and conclusions  
225 and the action to be taken, if any, within seven days after receiving the last of the  
226 two reports. The findings and conclusions shall be made in substantially the  
227 following form:

228       [(a)] (1) The report of the alleged child abuse is unsubstantiated. The  
229 juvenile officer or a law enforcement officer designated by the juvenile officer and  
230 the investigating school board personnel agree that [the evidence shows that no]  
231 **there was not a preponderance of evidence to substantiate that** abuse

232 occurred;

233           **[(b)] (2)** The report of the alleged child abuse is substantiated. The  
234 juvenile officer or a law enforcement officer designated by the juvenile officer and  
235 the investigating school district personnel agree that the **preponderance of**  
236 evidence is sufficient to support a finding that the alleged incident of child abuse  
237 did occur;

238           **[(c)] (3)** The issue involved in the alleged incident of child abuse is  
239 unresolved. The juvenile officer or a law enforcement officer designated by the  
240 juvenile officer and the investigating school personnel are unable to agree on  
241 their findings and conclusions on the alleged incident.

242           **[11.] 20.** The findings and conclusions of the school board under  
243 **[subdivision (5) of] subsection [10] 19** of this section shall be sent to the  
244 children's division. If the findings and conclusions of the school board are that  
245 the report of the alleged child abuse is unsubstantiated, the investigation shall  
246 be terminated, the case closed, and no record shall be entered in the children's  
247 division central registry. If the findings and conclusions of the school board are  
248 that the report of the alleged child abuse is substantiated, the children's division  
249 shall report the incident to the prosecuting attorney of the appropriate county  
250 along with the findings and conclusions of the school district and shall include  
251 the information in the division's central registry. If the findings and conclusions  
252 of the school board are that the issue involved in the alleged incident of child  
253 abuse is unresolved, the children's division shall report the incident to the  
254 prosecuting attorney of the appropriate county along with the findings and  
255 conclusions of the school board, however, the incident and the names of the  
256 parties allegedly involved shall not be entered into the central registry of the  
257 children's division unless and until the alleged child abuse is substantiated by a  
258 court of competent jurisdiction.

259           **[12.] 21.** Any superintendent of schools, president of a school board or  
260 such person's designee or juvenile officer who knowingly falsifies any report of  
261 any matter pursuant to this section or who knowingly withholds any information  
262 relative to any investigation or report pursuant to this section is guilty of a class  
263 A misdemeanor.

264           **[13.] 22.** In order to ensure the safety of all students, should a student  
265 be expelled for bringing a weapon to school, violent behavior, or for an act of  
266 school violence, that student shall not, for the purposes of the accreditation  
267 process of the Missouri school improvement plan, be considered a dropout or be  
268 included in the calculation of that district's educational persistence ratio.

**160.262. 1. The office of the child advocate as created in section**  
2 **37.705 shall be authorized to coordinate mediation efforts between**

3 school districts and students when requested by both parties when  
4 allegations of child abuse arise in a school setting. The office of the  
5 child advocate shall maintain a list of individuals who are qualified  
6 mediators. The child advocate shall be available as one of the  
7 mediators on the list from which parents can choose.

8 **2. Mediation procedures shall meet the following requirements:**

9 **(1) The mediation process shall not be used to deny or delay any**  
10 **other complaint process available to the parties; and**

11 **(2) The mediation process shall be conducted by a qualified and**  
12 **impartial mediator trained in effective mediation techniques who is not**  
13 **affiliated with schools or school professional associations, is not a**  
14 **mandated reporter of child abuse under state law or regulation, and**  
15 **who is available as a public service.**

16 **3. No student, parent of a student, school employee, or school**  
17 **district shall be required to participate in mediation under this section.**  
18 **If either the school district or the student or student's parent does not**  
19 **wish to enter into mediation, mediation shall not occur.**

20 **4. Each session in the mediation process shall be scheduled in a**  
21 **timely manner and be held in a location that is convenient to the**  
22 **parties in dispute.**

23 **5. Discussions that occur during the mediation process shall be**  
24 **confidential and may not be used as evidence in any subsequent**  
25 **administrative proceeding, administrative hearing, nor in any civil or**  
26 **criminal proceeding of any state or federal court.**

27 **6. If the parties resolve a dispute through the mediation process,**  
28 **the parties shall execute a legally binding agreement that sets forth the**  
29 **resolution and:**

2 children established in section 160.2100 may adopt and implement a  
3 policy addressing sexual abuse of children that may include:

4 (1) Age-appropriate curriculum for students in pre-K through  
5 fifth grade;

6 (2) Training for school personnel on child sexual abuse;

162.014. No person shall be a candidate for a member or director  
2 of the school board in any school district in this state if such person is  
3 registered or is required to be registered as a sex offender under  
4 sections 589.400 to 589.425. Any member or director of the school board  
5 of any school district who is registered or required to be registered as  
6 a sex offender under sections 589.400 to 589.425 shall be ineligible to  
7 serve as a member or director of a school board of any school district  
8 at the conclusion of his or her term of office.

162.068. 1. By July 1, 2012, every school district shall adopt a  
2 written policy on information that the district provides about former  
3 employees, both certificated and noncertificated, to other public  
4 schools. The policy shall include who is permitted to respond to  
5 requests for information from potential employers and the information  
6 the district would provide when responding to such a request. The  
7 policy shall require that notice of this provision be provided to all  
8 current employees and to all potential employers who contact the  
9 school district regarding the possible employment of a school district  
10 employee.

