Division of Family Support – TANF (Temporary Assistance for Needy Families)

Book 2, page 121

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 created a federal block grant to fund state programs providing temporary assistance to needy families. In Missouri, the program of ongoing cash assistance funded by this Act is known as Temporary Assistance. The goals of the program are to provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives, to end the dependency of needy parents on government benefits by promoting job preparation and work; to prevent out of wedlock births; and to encourage the formation and maintenance of two parent families. Provides cash assistance to families based on income and family size for a period not to exceed 60 months in total in a lifetime.

Section 11.170 Division of Family Support – Ft. Leonard Wood Vendor Grant

Book 2, Page 254

The Randolph-Sheppard Act provides blind vendors with a preference for certain federal contracts including military food services. The DSS, as the agency administering Rehabilitation for the Blind program in the state of Missouri, has entered into a contract with the Department of Defense to provide full food services at Fort Leonard Wood. The roll of DSS is to facilitate the contract arrangement on behalf of the blind vendor. Payments from the Dept. of Defense are received by DSS, deposited into the State Treasury and paid out to the subcontractor E.D.P. Enterprises, Inc. for its services under the contract. Grants and Donations appropriation authority is currently being used to make these payments. It is requested to create a new section in the Family Support Division where Services for the visually impaired resides.
