SECOND REGULAR SESSION

SENATE BILL NO. 505

96TH GENERAL ASSEMBLY

INTRODUCED BY SENATOR WRIGHT-JONES.

Pre-filed December 1, 2011, and ordered printed.

4405S.01I

TERRY L. SPIELER, Secretary.

To amend chapter 376, RSMo, by adding thereto two new sections relating to the promotion of the efficient use of health care revenues by requiring health carriers to expend a certain percentage of their total annual revenues on health services, with penalty provisions.

AN ACT

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 376, RSMo, is amended by adding thereto two new 2 sections, to be known as sections 376.1407 and 376.1409, to read as follows:

376.1407. For purposes of sections 376.1407 and 376.1409, the 2 following terms shall have the following meanings:

3 (1) "Care share", the percentage obtained by dividing total health
4 expenditures by total revenue for a calendar year;

5 (2) "Missouri-associated health expenditures", that proportion of 6 total health expenditures paid for the delivery of health care services 7 rendered to enrollees pursuant to a health benefit plan sold in the state 8 of Missouri by the health carrier;

9 (3) "Missouri-associated revenue", Missouri premiums plus a 10 proportion of total revenues less total premiums, where said proportion 11 equals Missouri premiums divided by total premiums;

12 (4) "Missouri care share", the percentage obtained by dividing
13 Missouri-associated health expenditures by Missouri-associated revenue
14 for a calendar year;

15 (5) "Missouri premiums", all revenue derived from the sale in
16 Missouri of health benefit plans for health care services;

17 (6) "Total health expenditures", all expenditures by or on behalf 18 of a health carrier for the purchase of health care services or to 19 reimburse an insured or enrollee for the purchase of health care 20 services, including health care providers and other professional health

services, hospital and other health facility services, pharmacy services,
health education, and capital expenditures for the construction or
rehabilitation of medical facilities for the delivery of health care;

(7) "Total premiums", all revenue derived from the sale within
or outside the state of Missouri of health benefit plans for coverage for
health care services;

(8) "Total revenues", all income and revenues, however derived,
including, but not limited to, revenues derived from premium sales,
interest, dividends, and other investments, but excluding only income
in the form of compensation for administrative services pursuant to a
contract or other arrangement for rendering administrative services
only to self-funded health plans that are not owned or controlled by the
health carrier.

376.1409. 1. Each health carrier, as that term is defined in 2 section 376.1350, authorized to issue or deliver within the state of 3 Missouri any health benefit plan described in section 376.1350 shall 4 expend the following percentage of its Missouri-associated revenue as 5 its Missouri care share, as defined herein, for the purpose of providing 6 health care services to persons insured under such plans:

7 (1) The Missouri care share for a health carrier with fifty 8 thousand or more persons insured for health coverage sold in the state 9 of Missouri and that has been doing business in the state for more than 10 one year shall be no less than ninety percent of its Missouri-associated 11 revenue, and non-health expenditures shall not exceed ten percent of 12 its Missouri-associated revenue, for each calendar year.

13 (2) The Missouri care share for a health carrier with at least 14 twenty-five thousand but not more than fifty thousand persons insured 15 for health coverage sold in the state of Missouri and that has been 16 doing business in the state of Missouri for more than one year shall be 17 no less than eighty-five percent of its Missouri-associated revenue, and 18 non-health expenditures shall not exceed fifteen percent of its 19 Missouri-associated revenue, for each calendar year.

20 2. Each health carrier operating in the state of Missouri shall 21 report annually to the director of the department of insurance, 22 financial institutions and professional registration its total revenues, 23 Missouri-associated revenue, total premiums, Missouri premiums, total

 $\mathbf{2}$

health expenditures, Missouri-associated health expenditures, total 2425non-health expenditures, care share, and Missouri care share. Such 26information shall be reported on forms provided by the director, which shall include all information required by the National Association of 27Insurance Commissioners' "Health Maintenance Organization Financial 28Report of Affairs and Conditions Form", and such other information as 29the director shall deem relevant for determining compliance with the 30 requirements of this section. The director shall issue regulations 3132specifying the methods for calculating the information to be reported in accordance with this section. The director shall publish annually the 33 care share and the Missouri care share of each health carrier doing 34business in the state of Missouri. All written materials used for 35advertising and marketing health benefit plans to prospective insured 36 persons, enrollees, or groups shall include a statement of the health 3738carrier's care share and its Missouri care share.

39 3. (1) Any health carrier that fails to comply with the provisions of this section shall refund to the persons insured by it a percentage of 40 41its Missouri-associated revenues equal to the Missouri care share required by subsection 1 of this section for the calendar year less the 4243Missouri care share actually expended for the calendar year. The 44refund payable for any calendar year shall be paid on or before April thirtieth of the next calendar year. A health carrier that reports a 4546 shortfall in its Missouri care share may, upon written notice to the director, pay the refund owed by reducing the total premiums payable 47by its insureds or enrollees for the calendar year in which the shortfall 48is reported by an amount equal to the total shortfall. 49

(2) Each calendar year, the director or his or her designee shall audit the books and records of a random sample of ten percent of health carriers that have more than twenty-five thousand persons insured under health benefit plans. The director may appoint an independent auditor to conduct the audit, subject to the control and supervision of the director, and shall assess each health carrier a fee to pay the reasonable costs of such audit.

57 (3) The director shall prepare an annual budget of the costs of 58 monitoring and determining compliance with the provisions of this 59 section and such costs shall be paid by each health carrier that has 60 done business in the state of Missouri for at least five years, on a 61 prorata basis.

4. A violation of any of the provisions of this section by any
health carrier shall constitute a level four violation under section
374.079.