11 2. Any school district that employs a person about whom the  
12 children's division conducts an investigation involving allegations of  
13 sexual misconduct with a student and reaches a finding of  
14 substantiated shall immediately suspend the employment of such  
15 person, notwithstanding any other provision of law, but the district  
16 may return the person to his or her employment if the child abuse and  
17 neglect review board's finding that the allegation is substantiated is  
18 reversed by a court on appeal and becomes final. Nothing shall  
19 preclude a school district from otherwise lawfully terminating the  
20 employment of any employee about whom there has been a finding of  
21 unsubstantiated resulting from an investigation by the children's  
22 division involving allegations of sexual misconduct with a student.

23 3. Any school district employee who is permitted to respond to  
24 requests for information regarding former employees under a policy  
25 adopted by his or her school district under subsection 2 of this section

26 and who communicates only the information which such policy directs,  
27 and who acts in good faith and without malice shall be immune against  
28 any civil action for damages brought by the former employee arising  
29 out of the communication of such information. If any such action is  
30 brought, the school district employee may, at his or her option, request  
31 the attorney general to defend him or her in such suit and the attorney  
32 general shall provide such defense, except that if the attorney general  
33 represents the school district or the department of elementary and  
34 secondary education in a pending licensing matter under section  
35 168.071 the attorney general shall not represent the school district  
36 employee.

37 4. Notwithstanding the provisions of subsection 2 of this section,  
38 if a district that has employed any employee whose job involves contact  
39 with children receives allegations of sexual misconduct concerning the  
40 employee and as a result of such allegations or as a result of such  
41 allegations being substantiated by the child abuse and neglect review  
42 board dismisses the employee or allows the employee to resign in lieu  
43 of being fired and fails to disclose the allegations of sexual misconduct  
44 when furnishing a reference for the former employee or responding to  
45 a potential employer's request for information regarding such  
46 employee, the district shall be directly liable for damages to any  
47 student of a subsequent employing district who is found by a court of  
48 competent jurisdiction to be a victim of the former employee's sexual  
49 misconduct, and the district shall bear third-party liability to the  
50 employing district for any legal liability, legal fees, costs, and expenses  
51 incurred by the employing district caused by the failure to disclose  
52 such information to the employing district.

53 5. If a school district has previously employed a person about  
54 whom the children's division has conducted an investigation involving  
55 allegations of sexual misconduct with a student and has reached a  
56 finding of substantiated and another public school contacts the district  
57 for a reference for the former employee, the district shall disclose the  
58 results of the children's division's investigation to the public school.

59 6. Any school district employee, acting in good faith, who reports  
60 alleged sexual misconduct on the part of a teacher or other school  
61 employee shall not be discharged or otherwise discriminated against  
62 in any fashion because of such reporting.

162.069. 1. Every school district shall, by January 1, 2012,  
2 promulgate a written policy concerning teacher-student communication

3 and employee-student communication. Such policy shall contain at  
4 least the following elements:

5 (1) Appropriate oral and nonverbal personal communication,  
6 which may be combined with or included in any policy on sexual  
7 harassment; and

8 (2) Appropriate use of electronic media such as text messaging  
9 and internet sites for both instructional and personal purposes, with an  
10 element concerning use of social networking sites no less stringent  
11 than the provisions of subsections 2, 3, and 4 of this section.

12 2. As used in this section, the following terms shall mean:

13 (1) "Exclusive access", the information on the website is available  
14 only to the owner (teacher) and user (student) by mutual explicit  
15 consent and where third parties have no access to the information on  
16 the website absent an explicit consent agreement with the owner  
17 (teacher);

18 (2) "Former student", any person who was at one time a student  
19 at the school at which the teacher is employed and who is eighteen  
20 years of age or less and who has not graduated;

21 (3) "Nonwork-related internet site", any internet website or web  
22 page used by a teacher primarily for personal purposes and not for  
23 educational purposes;

24 (4) "Work-related internet site", any internet website or web  
25 pages used by a teacher for educational purposes.

26 3. No teacher shall establish, maintain, or use a work-related  
27 internet site unless such site is available to school administrators and  
28 the child's legal custodian, physical custodian, or legal guardian.

29 4. No teacher shall establish, maintain, or use a nonwork-related  
30 internet site which allows exclusive access with a current or former  
31 student. Nothing in this subsection shall be construed as prohibiting  
32 a teacher from establishing a nonwork related internet site, provided  
33 the site is used in accordance with this section.

34 5. Every school district shall, by July 1, 2012, include in its  
35 teacher and employee training, a component that provides up-to-date  
36 and reliable information on identifying signs of sexual abuse in  
37 children and danger signals of potentially abusive relationships  
38 between children and adults. The training shall emphasize the  
39 importance of mandatory reporting of abuse under section 210.115  
40 including the obligation of mandated reporters to report suspected  
41 abuse by other mandated reporters, and how to establish an

42 **atmosphere of trust so that students feel their school has concerned**  
43 **adults with whom they feel comfortable discussing matters related to**  
44 **abuse.**

168.021. 1. Certificates of license to teach in the public schools of the  
2 state shall be granted as follows:

3 (1) By the state board, under rules and regulations prescribed by it:

4 (a) Upon the basis of college credit;

5 (b) Upon the basis of examination;

6 (2) By the state board, under rules and regulations prescribed by the state  
7 board with advice from the advisory council established by section 168.015 to any  
8 individual who presents to the state board a valid doctoral degree from an  
9 accredited institution of higher education accredited by a regional accrediting  
10 association such as North Central Association. Such certificate shall be limited

12 successful completion of the examination required for graduation pursuant to  
13 rules adopted by the state board of education, and shall be restricted to those  
14 certificates established pursuant to subdivision (1) of subsection 3 of this section;

