23 negligence shall be retired by the board of [trustees of the
24 police retirement system] police commissioners or any successor
25 body upon certification by the medical [director] board of the
26 police retirement system and approval by the board of trustees of
27 the police retirement system that the member is mentally or

7 beneficiary who has not yet attained sixty years of age to
8 undergo a medical examination at a place designated by the
9 medical [director] board or such physicians as the medical
10 [director] board appoints. If any nonduty disability beneficiary
11 who has not attained sixty years of age refuses to submit to a

19 trustees concurs on the report, then such beneficiary's nonduty
20 disability pension shall cease.

21 4. If upon cessation of a disability pension under
22 subsection 3 of this section, the former disability beneficiary
23 is restored to active service, he or she shall again become a

8 police commissioners or any successor body upon certification by
9 [the medical director of the police retirement system and
10 approval by the board of trustees of the police retirement

13 unrestricted duties of a police officer [and] , that the
14 inability is permanent or [reasonably] likely to become
15 permanent, and that the member should be retired. The inability
16 to perform the "full and unrestricted duties of a police officer"
17 means the member is unable to perform all the essential job
18 functions for the position of police officer as established by
19 the board of police commissioners or any successor body.

20 2. No member shall be approved for retirement under the
21 provisions of subsection 1 of this section unless the application
22 was made and submitted to the board of [trustees of the police
23 retirement system] police commissioners or any successor body no
24 later than five years following the date of accident, provided,
25 that if the accident was reported within five years of the date
26 of the accident and an examination made of the member within
27 thirty days of the date of accident by a health care provider
28 whose services were provided through the board of police

1 commissioners with subsequent examinations made as requested,
2 then an application made more than five years following the date
3 of the accident shall be considered timely.

4 3. Once each year during the first five years following a
5 member's retirement, and at least once in every three-year period
6 thereafter, the board of trustees may require any disability
7 beneficiary who has not yet attained sixty years of age to
8 undergo a medical examination or medical examinations at a place
9 designated by the medical [director] board or such physicians as
10 the medical [director] board appoints. If any disability
11 beneficiary who has not attained sixty years of age refuses to
12 submit to a medical examination, his or her disability pension
13 may be discontinued by the board of trustees of the police
14 retirement system until his or her withdrawal of such refusal,
15 and if his or her refusal continues for one year, all rights in
16 and to such pension may be revoked by the board of trustees.

17 4. If the medical [director] board certifies to the board
18 of trustees that a disability beneficiary is able to perform the
19 duties of a police officer, [and if the board of trustees concurs
20 with the medical director's determination,] then such
21 beneficiary's disability pension shall cease.

22 5. If upon cessation of a disability pension under
23 subsection 4 of this section, the former disability beneficiary
24 is restored to active service, he or she shall again become a
25 member, and he or she shall contribute thereafter at the same
26 rate as other members. Upon his or her subsequent retirement, he
27 or she shall be credited with all of his or her active service
28 time as a member including the service time prior to receiving

1 disability retirement, but not including any time during which
2 the former disability beneficiary received a disability pension
3 under this section.

4 6. If upon cessation of a disability pension under
5 subsection 4 of this section, the former disability beneficiary
6 is not restored to active service, such former disability
7 beneficiary shall be entitled to the retirement benefit to which
8 such former disability beneficiary would have been entitled if
9 such former disability beneficiary had terminated service for any

13 retirement benefits, such former disability beneficiary shall be

18 99.845. 1. A municipality, either at the time a
19 redevelopment project is approved or, in the event a municipality
20 has undertaken acts establishing a redevelopment plan and
21 redevelopment project and has designated a redevelopment area
22 after the passage and approval of sections 99.800 to 99.865 but
23 prior to August 13, 1982, which acts are in conformance with the
24 procedures of sections 99.800 to 99.865, may adopt tax increment
25 allocation financing by passing an ordinance providing that after
26 the total equalized assessed valuation of the taxable real
27 property in a redevelopment project exceeds the certified total
28 initial equalized assessed valuation of the taxable real property

1 in the redevelopment project, the ad valorem taxes, and payments
2 in lieu of taxes, if any, arising from the levies upon taxable
3 real property in such redevelopment project by taxing districts
4 and tax rates determined in the manner provided in subsection 2
5 of section 99.855 each year after the effective date of the
6 ordinance until redevelopment costs have been paid shall be
7 divided as follows:

8 (1) That portion of taxes, penalties and interest levied
9 upon each taxable lot, block, tract, or parcel of real property
10 which is attributable to the initial equalized assessed value of
11 each such taxable lot, block, tract, or parcel of real property
12 in the area selected for the redevelopment project shall be
13 allocated to and, when collected, shall be paid by the county
14 collector to the respective affected taxing districts in the
15 manner required by law in the absence of the adoption of tax
16 increment allocation financing;

