The Missouri State Board of Accountancy is requesting 1 FTE for an Auditor II position that will perform investigatory functions. The board is requesting this position to manage the increased workload demands of the office. In order to provide a service to its licensees and to improve CPE compliance, the board would like to provide 2 hour jurisprudence ethics courses in St. Louis, Kansas City, Columbia, Cape Girardeau, and Springfield each year at no cost to licensees. This would be a new strategy aimed at achieving a better CPE compliance rate overall. The board needs additional legal funds due to the increased number, type, and complexity of its investigative complaints against certified public accountant (CPA) licensees, CPA certificate holders, and CPA firms.

This request is made to implement HB 265 which was truly agreed and finally passed during the 2011 regular session of the General Assembly. HB265 expanded the grounds for which the Board may seek discipline (Section 334.100 RSMo.), amended the criteria that must be met to obtain an emergency suspension of a physician's license (Section 334.102), and expanded the types of hearings that can be litigated before the Board (Section 334.102.8). To implement this new authority, the Board will need an additional attorney and office support assistant to assist the Board and its staff in the investigatory process and to represent the Board in litigation.