15 (3) By the state board, which shall issue the professional certificate  
16 classification in both the general and specialized areas most closely aligned with  
17 the current areas of certification approved by the state board, commensurate with  
18 the years of teaching experience of the applicant, and based upon the following  
19 criteria:

20 (a) Recommendation of a state-approved baccalaureate-level teacher  
21 preparation program;

22 (b) Successful attainment of the Missouri qualifying score on the exit  
23 assessment for teachers or administrators designated by the state board of  
24 education. Applicants who have not successfully achieved a qualifying score on  
25 the designated examinations will be issued a two-year nonrenewable provisional  
26 certificate; and

27 (c) Upon completion of a background check **as prescribed in section**  
28 **168.133** and possession of a valid teaching certificate in the state from which the  
29 applicant's teacher preparation program was completed;

30 (4) By the state board, under rules prescribed by it, on the basis of a  
31 relevant bachelor's degree, or higher degree, and a passing score for the  
32 designated exit examination, for individuals whose academic degree and  
33 professional experience are suitable to provide a basis for instruction solely in the  
34 subject matter of banking or financial responsibility, at the discretion of the state  
35 board. Such certificate shall be limited to the major area of study of the holder  
36 and shall be restricted to those certificates established under subdivision (1) of

37 subsection 3 of this section. Holders of certificates granted under this subdivision  
38 shall be exempt from the teacher tenure act under sections 168.102 to 168.130  
39 and each school district shall have the decision-making authority on whether to  
40 hire the holders of such certificates; or

41 (5) By the state board, under rules and regulations prescribed by it, on  
42 the basis of certification by the American Board for Certification of Teacher  
43 Excellence (ABCTE) and verification of ability to work with children as  
44 demonstrated by sixty contact hours in any one of the following areas as validated  
45 by the school principal: sixty contact hours in the classroom, of which at least  
46 forty-five must be teaching; sixty contact hours as a substitute teacher, with at  
47 least thirty consecutive hours in the same classroom; sixty contact hours of  
48 teaching in a private school; or sixty contact hours of teaching as a  
49 paraprofessional, for an initial four-year ABCTE certificate of license to teach,  
50 except that such certificate shall not be granted for the areas of early childhood  
51 education, elementary education, or special education. Upon the completion of  
52 the requirements listed in paragraphs (a), (b), (c), and (d) of this subdivision, an  
53 applicant shall be eligible to apply for a career continuous professional certificate  
54 under subdivision (2) of subsection 3 of this section:

55 (a) Completion of thirty contact hours of professional development within  
56 four years, which may include hours spent in class in an appropriate college  
57 curriculum;

58 (b) Validated completion of two years of the mentoring program of the  
59 American Board for Certification of Teacher Excellence or a district mentoring  
60 program approved by the state board of education;

61 (c) Attainment of a successful performance-based teacher evaluation; and

62 (d) Participate in a beginning teacher assistance program.

63 2. All valid teaching certificates issued pursuant to law or state board  
64 policies and regulations prior to September 1, 1988, shall be exempt from the  
65 professional development requirements of this section and shall continue in effect  
66 until they expire, are revoked or suspended, as provided by law. When such  
67 certificates are required to be renewed, the state board or its designee shall grant  
68 to each holder of such a certificate the certificate most nearly equivalent to the  
69 one so held. Anyone who holds, as of August 28, 2003, a valid PC-I, PC-II, or  
70 continuous professional certificate shall, upon expiration of his or her current  
71 certificate, be issued the appropriate level of certificate based upon the  
72 classification system established pursuant to subsection 3 of this section.

73 3. Certificates of license to teach in the public schools of the state shall  
74 be based upon minimum requirements prescribed by the state board of education  
75 **which shall include completion of a background check as prescribed in**

76 **section 168.133.** The state board shall provide for the following levels of  
77 professional certification: an initial professional certificate and a career  
78 continuous professional certificate.

79 (1) The initial professional certificate shall be issued upon completion of  
80 requirements established by the state board of education and shall be valid based  
81 upon verification of actual teaching within a specified time period established by  
82 the state board of education. The state board shall require holders of the  
83 four-year initial professional certificate to:

84 (a) Participate in a mentoring program approved and provided by the  
85 district for a minimum of two years;

86 (b) Complete thirty contact hours of professional development, which may  
87 include hours spent in class in an appropriate college curriculum, or for holders  
88 of a certificate under subdivision (4) of subsection 1 of this section, an amount of  
89 professional development in proportion to the certificate holder's hours in the  
90 classroom, if the certificate holder is employed less than full time; and

91 (c) Participate in a beginning teacher assistance program;

92 (2) (a) The career continuous professional certificate shall be issued upon  
93 verification of completion of four years of teaching under the initial professional  
94 certificate and upon verification of the completion of the requirements articulated  
95 in paragraphs (a), (b), and (c) of subdivision (1) of this subsection or paragraphs  
96 (a), (b), (c), and (d) of subdivision (5) of subsection 1 of this section.

97 (b) The career continuous professional certificate shall be continuous  
98 based upon verification of actual employment in an educational position as  
99 provided for in state board guidelines and completion of fifteen contact hours of  
100 professional development per year which may include hours spent in class in an  
101 appropriate college curriculum. Should the possessor of a valid career continuous  
102 professional certificate fail, in any given year, to meet the fifteen-hour  
103 professional development requirement, the possessor may, within two years, make  
104 up the missing hours. In order to make up for missing hours, the possessor shall  
105 first complete the fifteen-hour requirement for the current year and then may  
106 count hours in excess of the current year requirement as make-up hours. Should  
107 the possessor fail to make up the missing hours within two years, the certificate  
108 shall become inactive. In order to reactivate the certificate, the possessor shall  
109 complete twenty-four contact hours of professional development which may  
110 include hours spent in the classroom in an appropriate college curriculum within  
111 the six months prior to or after reactivating his or her certificate. The  
112 requirements of this paragraph shall be monitored and verified by the local school  
113 district which employs the holder of the career continuous professional certificate.