17 (2) (a) Payments in lieu of taxes attributable to the
18 increase in the current equalized assessed valuation of each
19 taxable lot, block, tract, or parcel of real property in the area
20 selected for the redevelopment project and any applicable penalty
21 and interest over and above the initial equalized assessed value
22 of each such unit of property in the area selected for the
23 redevelopment project shall be allocated to and, when collected,
24 shall be paid to the municipal treasurer who shall deposit such
25 payment in lieu of taxes into a special fund called the "Special
26 Allocation Fund" of the municipality for the purpose of paying
27 redevelopment costs and obligations incurred in the payment
28 thereof. Payments in lieu of taxes which are due and owing shall

1 constitute a lien against the real estate of the redevelopment
2 project from which they are derived and shall be collected in the
3 same manner as the real property tax, including the assessment of
4 penalties and interest where applicable. The municipality may,
5 in the ordinance, pledge the funds in the special allocation fund
6 for the payment of such costs and obligations and provide for the
7 collection of payments in lieu of taxes, the lien of which may be
8 foreclosed in the same manner as a special assessment lien as
9 provided in section 88.861. No part of the current equalized
10 assessed valuation of each lot, block, tract, or parcel of
11 property in the area selected for the redevelopment project
12 attributable to any increase above the total initial equalized
13 assessed value of such properties shall be used in calculating
14 the general state school aid formula provided for in section
15 163.031 until such time as all redevelopment costs have been paid
16 as provided for in this section and section 99.850;

17 (b) Notwithstanding any provisions of this section to the
18 contrary, for purposes of determining the limitation on
19 indebtedness of local government pursuant to article VI, section
20 26(b) of the Missouri Constitution, the current equalized
21 assessed value of the property in an area selected for
22 redevelopment attributable to the increase above the total
23 initial equalized assessed valuation shall be included in the
24 value of taxable tangible property as shown on the last completed
25 assessment for state or county purposes;

26 (c) The county assessor shall include the current assessed
27 value of all property within the taxing district in the aggregate
28 valuation of assessed property entered upon the assessor's book

1 and verified pursuant to section 137.245, and such value shall be
2 utilized for the purpose of the debt limitation on local
3 government pursuant to article VI, section 26(b) of the Missouri
4 Constitution;

5 (3) For purposes of this section, "levies upon taxable real
6 property in such redevelopment project by taxing districts" shall
7 not include the blind pension fund tax levied under the authority
8 of article III, section 38(b) of the Missouri Constitution, or
9 the merchants' and manufacturers' inventory replacement tax
10 levied under the authority of subsection 2 of section 6 of
11 article X of the Missouri Constitution, except in redevelopment
12 project areas in which tax increment financing has been adopted
13 by ordinance pursuant to a plan approved by vote of the governing
14 body of the municipality taken after August 13, 1982, and before
15 January 1, 1998.

16 2. In addition to the payments in lieu of taxes described
17 in subdivision (2) of subsection 1 of this section, for
18 redevelopment plans and projects adopted or redevelopment
19 projects approved by ordinance after July 12, 1990, and prior to
20 August 31, 1991, fifty percent of the total additional revenue
21 from taxes, penalties and interest imposed by the municipality,
22 or other taxing districts, which are generated by economic
23 activities within the area of the redevelopment project over the
24 amount of such taxes generated by economic activities within the
25 area of the redevelopment project in the calendar year prior to
26 the adoption of the redevelopment project by ordinance, while tax
27 increment financing remains in effect, but excluding taxes
28 imposed on sales or charges for sleeping rooms paid by transient

1 guests of hotels and motels, taxes levied pursuant to section
2 70.500, licenses, fees or special assessments other than payments
3 in lieu of taxes and any penalty and interest thereon, or,
4 effective January 1, 1998, taxes levied pursuant to section
5 94.660, for the purpose of public transportation, shall be
6 allocated to, and paid by the local political subdivision
7 collecting officer to the treasurer or other designated financial
8 officer of the municipality, who shall deposit such funds in a
9 separate segregated account within the special allocation fund.
10 Any provision of an agreement, contract or covenant entered into
11 prior to July 12, 1990, between a municipality and any other
12 political subdivision which provides for an appropriation of
13 other municipal revenues to the special allocation fund shall be
14 and remain enforceable.

