

Journal of the Senate

FIRST REGULAR SESSION

TWENTIETH DAY—MONDAY, FEBRUARY 14, 2011

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“You shall love the Lord your God with all your heart, and with all your soul, and with all your mind...You shall love your neighbor as yourself.” (Matthew 22:37, 39)

Lord of Love, each day we greet each other, shake hands most hospitably and that is a good thing to do. Yet on this Valentine's Day let us convey our love to those who mean a lot to us, treating them as we would have them treat us. May we express our love to those You have given us to love and find ways, even though away, that lets our hearts sing to them what they mean to us so that each day is a day of love given and expressed. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE CONCURRENT RESOLUTION NO. 10

WHEREAS, Article I of the United States Constitution begins “All legislative powers herein granted shall be vested in a Congress”; and

WHEREAS, the Congress has exceeded the legislative powers granted in the Constitution thereby encroaching on the powers that are “reserved to the states respectively, or to the people” as the Tenth Amendment affirms and the rights “retained by the people” to which the Ninth Amendment refers; and

WHEREAS, this encroachment includes the accumulation of federal debt, which combined with interest represents a future tax, and is of such great proportion that responsibility for its payment will be passed to future, unborn generations of Americans to assume without their consent, thereby disparaging their rights; and

WHEREAS, this encroachment also includes compelling state and local governments to comply with federal laws and regulations without accompanying funding for such mandates; and

WHEREAS, the Constitution should be amended in order to halt federal encroachment and restore a proper balance between the powers of Congress and those of the several states, and to prevent the denial or disparagement of the rights retained by the people:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge Congress to adopt an amendment to the United States Constitution that permits the repeal of any federal law or regulation by vote of two-thirds of the state legislatures, and the language of such amendment shall be as follows: “Any provision of law or regulation of the United States may be repealed by the several states, and such repeal shall be effective when the legislatures of two-thirds of the several states approve resolutions for this purpose that particularly describe the same provision or provisions of law or regulation to be repealed”; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, and each member of the Missouri Congressional delegation.

SENATE BILLS FOR PERFECTION

At the request of Senator Goodman, **SB 7**, **SB 5**, **SB 74** and **SB 169**, with **SCS**, were placed on the Informal Calendar.

Senator Stouffer moved that **SJR 2** be taken up for perfection, which motion prevailed.

Senator Callahan offered **SA 1**:

SENATE AMENDMENT NO. 1

Amend Senate Joint Resolution No. 2, Page 1, In the Title, Lines 3-4, of the title, by striking “voter photo identification” and inserting in lieu thereof the following: “elections”; and

Further amend said resolution, Page 1, Section 8, Lines 1 to 7, by striking all of said lines and inserting in lieu thereof the following:

“Section 8. Qualified electors of the state may be enabled by general law to vote in person in advance of election day at all elections by the people according to the following terms:

1. Advance voting may be conducted at such locations as are determined by general law to be necessary or desirable to balance reasonable access to advance voting, accountability, integrity, and security of the election, efficiency in the administration of the election, and appropriate and responsible uses of public funds and other resources. The number of advance voting sites may vary depending on expected voter turnout for an election. A general law that requires election authorities to establish a certain number of advance voting sites based solely on the number of registered voters in an election jurisdiction conflicts with this subsection and is not valid.

2. Votes cast in advance of election day shall not be tabulated before the election day.

3. If a voter identification requirement is provided by general law for in-person voting on election day, persons who desire to vote in advance of election day shall also comply with that identification requirement.

4. The name and other identifying information of persons who vote in advance of the election shall be treated confidentially by election officials and lists of persons who have voted in advance shall not be disclosed to members of the public by election officials during the advance voting period, except as necessary for the administration of the election, for law enforcement, or to comply with a court order requiring disclosure for good cause shown. Election officials may disclose lists with the names or other identifying information for persons who have voted in advance of the election to the public after the advance voting period has closed. This section does not prohibit election officials, election judges, challengers, watchers, or any other member of the public from observing or participating in the election process. This section does not alter or effect any change in any provision of law relating to nondisclosure of how any voter voted and the exceptions thereto.

5. This section shall not apply to absentee voting laws.

6. Any law that conflicts with this section shall not be valid or enforceable.

7. This section is not self-executing. Implementing general laws shall be required before any person may vote in advance of an election. In order to allow election authorities sufficient time to prepare for advance voting if authorized by general law, advance voting shall not be effective for any election held on or before January 1, 2012.

Section 9. A person seeking to vote in person in public elections may be required by general law to identify himself or herself and verify his or her qualifications as a citizen of the United States of America and a resident of the state of Missouri by providing election officials with a form of identification, which may include valid government-issued photo identification. Exceptions to the identification requirement may also be provided for by general law.

Section 10. Different requirements for absentee voting when the voter does not appear before the election authority may be established by general law as may be necessary or desirable in order to accommodate the different purposes and administration requirements of this method of voting.

Section 11. All costs associated with the implementation of advanced voting and the photo

identification requirements relating to voting under sections 8 to 10 of this article shall be paid through an appropriation by the state for those purposes. If there is not a sufficient appropriation of state funds in a fiscal year for either the advanced voting requirements or the photo identification requirements, or both, then both such advanced voting and photo identification requirements shall be in conflict with this section and shall not apply to any election during such fiscal year.

Section 12. If any portion, clause, or phrase of sections 8, 9, 10, and 11 of this article is, for any reason, held to be invalid or unconstitutional by a court of competent jurisdiction, the remaining portions, clauses, and phrases shall be invalid and of no further force or effect.”; and

Further amend said bill and page, section B, lines 1-5, by striking all of said lines, and inserting in lieu thereof the following:

““Shall the Missouri Constitution be amended to establish advance voting procedures and allow the General Assembly to provide by general law for advance voting prior to election day, voter photo identification requirements, and voter requirements based on whether one appears to vote in person by absentee ballot?”.”; and

Further amend the title and preamble accordingly.

Senator Callahan moved that the above amendment be adopted.

Senator Stouffer raised the point of order that **SA 1** is out of order as it goes beyond the scope of the underlying legislation.

The point of order was referred to the President Pro Tem who ruled it well taken.

Senator Callahan offered **SA 2**, which was read:

SENATE AMENDMENT NO. 2

Amend Senate Joint Resolution No. 2, Page 1, Section 8, Line 6 by inserting immediately after “identification” as it appears the first time in said line, the following “, **except that the general assembly may not require a person to produce any identification that conforms with United States Public Law 109-13, also known as the REAL ID Act.**”.

Senator Callahan moved that the above amendment be adopted.

Senator Schmitt assumed the Chair.

At the request of Senator Callahan, **SA 2** was withdrawn.

Senator Green offered **SA 3**, which was read:

SENATE AMENDMENT NO. 3

Amend Senate Joint Resolution No. 2, Page 1, Section 8, Line 6, by inserting immediately after the first use of “identification” the following: “**or fingerprint**”.

Senator Green moved that the above amendment be adopted.

At the request of Senator Stouffer, **SJR 2**, with **SA 3** (pending), was placed on the Informal Calendar.