114 (c) A holder of a career continuous professional certificate shall be exempt

115 from the professional development contact hour requirements of paragraph (b) of  
116 this subdivision if such teacher has a local professional development plan in place  
117 within such teacher's school district and meets two of the three following criteria:

118         a. Has ten years of teaching experience as defined by the state board of  
119 education;

120         b. Possesses a master's degree; or

121         c. Obtains a rigorous national certification as approved by the state board  
122 of education.

123         4. Policies and procedures shall be established by which a teacher who  
124 was not retained due to a reduction in force may retain the current level of  
125 certification. There shall also be established policies and procedures allowing a  
126 teacher who has not been employed in an educational position for three years or  
127 more to reactivate his or her last level of certification by completing twenty-four  
128 contact hours of professional development which may include hours spent in the  
129 classroom in an appropriate college curriculum within the six months prior to or  
130 after reactivating his or her certificate.

131         5. The state board shall, upon [an appropriate] **completion of a**  
132 **background check as prescribed in section 168.133**, issue a professional  
133 certificate classification in the areas most closely aligned with an applicant's  
134 current areas of certification, commensurate with the years of teaching experience  
135 of the applicant, to any person who is hired to teach in a public school in this  
136 state and who possesses a valid teaching certificate from another state or  
137 certification under subdivision (4) of subsection 1 of this section, provided that  
138 the certificate holder shall annually complete the state board's requirements for  
139 such level of certification, and shall establish policies by which residents of states  
140 other than the state of Missouri may be assessed a fee for a certificate license to  
141 teach in the public schools of Missouri. Such fee shall be in an amount sufficient  
142 to recover any or all costs associated with the issuing of a certificate of license to  
143 teach. The board shall promulgate rules to authorize the issuance of a  
144 provisional certificate of license, which shall allow the holder to assume classroom  
145 duties pending the completion of a criminal background check under section  
146 168.133, for any applicant who:

147             (1) Is the spouse of a member of the armed forces stationed in Missouri;

148             (2) Relocated from another state within one year of the date of  
149 application;

150             (3) Underwent a criminal background check in order to be issued a  
151 teaching certificate of license from another state; and

152             (4) Otherwise qualifies under this section.

153         6. The state board may assess to holders of an initial professional

154 certificate a fee, to be deposited into the excellence in education revolving fund  
155 established pursuant to section 160.268, for the issuance of the career continuous  
156 professional certificate. However, such fee shall not exceed the combined costs  
157 of issuance and any criminal background check required as a condition of  
158 issuance. Applicants for the initial ABCTE certificate shall be responsible for any  
159 fees associated with the program leading to the issuance of the certificate, but  
160 nothing in this section shall prohibit a district from developing a policy that  
161 permits fee reimbursement.

162           7. Any member of the public school retirement system of Missouri who  
163 entered covered employment with ten or more years of educational experience in  
164 another state or states and held a certificate issued by another state and  
165 subsequently worked in a school district covered by the public school retirement  
166 system of Missouri for ten or more years who later became certificated in  
167 Missouri shall have that certificate dated back to his or her original date of  
168 employment in a Missouri public school.

169           8. The provisions of subdivision (5) of subsection 1 of this section, as well  
170 as any other provision of this section relating to the American Board for  
171 Certification of Teacher Excellence, shall terminate on August 28, 2014.

168.071. 1. The state board of education may refuse to issue or renew a  
2 certificate, or may, upon hearing, discipline the holder of a certificate of license  
3 to teach for the following causes:

4           (1) A certificate holder or applicant for a certificate has pleaded to or been  
5 found guilty of a felony or crime involving moral turpitude under the laws of this  
6 state, any other state, of the United States, or any other country, whether or not  
7 sentence is imposed;

8           (2) The certification was obtained through use of fraud, deception,  
9 misrepresentation or bribery;

10           (3) There is evidence of incompetence, immorality, or neglect of duty by  
11 the certificate holder;

12           (4) A certificate holder has been subject to disciplinary action relating to  
13 certification issued by another state, territory, federal agency, or country upon  
14 grounds for which discipline is authorized in this section; or

15           (5) If charges are filed by the local board of education, based upon the  
16 annulling of a written contract with the local board of education, for reasons other  
17 than election to the general assembly, without the consent of the majority of the  
18 members of the board that is a party to the contract.

19           2. A public school district may file charges seeking the discipline of a  
20 holder of a certificate of license to teach based upon any cause or combination of  
21 causes outlined in subsection 1 of this section, including annulment of a written

22 contract. Charges shall be in writing, specify the basis for the charges, and be  
23 signed by the chief administrative officer of the district, or by the president of the  
24 board of education as authorized by a majority of the board of education. The  
25 board of education may also petition the office of the attorney general to file  
26 charges on behalf of the school district for any cause other than annulment of  
27 contract, with acceptance of the petition at the discretion of the attorney general.

28 3. The department of elementary and secondary education may file  
29 charges seeking the discipline of a holder of a certificate of license to teach based  
30 upon any cause or combination of causes outlined in subsection 1 of this section,  
31 other than annulment of contract. Charges shall be in writing, specify the basis  
32 for the charges, and be signed by legal counsel representing the department of  
33 elementary and secondary education.

