34 subject matter of banking or financial responsibility, at the discretion of the state
35 board. Such certificate shall be limited to the major area of study of the holder
36 and shall be restricted to those certificates established under subdivision (1) of

38 shall be exempt from the teacher tenure act under sections 168.102 to 168.130

42 the basis of certification by the American Board for Certification of Teacher
43 Excellence (ABCTE) and verification of ability to work with children as

45 validated by the school principal: sixty contact hours in the classroom, of which
46 at least forty-five must be teaching; sixty contact hours as a substitute teacher,
47 with at least thirty consecutive hours in the same classroom; sixty contact hours
48 of teaching in a private school; or sixty contact hours of teaching as a
49 paraprofessional, for an initial four-year ABCTE certificate of license to teach,
50 except that such certificate shall not be granted for the areas of early childhood
51 education, elementary education, or special education. Upon the completion of
52 the requirements listed in paragraphs (a), (b), (c), and (d) of this subdivision, an
53 applicant shall be eligible to apply for a career continuous professional certificate
54 under subdivision (2) of subsection 3 of this section:

55 (a) Completion of thirty contact hours of professional development within

56 four years, which may include hours spent in class in an appropriate college
57 curriculum;

58 (b) Validated completion of two years of the mentoring program of the
59 American Board for Certification of Teacher Excellence or a district mentoring
60 program approved by the state board of education;

61 (c) Attainment of a successful performance-based teacher evaluation; and

62 (d) Participate in a beginning teacher assistance program.

63 2. All valid teaching certificates issued pursuant to law or state board
64 policies and regulations prior to September 1, 1988, shall be exempt from the
65 professional development requirements of this section and shall continue in effect
66 until they expire, are revoked or suspended, as provided by law. When such
67 certificates are required to be renewed, the state board or its designee shall grant
68 to each holder of such a certificate the certificate most nearly equivalent to the
69 one so held. Anyone who holds, as of August 28, 2003, a valid PC-I, PC-II, or
70 continuous professional certificate shall, upon expiration of his or her current
71 certificate, be issued the appropriate level of certificate based upon the
72 classification system established pursuant to subsection 3 of this section.

73 3. Certificates of license to teach in the public schools of the state shall
74 be based upon minimum requirements prescribed by the state board of education
75 which shall include completion of a background check as prescribed in section
76 168.133. The state board shall provide for the following levels of professional
77 certification: an initial professional certificate and a career continuous
78 professional certificate.

79 (1) The initial professional certificate shall be issued upon completion of
80 requirements established by the state board of education and shall be valid based
81 upon verification of actual teaching within a specified time period established by
82 the state board of education. The state board shall require holders of the
83 four-year initial professional certificate to:

84 (a) Participate in a mentoring program approved and provided by the
85 district for a minimum of two years;

86 (b) Complete thirty contact hours of professional development, which may
87 include hours spent in class in an appropriate college curriculum, or for holders
88 of a certificate under subdivision (4) of subsection 1 of this section, an amount of
89 professional development in proportion to the certificate holder's hours in the
90 classroom, if the certificate holder is employed less than full time; and

91 (c) Participate in a beginning teacher assistance program;

92 (2) (a) The career continuous professional certificate shall be issued upon
93 verification of completion of four years of teaching under the initial professional
94 certificate and upon verification of the completion of the requirements articulated
95 in paragraphs (a), (b), and (c) of subdivision (1) of this subsection or paragraphs
96 (a), (b), (c), and (d) of subdivision (5) of subsection 1 of this section.

97 (b) The career continuous professional certificate shall be continuous
98 based upon verification of actual employment in an educational position as
99 provided for in state board guidelines and completion of fifteen contact hours of
100 professional development per year which may include hours spent in class in an
101 appropriate college curriculum. Should the possessor of a valid career continuous
102 professional certificate fail, in any given year, to meet the fifteen-hour
103 professional development requirement, the possessor may, within two years,
104 make up the missing hours. In order to make up for missing hours, the possessor
105 shall first complete the fifteen-hour requirement for the current year and then
106 may count hours in excess of the current year requirement as make-up
107 hours. Should the possessor fail to make up the missing hours within two years,
108 the certificate shall become inactive. In order to reactivate the certificate, the
109 possessor shall complete twenty-four contact hours of professional development
110 which may include hours spent in the classroom in an appropriate college
111 curriculum within the six months prior to or after reactivating his or her
112 certificate. The requirements of this paragraph shall be monitored and verified
113 by the local school district which employs the holder of the career continuous
114 professional certificate.

115 (c) A holder of a career continuous professional certificate shall be exempt
116 from the professional development contact hour requirements of paragraph (b) of
117 this subdivision if such teacher has a local professional development plan in place
118 within such teacher's school district and meets two of the three following criteria:

119 a. Has ten years of teaching experience as defined by the state board of
120 education;

121 b. Possesses a master's degree; or

122 c. Obtains a rigorous national certification as approved by the state board
123 of education.

124 4. Policies and procedures shall be established by which a teacher who
125 was not retained due to a reduction in force may retain the current level of
126 certification. There shall also be established policies and procedures allowing a
127 teacher who has not been employed in an educational position for three years or

128 more to reactivate his or her last level of certification by completing twenty-four
129 contact hours of professional development which may include hours spent in the
130 classroom in an appropriate college curriculum within the six months prior to or
131 after reactivating his or her certificate.

132 5. The state board shall, upon completion of a background check as
133 prescribed in section 168.133, issue a professional certificate classification in the
134 areas most closely aligned with an applicant's current areas of certification,
135 commensurate with the years of teaching experience of the applicant, to any
136 person who is hired to teach in a public school in this state and who possesses a
137 valid teaching certificate from another state or certification under subdivision (4)
138 of subsection 1 of this section, provided that the certificate holder shall annually
139 complete the state board's requirements for such level of certification, and shall
140 establish policies by which residents of states other than the state of Missouri
141 may be assessed a fee for a certificate license to teach in the public schools of
142 Missouri. Such fee shall be in an amount sufficient to recover any or all costs
143 associated with the issuing of a certificate of license to teach. The board shall
144 promulgate rules to authorize the issuance of a provisional certificate of license,
145 which shall allow the holder to assume classroom duties pending the completion
146 of a criminal background check under section 168.133, for any applicant who:

- 147 (1) Is the spouse of a member of the Armed Forces stationed in Missouri;
148 (2) Relocated from another state within one year of the date of
149 application;
150 (3) Underwent a criminal background check in order to be issued a
151 teaching certificate of license from another state; and
152 (4) Otherwise qualifies under this section.

153 6. The state board may assess to holders of an initial professional
154 certificate a fee, to be deposited into the excellence in education revolving fund
155 established pursuant to section 160.268, for the issuance of the career continuous
156 professional certificate. However, such fee shall not exceed the combined costs
157 of issuance and any criminal background check required as a condition of
158 issuance. Applicants for the initial ABCTE certificate shall be responsible for
159 any fees associated with the program leading to the issuance of the certificate,
160 but nothing in this section shall prohibit a district from developing a policy that
161 permits fee reimbursement.

162 7. Any member of the public school retirement system of Missouri who
163 entered covered employment with ten or more years of educational experience in

164 another state or states and held a certificate issued by another state and
165 subsequently worked in a school district covered by the public school retirement
166 system of Missouri for ten or more years who later became certificated in
167 Missouri shall have that certificate dated back to his or her original date of
168 employment in a Missouri public school.

169 8. The provisions of subdivision (5) of subsection 1 of this section, as well
170 as any other provision of this section relating to the American Board for
171 Certification of Teacher Excellence, shall terminate on August 28, [2014] **2020**.
