---

Reverend Carl Gauck offered the following prayer:

“If ye keep watch over your hearts, and listen for the Voice of God and learn of Him, in one short hour ye can learn more from Him than ye could learn from Man in a thousand years.” (Johannes Tauler)

Help us, O Lord, to set an hour in quiet with You and to learn of You and learn more about ourselves for You have called us to be faithful servants. Bless our activities for much is expected of us and there is much to be done. Make us mindful that our work here is a collective effort and we need to listen to one another and seek always to do what is best for all. In Your Holy Name we pray. Amen.

#### SENATE AMENDMENT NO. 2

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1563, Page 33, Section 338.333, Line 2, by inserting immediately after all of said line the following:

“354.535. 1. If a pharmacy, operated by or contracted with by a health maintenance organization, is closed or is unable to provide health care services to an enrollee in an emergency, a pharmacist may take an assignment of such enrollee’s right to reimbursement, if the policy or contract provides for such reimbursement, for those goods or services provided to an enrollee of a health maintenance organization. No health maintenance organization shall refuse to pay the pharmacist any payment due the enrollee under the terms of the policy or contract.

2. No health maintenance organization, conducting business in the state of Missouri, shall contract with a pharmacy, pharmacy distributor or wholesale drug distributor, nonresident or otherwise, unless such pharmacy or distributor has been granted a permit or license from the Missouri board of pharmacy to operate in this state.

3. Every health maintenance organization shall apply the same coinsurance, co-payment and deductible factors to all drug prescriptions filled by a pharmacy provider who participates in the health maintenance organization’s network if the provider meets the contract’s explicit product cost determination. If any such contract is rejected by any pharmacy provider, the health maintenance organization may offer other contracts necessary to comply with any network adequacy provisions of this act. However, nothing in this section shall be construed to prohibit the health maintenance organization from applying different coinsurance, co-payment and deductible factors between generic and brand name drugs.

**4. If the co-payment applied by a health maintenance organization exceeds the usual and customary retail price of the prescription drug, enrollees shall only be required to pay the usual and customary retail price of the prescription drug, and no further charge to the enrollee or plan sponsor**

**shall be incurred on such prescription.**

5. Health maintenance organizations shall not set a limit on the quantity of drugs which an enrollee may obtain at any one time with a prescription, unless such limit is applied uniformly to all pharmacy providers in the health maintenance organization's network.

[5.] 6. Health maintenance organizations shall not insist or mandate any physician or other licensed health care practitioner to change an enrollee's maintenance drug unless the provider and enrollee agree to such change. For the purposes of this provision, a maintenance drug shall mean a drug prescribed by a practitioner who is licensed to prescribe drugs, used to treat a medical condition for a period greater than thirty days. Violations of this provision shall be subject to the penalties provided in section 354.444.

Notwithstanding other provisions of law to the contrary, health maintenance organizations that change an enrollee's maintenance drug without the consent of the provider and enrollee shall be liable for any damages resulting from such change. Nothing in this subsection, however, shall apply to the dispensing of generically equivalent products for prescribed brand name maintenance drugs as set forth in section 338.056.

**376.387. If the co-payment for prescription drugs applied by a health insurer or health carrier, as defined in section 376.1350, exceeds the usual and customary retail price of the prescription drug, enrollees shall only be required to pay the usual and customary retail price of the prescription drug, and no further charge to the enrollee or plan sponsor shall be incurred on such prescription.”;** and