34 4. If the underlying conduct or actions which are the basis for charges  
35 filed pursuant to this section are also the subject of a pending criminal charge  
36 against the person holding such certificate, the certificate holder may request, in  
37 writing, a delayed hearing on advice of counsel under the fifth amendment of the  
38 Constitution of the United States. Based upon such a request, no hearing shall  
39 be held until after a trial has been completed on this criminal charge.

40 5. The certificate holder shall be given not less than thirty days' notice of  
41 any hearing held pursuant to this section.

34 RSMo, and pay the appropriate fee determined by the Federal Bureau of  
35 Investigation for the federal criminal history record when he or she applies for  
36 a position authorized to have contact with pupils pursuant to this section. The

51 **ongoing electronic updates to criminal history background checks of**  
52 **those persons previously submitted, both those who have an active**  
53 **certificate and those who do not have an active certificate, by the**

55 **the annual check against the criminal history records in the central**  
56 **repository under section 43.530.**

57           5. The school district may adopt a policy to provide for reimbursement of  
58 expenses incurred by an employee for state and federal criminal history  
59 information pursuant to section 43.530, RSMo.

60           [5.] **6.** If, as a result of the criminal history background check mandated  
61 by this section, it is determined that the holder of a certificate issued pursuant

62 to section 168.021 has pled guilty or nolo contendere to, or been found guilty of  
63 a crime or offense listed in section 168.071, or a similar crime or offense  
64 committed in another state, the United States, or any other country, regardless  
65 of imposition of sentence, such information shall be reported to the department  
66 of elementary and secondary education.

67 [6.] 7. Any school official making a report to the department of  
68 elementary and secondary education in conformity with this section shall not be  
69 subject to civil liability for such action.

70 [7.] 8. For any teacher who is employed by a school district on a

72 a Missouri school, the state of Missouri shall not require such teacher to be  
73 subject to any additional background checks prior to having contact with  
74 pupils. Nothing in this subsection shall be construed as prohibiting or otherwise  
75 restricting a school district from requiring additional background checks for such  
76 teachers employed by the school district.

77 [8.] 9. A criminal background check and fingerprint collection conducted  
78 under subsections 1 and 2 of this section shall be valid for at least a period of one  
79 year and transferrable from one school district to another district. **A school**  
80 **district may, in its discretion, conduct a new criminal background**  
81 **check and fingerprint collection under subsections 1 and 2 for a newly**  
82 **hired employee at the district's expense.** A teacher's change in type of  
83 certification shall have no effect on the transferability or validity of such records.

84 [9.] 10. Nothing in this section shall be construed to alter the standards  
85 for suspension, denial, or revocation of a certificate issued pursuant to this  
86 chapter.

87 [10.] 11. The state board of education may promulgate rules for criminal  
88 history background checks made pursuant to this section. Any rule or portion of  
89 a rule, as that term is defined in section 536.010, RSMo, that is created under the  
90 authority delegated in this section shall become effective only if it complies with  
91 and is subject to all of the provisions of chapter 536, RSMo, and, if applicable,  
92 section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable  
93 and if any of the powers vested with the general assembly pursuant to chapter  
94 536, RSMo, to review, to delay the effective date, or to disapprove and annul a  
95 rule are subsequently held unconstitutional, then the grant of rulemaking  
96 authority and any rule proposed or adopted after January 1, 2005, shall be  
97 invalid and void.

210.135. 1. Any person, official, or institution complying with the  
2 provisions of sections 210.110 to 210.165 in the making of a report, the taking of  
3 color photographs, or the making of radiologic examinations pursuant to sections

4 210.110 to 210.165, or both such taking of color photographs and making of  
5 radiologic examinations, or the removal or retaining a child pursuant to sections  
6 210.110 to 210.165, or in cooperating with the division, or any other law  
7 enforcement agency, juvenile office, court, or child-protective service agency of  
8 this or any other state, in any of the activities pursuant to sections 210.110 to  
9 210.165, or any other allegation of child abuse, neglect or assault, pursuant to  
10 sections 568.045 to 568.060, RSMo, shall have immunity from any liability, civil  
11 or criminal, that otherwise might result by reason of such actions. Provided,  
12 however, any person, official or institution intentionally filing a false report,  
13 acting in bad faith, or with ill intent, shall not have immunity from any liability,  
14 civil or criminal. Any such person, official, or institution shall have the same  
15 immunity with respect to participation in any judicial proceeding resulting from  
16 the report.

17 **2. Any person, who is not a school district employee, who makes**  
18 **a report to any employee of the school district of child abuse by a**  
19 **school employee shall have immunity from any liability, civil or**  
20 **criminal, that otherwise might result because of such report. Provided,**  
21 **however, that any such person who makes a false report, knowing that**

23 **such report shall not have immunity from any liability, civil or**  
24 **criminal. Any such person shall have the same immunity with respect**  
25 **to participation in any judicial proceeding resulting from the report.**

210.145. 1. The division shall develop protocols which give priority to:

2 (1) Ensuring the well-being and safety of the child in instances where  
3 child abuse or neglect has been alleged;  
4 (2) Promoting the preservation and reunification of children and families  
5 consistent with state and federal law;  
6 (3) Providing due process for those accused of child abuse or neglect; and  
7 (4) Maintaining an information system operating at all times, capable of  
8 receiving and maintaining reports. This information system shall have the ability  
9 to receive reports over a single, statewide toll-free number. Such information  
10 system shall maintain the results of all investigations, family assessments and  
11 services, and other relevant information.

12 2. The division shall utilize structured decision-making protocols for  
13 classification purposes of all child abuse and neglect reports. The protocols  
14 developed by the division shall give priority to ensuring the well-being and safety  
15 of the child. All child abuse and neglect reports shall be initiated within  
16 twenty-four hours and shall be classified based upon the reported risk and injury  
17 to the child. The division shall promulgate rules regarding the structured

18 decision-making protocols to be utilized for all child abuse and neglect reports.