15 3. In addition to the payments in lieu of taxes described
16 in subdivision (2) of subsection 1 of this section, for
17 redevelopment plans and projects adopted or redevelopment
18 projects approved by ordinance after August 31, 1991, fifty
19 percent of the total additional revenue from taxes, penalties and
20 interest which are imposed by the municipality or other taxing
21 districts, and which are generated by economic activities within
22 the area of the redevelopment project over the amount of such
23 taxes generated by economic activities within the area of the
24 redevelopment project in the calendar year prior to the adoption
25 of the redevelopment project by ordinance, while tax increment
26 financing remains in effect, but excluding personal property
27 taxes, taxes imposed on sales or charges for sleeping rooms paid
28 by transient guests of hotels and motels, taxes levied pursuant

1 to section 70.500, taxes levied for the purpose of public
2 transportation pursuant to section 94.660, licenses, fees or
3 special assessments other than payments in lieu of taxes and
4 penalties and interest thereon, [or] any sales tax imposed by a
5 county with a charter form of government and with more than six
6 hundred thousand but fewer than seven hundred thousand
7 inhabitants, for the purpose of sports stadium improvement or
8 levied by such county under section 238.410 for the purpose of
9 the county transit authority operating transportation facilities,
10 or for redevelopment plans and projects adopted or redevelopment
11 projects approved by ordinance after August 28, 2013, taxes
12 imposed on sales under section 650.399 for the purpose of
13 emergency communication systems, shall be allocated to, and paid
14 by the local political subdivision collecting officer to the
15 treasurer or other designated financial officer of the
16 municipality, who shall deposit such funds in a separate
17 segregated account within the special allocation fund.

18 4. Beginning January 1, 1998, for redevelopment plans and
19 projects adopted or redevelopment projects approved by ordinance
20 and which have complied with subsections 4 to 12 of this section,
21 in addition to the payments in lieu of taxes and economic
22 activity taxes described in subsections 1, 2 and 3 of this
23 section, up to fifty percent of the new state revenues, as
24 defined in subsection 8 of this section, estimated for the
25 businesses within the project area and identified by the
26 municipality in the application required by subsection 10 of this
27 section, over and above the amount of such taxes reported by
28 businesses within the project area as identified by the

1 municipality in their application prior to the approval of the
2 redevelopment project by ordinance, while tax increment financing
3 remains in effect, may be available for appropriation by the
4 general assembly as provided in subsection 10 of this section to
5 the department of economic development supplemental tax increment
6 financing fund, from the general revenue fund, for distribution
7 to the treasurer or other designated financial officer of the
8 municipality with approved plans or projects.

9 5. The treasurer or other designated financial officer of
10 the municipality with approved plans or projects shall deposit
11 such funds in a separate segregated account within the special
12 allocation fund established pursuant to section 99.805.

13 6. No transfer from the general revenue fund to the
14 Missouri supplemental tax increment financing fund shall be made
15 unless an appropriation is made from the general revenue fund for
16 that purpose. No municipality shall commit any state revenues
17 prior to an appropriation being made for that project. For all
18 redevelopment plans or projects adopted or approved after
19 December 23, 1997, appropriations from the new state revenues
20 shall not be distributed from the Missouri supplemental tax
21 increment financing fund into the special allocation fund unless
22 the municipality's redevelopment plan ensures that one hundred
23 percent of payments in lieu of taxes and fifty percent of
24 economic activity taxes generated by the project shall be used
25 for eligible redevelopment project costs while tax increment
26 financing remains in effect. This account shall be separate from
27 the account into which payments in lieu of taxes are deposited,
28 and separate from the account into which economic activity taxes

1 are deposited.

2 7. In order for the redevelopment plan or project to be
3 eligible to receive the revenue described in subsection 4 of this
4 section, the municipality shall comply with the requirements of
5 subsection 10 of this section prior to the time the project or
6 plan is adopted or approved by ordinance. The director of the
7 department of economic development and the commissioner of the
8 office of administration may waive the requirement that the
9 municipality's application be submitted prior to the
10 redevelopment plan's or project's adoption or the redevelopment
11 plan's or project's approval by ordinance.

12 8. For purposes of this section, "new state revenues"
13 means:

14 (1) The incremental increase in the general revenue portion
15 of state sales tax revenues received pursuant to section 144.020,
16 excluding sales taxes that are constitutionally dedicated, taxes
17 deposited to the school district trust fund in accordance with
18 section 144.701, sales and use taxes on motor vehicles, trailers,
19 boats and outboard motors and future sales taxes earmarked by
20 law. In no event shall the incremental increase include any
21 amounts attributable to retail sales unless the municipality or
22 authority has proven to the Missouri development finance board
23 and the department of economic development and such entities have
24 made a finding that the sales tax increment attributable to
25 retail sales is from new sources which did not exist in the state
26 during the baseline year. The incremental increase in the
27 general revenue portion of state sales tax revenues for an
28 existing or relocated facility shall be the amount that current

1 state sales tax revenue exceeds the state sales tax revenue in
2 the base year as stated in the redevelopment plan as provided in
3 subsection 10 of this section; or

4 (2) The state income tax withheld on behalf of new
5 employees by the employer pursuant to section 143.221 at the
6 business located within the project as identified by the
7 municipality. The state income tax withholding allowed by this
8 section shall be the municipality's estimate of the amount of
9 state income tax withheld by the employer within the
10 redevelopment area for new employees who fill new jobs directly
11 created by the tax increment financing project.

