### Section 11.035      Office of Director – Recovery Audit and Compliance Contract (RAC)

Book 1, page 59

This section was created in Governor’s Recommendation for FY 2012 to provide appropriation authority to pay for the Medicaid Recovery Audit Contractors (RAC). The federal government requires states to contract with a Recovery Audit Contractor to identify and recoup Medicaid provider payments. The Recovery Audit Contractors will function similarly to the way they do in the Medicare program. State Medicaid programs may contract with one or more RACs to identify underpayments and overpayments (and recoup overpayments). Payments to Medicaid RACs are contingent based and linked to the payment inaccuracies the contractors are able to identify. The contractor will review MO HealthNet system data and provider records in order to identify improper Medicaid payments, will perform recovery/repayment activities in regard to the improper payments identified, and will perform services to prevent future improper payments. Monies collected will be deposited into the Recovery Audit and Compliance Fund (0974). The contractor will be paid a contingency percentage payment for overpayment recoveries. Any amount due the contractor will be limited to recoveries resulting from projects approved and authorized by MO HealthNet and paid from the Recovery Audit & Compliance Fund.