19           3. Upon receipt of a report, the division shall determine if the report  
20 merits investigation, including reports which if true would constitute a suspected  
21 violation of any of the following: section 565.020, 565.021, 565.023, 565.024, or  
22 565.050, RSMo, if the victim is a child less than eighteen years of age, section  
23 566.030 or 566.060, RSMo, if the victim is a child less than eighteen years of age,  
24 or other crimes under chapter 566, RSMo, if the victim is a child less than  
25 eighteen years of age and the perpetrator is twenty-one years of age or older,  
26 section 567.050, RSMo, if the victim is a child less than eighteen years of age,  
27 section 568.020, 568.030, 568.045, 568.050, 568.060, 568.080, or 568.090, RSMo,  
28 section 573.025, 573.035, 573.037, or 573.040, RSMo, or an attempt to commit any  
29 such crimes. The division shall immediately communicate all reports that merit  
30 investigation to its appropriate local office and any relevant information as may  
31 be contained in the information system. The local division staff shall determine,  
32 through the use of protocols developed by the division, whether an investigation  
33 or the family assessment and services approach should be used to respond to the  
34 allegation. The protocols developed by the division shall give priority to ensuring  
35 the well-being and safety of the child.

36           4. The local office shall contact the appropriate law enforcement agency  
37 immediately upon receipt of a report which division personnel determine merits  
38 an investigation and provide such agency with a detailed description of the report  
39 received. In such cases the local division office shall request the assistance of the  
40 local law enforcement agency in all aspects of the investigation of the  
41 complaint. The appropriate law enforcement agency shall either assist the  
42 division in the investigation or provide the division, within twenty-four hours, an  
43 explanation in writing detailing the reasons why it is unable to assist.

44           5. The local office of the division shall cause an investigation or family  
45 assessment and services approach to be initiated in accordance with the protocols  
46 established in subsection 2 of this section, except in cases where the sole basis for  
47 the report is educational neglect. If the report indicates that educational neglect  
48 is the only complaint and there is no suspicion of other neglect or abuse, the  
49 investigation shall be initiated within seventy-two hours of receipt of the report.  
50 If the report indicates the child is in danger of serious physical harm or threat  
51 to life, an investigation shall include direct observation of the subject child within  
52 twenty-four hours of the receipt of the report. Local law enforcement shall take  
53 all necessary steps to facilitate such direct observation. If the parents of the  
54 child are not the alleged abusers, a parent of the child must be notified prior to  
55 the child being interviewed by the division. If the abuse is alleged to have  
56 occurred in a school or child-care facility the division shall not meet with the

57 child in any school building or child-care facility building where abuse of such  
58 child is alleged to have occurred. When the child is reported absent from the  
59 residence, the location and the well-being of the child shall be verified. For  
60 purposes of this subsection, child-care facility shall have the same meaning as  
61 such term is defined in section 210.201.

62           6. The director of the division shall name at least one chief investigator  
63 for each local division office, who shall direct the division response on any case  
64 involving a second or subsequent incident regarding the same subject child or  
65 perpetrator. The duties of a chief investigator shall include verification of direct  
66 observation of the subject child by the division and shall ensure information  
67 regarding the status of an investigation is provided to the public school district  
68 liaison. The public school district liaison shall develop protocol in conjunction  
69 with the chief investigator to ensure information regarding an investigation is  
70 shared with appropriate school personnel. The superintendent of each school  
71 district shall designate a specific person or persons to act as the public school  
72 district liaison. Should the subject child attend a nonpublic school the chief  
73 investigator shall notify the school principal of the investigation. Upon  
74 notification of an investigation, all information received by the public school  
75 district liaison or the school shall be subject to the provisions of the federal  
76 Family Educational Rights and Privacy Act (FERPA), 20 U.S.C., Section 1232g,  
77 and federal rule 34 C.F.R., Part 99.

78           7. The investigation shall include but not be limited to the nature, extent,  
79 and cause of the abuse or neglect; the identity and age of the person responsible  
80 for the abuse or neglect; the names and conditions of other children in the home,  
81 if any; the home environment and the relationship of the subject child to the  
82 parents or other persons responsible for the child's care; any indication of  
83 incidents of physical violence against any other household or family member; and  
84 other pertinent data.

85           8. When a report has been made by a person required to report under  
86 section 210.115, the division shall contact the person who made such report  
87 within forty-eight hours of the receipt of the report in order to ensure that full  
88 information has been received and to obtain any additional information or  
89 medical records, or both, that may be pertinent.

90           9. Upon completion of the investigation, if the division suspects that the  
91 report was made maliciously or for the purpose of harassment, the division shall  
92 refer the report and any evidence of malice or harassment to the local prosecuting  
93 or circuit attorney.

94           10. Multidisciplinary teams shall be used whenever conducting the  
95 investigation as determined by the division in conjunction with local law

96 enforcement. Multidisciplinary teams shall be used in providing protective or  
97 preventive social services, including the services of law enforcement, a liaison of  
98 the local public school, the juvenile officer, the juvenile court, and other agencies,  
99 both public and private.

