Journal of the Senate

FIRST REGULAR SESSION

FIFTY-SEVENTH DAY—TUESDAY, APRIL 26, 2011

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"Be glad and rejoice forever in what I am creating." (Isaiah 65:18)

Merciful God, we give thanks for the gift of new life and are always mindful of the cost to provide it for us. We are mindful and thankful for the second weekend we have escaped death from the dangerous and damaging storms that have moved through our country; yet ever mindful of those who have suffered from extreme damage and now face flooding and the problems that will bring. We pray for Your help and comfort to those in need and hope for those who see none. And we ask to see how we may be of assistance. And help us O Lord to act on what is important in the midst of the work we have to do these closing weeks of session. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

After expiration of the judicial review period under chapter 536, unless stayed by a court of competent jurisdiction, the administrative tribunal's decisions, findings, rules, and orders may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. Upon being recorded in the manner required by state law or the uniform commercial code, a lien may be imposed on the real or personal property of any defendant entering a plea of nolo contendere, pleading guilty to, or found guilty of a municipal code violation in the amount of any debt due the city under this section and enforced in the same

If the population of the jurisdiction of the governing authority does not meet the minimum population requirements set forth in this subdivision, the population of the area must be at least fifty percent of the population of the jurisdiction. However, no enhanced enterprise zone shall be created which consists of the total area within the political boundaries of a county; and

An application for designation as an enhanced enterprise zone pursuant to this subsection shall be made before the expiration of one year from the date the governor requested federal relief for the area sought to be designated.

3. Notwithstanding the requirements of subsection 1 of this section to the contrary, an enhanced enterprise zone may be designated in a county of declining population if it meets the requirements of subdivisions (1), (3) and either (2) or (4) of subsection 1 of this section. For the purposes of this subsection, a "county of declining population" is one that has lost one percent or more of its population as demonstrated by comparing the most recent decennial census population to the next most recent decennial census population for the county.

2. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions, or stipulations otherwise required. A copy of the resolution shall be provided to the director within thirty calendar days following adoption of the resolution by the governing authority.

3. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The governing authority shall send, by certified mail, a notice of such hearing to each political subdivision in the area to be affected and shall publish notice of such hearing in a newspaper of general circulation in the area to be affected by the exemption at least twenty days prior to the hearing but not more than thirty days prior to the hearing. Such notice shall state the time, location, date, and purpose of the hearing.

4. Notwithstanding subsection 1 of this section, at least one-half of the ad valorem taxes otherwise imposed on subsequent improvements to real property located in an enhanced enterprise zone of enhanced business enterprises or speculative industrial or warehouse buildings as indicated in subsection 1 of this section shall become and remain exempt from assessment and payment of ad valorem taxes of any political subdivision of this state or municipality thereof for a period of not less than ten years following the date such improvements were assessed, provided the improved properties are used for enhanced business enterprises. The exemption for speculative buildings is subject to the approval of the governing authority for a period not to exceed two years if the building is owned by a private entity and five years if the building is owned or ground leased by a public entity. This shall not preclude the building receiving an exemption for the remaining time period established by the governing authority if it was occupied by an enhanced business enterprise. The two- and five-year time periods indicated for speculative buildings shall not be an addition to the local abatement time period for such facility.

5. No exemption shall be granted for a period more than twenty-five years following the date on which the original enhanced enterprise zone was designated by the department.

6. The provisions of subsection 1 of this section shall not apply to improvements made to real property

begun prior to August 28, 2004.

7. The abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855, 99.957, or 99.1042 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of subsection 1 of section 99.845, subdivision (2) of subsection 3 of section 99.957, or subdivision (2) of subsection 3 of section 99.1042 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of subsection 1 of section 99.820, section 99.942, or section 99.1027.

137.010. The following words, terms and phrases when used in laws governing taxation and revenue in the state of Missouri shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning:

(1) "Grain and other agricultural crops in an unmanufactured condition" shall mean grains and feeds including, but not limited to, soybeans, cow peas, wheat, corn, oats, barley, kafir, rye, flax, grain sorghums, cotton, and such other products as are usually stored in grain and other elevators and on farms; but excluding such grains and other agricultural crops after being processed into products of such processing, when packaged or sacked. The term "processing" shall not include hulling, cleaning, drying, grating, or polishing;

(2) **"Hydroelectric power generating equipment", very-low-head turbine generators with a nameplate generating capacity of at least four hundred kilowatts but not more than six hundred kilowatts and machinery and equipment used directly in the production, generation, conversion, storage, or conveyance of hydroelectric power to land-based devices and appurtenances used in the transmission of electrical energy;**

