140 **require a DNA sample to be taken and retained. If the individual has**
141 **no other qualifying offenses or arrests, the crime laboratory shall**
142 **expunge all DNA records in the database taken at the arrest for which**
143 **the prosecution was declined pertaining to the person and destroy the**
144 **DNA sample of such person.**

148 state highway patrol crime laboratory that such charges have been withdrawn;

157 been withdrawn, the case has been dismissed, there is a finding that the
158 necessary probable cause does not exist, or the defendant is found not guilty],
159 such crime laboratory [shall expunge the DNA sample and DNA profile of the
160 arrestee within thirty days. Prior to such expungement, the state highway patrol
161 crime laboratory] shall determine, **within thirty days**, whether the individual

162 has any other qualifying offenses or arrests that would require a DNA sample to
163 be taken [and retained prior to expungement under this subsection]. **If the**
164 **individual has no other qualifying arrests or offenses, the crime**
165 **laboratory shall expunge all DNA records in the database pertaining to**