100       11. For all family support team meetings involving an alleged victim of  
101 child abuse or neglect, the parents, legal counsel for the parents, foster parents,  
102 the legal guardian or custodian of the child, the guardian ad litem for the child,  
103 and the volunteer advocate for the child shall be provided notice and be permitted  
104 to attend all such meetings. Family members, other than alleged perpetrators,  
105 or other community informal or formal service providers that provide significant  
106 support to the child and other individuals may also be invited at the discretion  
107 of the parents of the child. In addition, the parents, the legal counsel for the  
108 parents, the legal guardian or custodian and the foster parents may request that  
109 other individuals, other than alleged perpetrators, be permitted to attend such  
110 team meetings. Once a person is provided notice of or attends such team  
111 meetings, the division or the convenor of the meeting shall provide such persons  
112 with notice of all such subsequent meetings involving the child. Families may  
113 determine whether individuals invited at their discretion shall continue to be  
114 invited.

115       12. If the appropriate local division personnel determine after an  
116 investigation has begun that completing an investigation is not appropriate, the  
117 division shall conduct a family assessment and services approach. The division  
118 shall provide written notification to local law enforcement prior to terminating  
119 any investigative process. The reason for the termination of the investigative  
120 process shall be documented in the record of the division and the written  
121 notification submitted to local law enforcement. Such notification shall not  
122 preclude nor prevent any investigation by law enforcement.

123       13. If the appropriate local division personnel determines to use a family  
124 assessment and services approach, the division shall:

125       (1) Assess any service needs of the family. The assessment of risk and  
126 service needs shall be based on information gathered from the family and other  
127 sources;

128       (2) Provide services which are voluntary and time-limited unless it is  
129 determined by the division based on the assessment of risk that there will be a  
130 high risk of abuse or neglect if the family refuses to accept the services. The  
131 division shall identify services for families where it is determined that the child  
132 is at high risk of future abuse or neglect. The division shall thoroughly document  
133 in the record its attempt to provide voluntary services and the reasons these  
134 services are important to reduce the risk of future abuse or neglect to the child.

135 If the family continues to refuse voluntary services or the child needs to be  
136 protected, the division may commence an investigation;

137 (3) Commence an immediate investigation if at any time during the family  
138 assessment and services approach the division determines that an investigation,  
139 as delineated in sections 210.109 to 210.183, is required. The division staff who  
140 have conducted the assessment may remain involved in the provision of services  
141 to the child and family;

142 (4) Document at the time the case is closed, the outcome of the family  
143 assessment and services approach, any service provided and the removal of risk  
144 to the child, if it existed.

145 14. Within thirty days of an oral report of abuse or neglect, the local office  
146 shall update the information in the information system. The information system  
147 shall contain, at a minimum, the determination made by the division as a result  
148 of the investigation, identifying information on the subjects of the report, those  
149 responsible for the care of the subject child and other relevant dispositional  
150 information. The division shall complete all investigations within thirty days,  
151 unless good cause for the failure to complete the investigation is documented in  
152 the information system. If a child involved in a pending investigation dies, the  
153 investigation shall remain open until the division's investigation surrounding the  
154 death is completed. If the investigation is not completed within thirty days, the  
155 information system shall be updated at regular intervals and upon the completion  
156 of the investigation. The information in the information system shall be updated  
157 to reflect any subsequent findings, including any changes to the findings based  
158 on an administrative or judicial hearing on the matter.

159 15. A person required to report under section 210.115 to the division and  
160 any person making a report of child abuse or neglect made to the division which  
161 is not made anonymously shall be informed by the division of his or her right to  
162 obtain information concerning the disposition of his or her report. Such person  
163 shall receive, from the local office, if requested, information on the general  
164 disposition of his or her report. Such person may receive, if requested, findings  
165 and information concerning the case. Such release of information shall be at the  
166 discretion of the director based upon a review of the reporter's ability to assist in  
167 protecting the child or the potential harm to the child or other children within the  
168 family. The local office shall respond to the request within forty-five days. The  
169 findings shall be made available to the reporter within five days of the outcome  
170 of the investigation. If the report is determined to be unsubstantiated, the  
171 reporter may request that the report be referred by the division to the office of  
172 child advocate for children's protection and services established in sections 37.700  
173 to 37.730, RSMo. Upon request by a reporter under this subsection, the division

174 shall refer an unsubstantiated report of child abuse or neglect to the office of  
175 child advocate for children's protection and services.

176 **16. The division shall provide to any individual, who is not**  
177 **satisfied with the results of an investigation, information about the**  
178 **office of child advocate and the services it may provide under sections**  
179 **37.700 to 37.730.**

180 **17.** In any judicial proceeding involving the custody of a child the fact  
181 that a report may have been made pursuant to sections 210.109 to 210.183 shall  
182 not be admissible. However:

183 (1) Nothing in this subsection shall prohibit the introduction of evidence  
184 from independent sources to support the allegations that may have caused a  
185 report to have been made; and

186 (2) The court may on its own motion, or shall if requested by a party to  
187 the proceeding, make an inquiry not on the record with the children's division to  
188 determine if such a report has been made. If a report has been made, the court  
189 may stay the custody proceeding until the children's division completes its  
190 investigation.

191 [17.] **18.** In any judicial proceeding involving the custody of a child where  
192 the court determines that the child is in need of services pursuant to subdivision

194 child's parent, guardian or custodian shall not be entered into the registry.

195 [18.] **19.** The children's division is hereby granted the authority to  
196 promulgate rules and regulations pursuant to the provisions of section 207.021,

198 210.183.

199 [19.] **20.** Any rule or portion of a rule, as that term is defined in section  
200 536.010, RSMo, that is created under the authority delegated in this section shall  
201 become effective only if it complies with and is subject to all of the provisions of  
202 chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and  
203 chapter 536, RSMo, are nonseverable and if any of the powers vested with the  
204 general assembly pursuant to chapter 536, RSMo, to review, to delay the effective  
205 date or to disapprove and annul a rule are subsequently held unconstitutional,  
206 then the grant of rulemaking authority and any rule proposed or adopted after  
207 August 28, 2000, shall be invalid and void.