(3) "Intangible personal property", for the purpose of taxation, shall include all property other than real property and tangible personal property, as defined by this section;

(3) "Real property" includes land itself, whether laid out in town lots or otherwise, and all growing crops, buildings, structures, improvements and fixtures of whatever kind thereon, **hydroelectric power generating equipment,** the installed poles used in the transmission or reception of electrical energy, audio signals, video signals or similar purposes, provided the owner of such installed poles is also an owner of a fee simple interest, possessor of an easement, holder of a license or franchise, or is the beneficiary of a right-of-way dedicated for public utility purposes for the underlying land; attached wires, transformers, amplifiers, substations, and other such devices and appurtenances used in the transmission or reception of electrical energy, audio signals, video signals or similar purposes when owned by the owner of the installed poles, otherwise such items are considered personal property; and stationary property used for transportation of liquid and gaseous products, including, but not limited to, petroleum products, natural gas, water, and sewage;

(4) "Tangible personal property" includes every tangible thing being the subject of ownership or part ownership whether animate or inanimate, other than money, and not forming part or parcel of real property as herein defined, but does not include household goods, furniture, wearing apparel and articles of personal use and adornment, as defined by the state tax commission, owned and used by a person in his home or dwelling place."; and

Further amend the title and enacting clause accordingly.

Senator Munzlinger moved that the above amendment be adopted.

"304.120. 1. Municipalities, by ordinance, may establish reasonable speed regulations for motor vehicles within the limits of such municipalities. No person who is not a resident of such municipality and who has not been within the limits thereof for a continuous period of more than forty-eight hours, shall be convicted of a violation of such ordinances, unless it is shown by competent evidence that there was posted at the place where the boundary of such municipality joins or crosses any highway a sign displaying in black letters not less than four inches high and one inch wide on a white background the speed fixed by such municipality so that such sign may be clearly seen by operators and drivers from their vehicles upon entering such municipality.

2. Municipalities, by ordinance, may:

(1) Make additional rules of the road or traffic regulations to meet their needs and traffic conditions;

(2) Establish one-way streets and provide for the regulation of vehicles thereon;

(3) Require vehicles to stop before crossing certain designated streets and boulevards;

(4) Limit the use of certain designated streets and boulevards to passenger vehicles**, except that each municipality shall allow at least one street, with lawful traffic movement and access from both directions, to be available for use by commercial motor vehicles to access any roads in the state highway system. Under no circumstance shall the provisions of this subdivision be construed to authorize municipalities to limit the use of all streets in the municipality**;

(5) Prohibit the use of certain designated streets to vehicles with metal tires, or solid rubber tires;

(6) Regulate the parking of vehicles on streets by the installation of parking meters for limiting the time of parking and exacting a fee therefor or by the adoption of any other regulatory method that is reasonable and practical, and prohibit or control left-hand turns of vehicles;

(7) Require the use of signaling devices on all motor vehicles; and

(8) Prohibit sound producing warning devices, except horns directed forward.

3. No ordinance shall be valid which contains provisions contrary to or in conflict with this chapter, except as herein provided.

Any registered owner-lessor who fails or refuses to provide such information within the period required by this subsection shall be liable for the imposition

of any fine established by municipal ordinance for the violation. Provided, however, if a leased motor vehicle is illegally parked due to a defect in such vehicle, which renders it inoperable, not caused by the fault or neglect of the lessee, then the lessor shall be liable on any violation for illegal parking of such vehicle.

5. No ordinance shall deny the use of commercial motor vehicles on all streets within the municipality."; and

Further amend said bill, page 3, section 488.070, line11, by inserting after all of said line the following:

"**537.292. 1. Notwithstanding any other provision of law to the contrary, the use of motor vehicles on a public street or highway in a manner which is legal under state and local law shall not constitute a public or private nuisance, and shall not be the basis of a civil action for public or private nuisance.**

2. No individual or business entity shall be subject to any civil action in law or equity for a public or private nuisance on the basis of such individual or business entity legally using motor vehicles on a public street or highway. Any actions by a court in this state to enjoin the use of a public street or highway in violation of this section and any damages awarded or imposed by a court, or assessed by a jury, against an individual or business entity for public or private nuisance in violation of this section shall be null and void.

3. Notwithstanding any other provision of law to the contrary, nothing in this section shall be construed to limit civil liability for compensatory damages arising from physical injury to another human being."; and

Further amend the title and enacting clause accordingly.