12 9. Subsection 4 of this section shall apply only to
13 blighted areas located in enterprise zones, pursuant to sections
14 135.200 to 135.256, blighted areas located in federal empowerment
15 zones, or to blighted areas located in central business districts
16 or urban core areas of cities which districts or urban core areas
17 at the time of approval of the project by ordinance, provided
18 that the enterprise zones, federal empowerment zones or blighted
19 areas contained one or more buildings at least fifty years old;
20 and

21 (1) Suffered from generally declining population or
22 property taxes over the twenty-year period immediately preceding
23 the area's designation as a project area by ordinance; or

24 (2) Was a historic hotel located in a county of the first
25 classification without a charter form of government with a
26 population according to the most recent federal decennial census
27 in excess of one hundred fifty thousand and containing a portion
28 of a city with a population according to the most recent federal

1 decennial census in excess of three hundred fifty thousand.

2 10. The initial appropriation of up to fifty percent of the
3 new state revenues authorized pursuant to subsections 4 and 5 of
4 this section shall not be made to or distributed by the
5 department of economic development to a municipality until all of
6 the following conditions have been satisfied:

7 (1) The director of the department of economic development
8 or his or her designee and the commissioner of the office of
9 administration or his or her designee have approved a tax
10 increment financing application made by the municipality for the

9 department of economic development or his or her designee and the

3 designee; except that, in no case shall the duration exceed

5 11. In addition to the areas authorized in subsection 9 of
6 this section, the funding authorized pursuant to subsection 4 of
7 this section shall also be available in a federally approved

9 December 23, 1997, and which is contained within a county of the
10 first classification without a charter form of government with a
11 population between fifty thousand and one hundred thousand
12 inhabitants which contains all or part of a city with a
13 population in excess of four hundred thousand or more
14 inhabitants.

15 12. There is hereby established within the state treasury a
16 special fund to be known as the "Missouri Supplemental Tax

18 of economic development. The department shall annually
19 distribute from the Missouri supplemental tax increment financing
20 fund the amount of the new state revenues as appropriated as
21 provided in the provisions of subsections 4 and 5 of this section
22 if and only if the conditions of subsection 10 of this section

9 section.

10 14. For redevelopment plans or projects approved by
11 ordinance that result in net new jobs from the relocation of a
12 national headquarters from another state to the area of the
13 redevelopment project, the economic activity taxes and new state
14 tax revenues shall not be based on a calculation of the
15 incremental increase in taxes as compared to the base year or
16 prior calendar year for such redevelopment project, rather the
17 incremental increase shall be the amount of total taxes generated
18 from the net new jobs brought in by the national headquarters
19 from another state. In no event shall this subsection be
20 construed to allow a redevelopment project to receive an
21 appropriation in excess of up to fifty percent of the new state
22 revenues.

24 certification by the department as a community paramedic, an

11 collaborative practice arrangement with a physician or a
12 physician assistant through a collaborative practice arrangement
13 with a physician and there is no duplication of services to the
14 patient from another provider.

15 3. Any ambulance service shall enter into a written
16 contract to provide community paramedic services in another
17 ambulance service area, as that term is defined in section
18 190.100. The contract that is agreed upon may be for an

20 sixty-day cancellation notice by either ambulance service.

21 4. A community paramedic is subject to the provisions of
22 sections 190.001 to 190.245 and rules promulgated under sections
23 190.001 to 190.245.

24 5. No person shall hold himself or herself out as a
25 community paramedic or provide the services of a community
26 paramedic unless such person is certified by the department.

27 6. The medical director shall approve the implementation of
28 the community paramedic program.

1 7. Any rule or portion of a rule, as that term is defined
2 in section 536.010, that is created under the authority delegated
3 in this section shall become effective only if it complies with
4 and is subject to all of the provisions of chapter 536 and, if
5 applicable, section 536.028. This section and chapter 536 are
6 nonseverable and if any of the powers vested with the general
7 assembly pursuant to chapter 536 to review, to delay the
8 effective date, or to disapprove and annul a rule are
9 subsequently held unconstitutional, then the grant of rulemaking
10 authority and any rule proposed or adopted after August 28, 2013,