11 the filing of a report by a person required to report, identifying information shall  
12 be expunged by the division within forty-five days from the conclusion of the  
13 investigation;

14 (b) For investigation reports, where insufficient evidence of abuse or

18 the division within forty-five days from the conclusion of the investigation;

19 (c) For investigation reports initiated by a person required to report under  
20 section 210.115, where insufficient evidence of abuse or neglect is found by the  
21 division, identifying information shall be retained for five years from the  
22 conclusion of the investigation. For all other investigation reports where  
23 insufficient evidence of abuse or neglect is found by the division, identifying  
24 information shall be retained for two years from the conclusion of the  
25 investigation. Such reports shall include any exculpatory evidence known by the  
26 division, including exculpatory evidence obtained after the closing of the case. At  
27 the end of such time period, the identifying information shall be removed from  
28 the records of the division and destroyed;

29 (3) For reports where the division uses the family assessment and services  
30 approach, identifying information shall be retained by the division;

35 2. Within ninety days after receipt of a report of abuse or neglect that is  
36 investigated, the alleged perpetrator named in the report and the parents of the  
37 child named in the report, if the alleged perpetrator is not a parent, shall be  
38 notified in writing of any determination made by the division based on the  
39 investigation. The notice shall advise either:

40 (1) That the division has determined by a probable cause finding prior to  
41 August 28, 2004, or by a preponderance of the evidence after August 28, 2004,  
42 that abuse or neglect exists and that the division shall retain all identifying  
43 information regarding the abuse or neglect; that such information shall remain  
44 confidential and will not be released except to law enforcement agencies,

46 alleged perpetrator has sixty days from the date of receipt of the notice to seek  
47 reversal of the division's determination through a review by the child abuse and  
48 neglect review board as provided in subsection 3 of this section; or

49 (2) That the division has not made a probable cause finding or determined  
50 by a preponderance of the evidence that abuse or neglect exists.

51 **3. The children's division may reopen a case for review at the**  
52 **request of the alleged perpetrator, the alleged victim, or the office of**  
53 **the child advocate if new, specific, and credible evidence is obtained**  
54 **that the division's decision was based on fraud or misrepresentation of**  
55 **material facts relevant to the division's decision and there is credible**  
56 **evidence that absent such fraud or misrepresentation the division's**  
57 **decision would have been different. If the alleged victim is under the**  
58 **age of eighteen, the request for review may be made by the alleged**  
59 **victim's parent, legal custodian, or legal guardian. All requests to**  
60 **reopen an investigation for review shall be made within a reasonable**  
61 **time and not more than one year after the children's division made its**

63 **information which the person requesting the review knew, should have**  
64 **known, or could by the exercise of reasonable care have known before**  
65 **the date of the division's final decision in the case, unless the person**  
66 **requesting the review shows by a preponderance of the evidence that**  
67 **he or she could not have provided such information to the division**  
68 **before the date of the division's final decision in the case. Any person,**  
69 **other than the office of the child advocate, who makes a request to**  
70 **reopen a case for review based on facts which the person knows to be**  
71 **false or misleading or who acts in bad faith or with the intent to harass**  
72 **the alleged victim or perpetrator shall not have immunity from any**  
73 **liability, civil or criminal, for providing the information and requesting**  
74 **that the division reopen the investigation. Any person who makes a**

76 **knows to be false shall be guilty of a class A misdemeanor. The**  
77 **children's division shall not reopen an investigation under any**  
78 **circumstances while the case is pending before a court of this state nor**  
79 **when a court has entered a final judgment after de novo judicial review**  
80 **pursuant to section 210.152.**

81 **4. Any person named in an investigation as a perpetrator who is**  
82 **aggrieved by a determination of abuse or neglect by the division as provided in**  
83 **this section may seek an administrative review by the child abuse and neglect**

85 review shall be made within sixty days of notification of the division's decision  
86 under this section. In those cases where criminal charges arising out of facts of  
87 the investigation are pending, the request for review shall be made within sixty  
88 days from the court's final disposition or dismissal of the charges.

89 [4.] 5. In any such action for administrative review, the child abuse and  
90 neglect review board shall sustain the division's determination if such  
91 determination was supported by evidence of probable cause prior to August 28,  
92 2004, or is supported by a preponderance of the evidence after August 28, 2004,  
93 and is not against the weight of such evidence. The child abuse and neglect  
94 review board hearing shall be closed to all persons except the parties, their  
95 attorneys and those persons providing testimony on behalf of the parties.

96 [5.] 6. If the alleged perpetrator is aggrieved by the decision of the child  
97 abuse and neglect review board, the alleged perpetrator may seek de novo judicial  
98 review in the circuit court in the county in which the alleged perpetrator resides  
99 and in circuits with split venue, in the venue in which the alleged perpetrator  
100 resides, or in Cole County. If the alleged perpetrator is not a resident of the  
101 state, proper venue shall be in Cole County. The case may be assigned to the  
102 family court division where such a division has been established. The request for  
103 a judicial review shall be made within sixty days of notification of the decision of  
104 the child abuse and neglect review board decision. In reviewing such decisions,  
105 the circuit court shall provide the alleged perpetrator the opportunity to appear  
106 and present testimony. The alleged perpetrator may subpoena any witnesses  
107 except the alleged victim or the reporter. However, the circuit court shall have  
108 the discretion to allow the parties to submit the case upon a stipulated record.

109 [6.] 7. In any such action for administrative review, the child abuse and  
110 neglect review board shall notify the child or the parent, guardian or legal  
111 representative of the child that a review has been requested.