Senator Lager moved that the above amendment be adopted.

Senator Callahan raised the point of order that **SA 5** is out of order as it goes beyond he scope of the subject matter of the underlying bill.

Senator McKenna offered **SA 6**:

SENATE AMENDMENT NO. 6

Amend Senate Committee Substitute for House Bill No. 142, Page 2, Section 55.030, Line 31, by inserting after all of said line the following:

"**67.314. 1. The provisions of this section shall apply to contracts for construction awarded by political subdivisions of the state of Missouri and shall be known as the "Political Subdivision Construction Bidding Standards Act".**

2. Any political subdivision of the state authorizing the construction of facilities which may exceed an expenditure of twenty-five thousand dollars shall publicly advertise:

(1) Through publication in a central repository developed by the office of administration, or a private firm under contract with the office of administration, at no cost to the state;

(2) On the political subdivision's website, so long as it has a link to the office of administration's central repository;

(3) In a newspaper of general circulation located within the same county as the political

subdivision is located, or in an adjoining county if there is no newspaper in the same county, for once a week for two consecutive weeks; or

(4) Through publication, at no cost to the political subdivision, in a central repository developed by an organization representing political subdivisions. The organization may charge appropriate fees for access to bid solicitations.

3. The political subdivision may, in addition to advertising in the manner described in subsection 2 of this section, also advertise in business, trade, or minority newspapers.

4. For purposes of this section, the term "construction of facilities" shall mean the construction, alteration, or repair of any structure, including but not limited to buildings, highways, bridges, streets, viaducts, water or sewer lines or systems, or pipelines. The term shall include any demolition, moving, or excavation connected therewith, and the furnishing of surveying, construction engineering, planning or management services, or labor, material, or equipment, as required to perform work under the contract for construction.

5. Nothing in this section shall be construed to require the design or engineering of any project, as the term "project" is defined in section 8.287, to be awarded by competitive bidding if the contract for such services is under a separate contract from the contract for construction and is awarded under sections 8.285 to 8.291, or to construction management services governed by sections 8.675 to 8.687. Neither shall this section be construed to apply to contracts awarded for the "design/build" method of project delivery, if the political subdivision's procurement of "design/build" projects is otherwise authorized by law, local charter, ordinance, order, or resolution. The advertising requirements contained in this section shall not apply when a political subdivision has publicly stated, in writing, that because of the unique nature or limited availability of material, equipment, or skills for a construction project of the type described in subsection 2 of this section, the political subdivision is using a sole source method to award a construction contract. Nothing in this subsection shall be construed to relieve the political subdivision from the requirement to seek and obtain a bid from the company or firm to whom the contract will be awarded.

6. The provisions of this section shall not apply to any political subdivision required to advertise, solicit, award, and reject bids in compliance with:

(1) Other Missouri statutes, state rules, and federal and state funding requirements applicable to the specific political subdivision which are in effect on August 28, 2011, or as such requirements may be enacted or amended; or

(2) Any provision of a local charter, ordinance, order, resolution, or policy applicable to the specific political subdivision which is in effect or which is subsequently adopted by the political subdivision after August 28, 2011, as long as such state or local provisions require the political subdivision to meet equivalent or stricter competitive bidding requirements for construction as are contained in this section.

7. No bids shall be entertained by a political subdivision which are not made in accordance with the specifications furnished by the political subdivision and all contracts shall be awarded to the lowest and best bidder complying with the terms of the letting, provided that the political subdivision shall have the right to reject any and all bids.

8. All bidding shall conform to the following procedures:

(1) No bid shall be opened: in advance of the advertised deadline for submission of bids; or in a place other than that specified in the original solicitation of bids or in an amendment to the solicitation communicated in advance to all known bidders;

(2) No bid shall be accepted unless it is sealed and is in writing. If the letting of the project for which bids were solicited is cancelled, bids shall be returned to the bidders unopened;

(3) No bid shall be accepted after the advertised deadline for acceptance of bids;

(4) All bids received shall be held secure and confidential from all persons until the bids are opened pursuant to subdivision (1) of this subsection. Bids shall only be opened in public;

(5) Nothing in this section shall be construed to prohibit acceptance and processing of bids through an established program of electronic bidding by computer, provided bids accepted and processed electronically shall meet standards of confidentiality comparable to requirements for written bids established by this section.

9. Failure of the political subdivision to follow any of the procedures described in this section shall result in the contract being voided and the political subdivision shall rebid the contract in accordance with the provisions of this section.

10. Any person who would have submitted a bid except for failure of the political subdivision to advertise the contract pursuant to this section shall have standing to seek equitable relief in a court of competent jurisdiction within fifteen business days of the date the political subdivision opened the bids for the contract, but the only remedy that may be imposed by the court is ordering the contract to be rebid.

11. Nothing in this section shall be construed to require acceptance of a bid which exceeds the amount estimated by the political subdivision for the contract, nor shall anything in this section prohibit a political subdivision from awarding contracts without competitive bidding when the political subdivision deems it necessary to remove an immediate danger to the public health or safety, to prevent loss to public or private property which requires government action, or to prevent an interruption of or to restore an essential public service, however, the political subdivision shall produce a written public record documenting the need to contract for such services without competitive bidding."; and

Further amend the title and enacting clause accordingly.

Senator McKenna moved that the above amendment be adopted, which motion prevailed.

Senator Rupp moved that the above amendment be adopted, which motion prevailed.

Senator Schaefer offered **SA 8**:

SENATE AMENDMENT NO. 8

Amend Senate Committee Substitute for House Bill No. 142, Page 2, Section 55.030, Line 31, by inserting after all of said line the following:

"67.1521. 1. A district may levy by resolution one or more special assessments against real property within its boundaries, upon receipt of and in accordance with a petition signed by:

(1) Owners of real property collectively owning more than fifty percent by assessed value of real property within the boundaries of the district; and

(2) More than fifty percent per capita of the owners of all real property within the boundaries of the district.

2. The special assessment petition shall be in substantially the following form:

The .... (insert name of district) Community Improvement District ("District") shall be authorized to levy special assessments against real property benefited within the District for the purpose of providing revenue for .... (insert general description of specific service and/or projects) in the district, such special assessments to be levied against each tract, lot or parcel of real property listed below within the district which receives special benefit as a result of such service and/or projects, the cost of which shall be allocated among this property by .... (insert method of allocation, e.g., per square foot of property, per square foot on each square foot of improvement, or by abutting foot of property abutting streets, roads, highways, parks or other improvements, or any other reasonable method) in an amount not to exceed .... dollars per (insert unit of measure). Such authorization to levy the special assessment shall expire on .... (insert date). The tracts of land located in the district which will receive special benefit from this service and/or projects are: .... (list of properties by common addresses and legal descriptions).

3. The method for allocating such special assessments set forth in the petition may be any reasonable method which results in imposing assessments upon real property benefited in relation to the benefit conferred upon each respective tract, lot or parcel of real property and the cost to provide such benefit.

4. By resolution of the board, the district may levy a special assessment rate lower than the rate ceiling set forth in the petition authorizing the special assessment and may increase such lowered special assessment rate to a level not exceeding the special assessment rate ceiling set forth in the petition without further approval of the real property owners; provided that a district imposing a special assessment pursuant to this section may not repeal or amend such special assessment or lower the rate of such special assessment if such repeal, amendment or lower rate will impair the district's ability to pay any liabilities that it has incurred, money that it has borrowed or obligations that it has issued.

5. Each special assessment which is due and owing shall constitute a perpetual lien against each tract, lot or parcel of property from which it is derived. Such lien may be foreclosed in the same manner as any other special assessment lien as provided in section 88.861 **or, at the option of the county collector, and upon certification by the district for collection, each special assessment may be added to the annual real estate tax bill for the property and collected by the county collector in the same manner and**

procedure for collecting real estate taxes. Each special assessment remaining unpaid on the first day of January annually is delinquent and enforcement of collection of the delinquent bill by the county collector shall be governed by the laws concerning delinquent and back taxes. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale under chapter 140 or, if applicable to that county, chapter 141.

6. A separate fund or account shall be created by the district for each special assessment levied and each fund or account shall be identifiable by a suitable title. The proceeds of such assessments shall be credited to such fund or account. Such fund or account shall be used solely to pay the costs incurred in undertaking the specified service or project.

7. Upon completion of the specified service or project or both, the balance remaining in the fund or account established for such specified service or project or both shall be returned or credited against the amount of the original assessment of each parcel of property pro rata based on the method of assessment of such special assessment.

8. Any funds in a fund or account created pursuant to this section which are not needed for current expenditures may be invested by the board in accordance with applicable laws relating to the investment of funds of the city in which the district is located.

9. The authority of the district to levy special assessments shall be independent of the limitations and authorities of the municipality in which it is located; specifically, the provisions of section 88.812 shall not apply to any district.”; and

Further amend the title and enacting clause accordingly.

Senator Schaefer moved that the above amendment be adopted, which motion prevailed.
