AN ACT

To repeal sections 161.092, 168.221 and 168.291, RSMo, and to enact in lieu thereof two new sections relating to duties of boards of education.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 161.092, 168.221 and 168.291, RSMo, are repealed and
2 two new sections enacted in lieu thereof, to be known as sections 161.092 and
3 168.221, to read as follows:

161.092. The state board of education shall:

2 (1) Adopt rules governing its own proceedings and formulate policies for
3 the guidance of the commissioner of education and the department of elementary
4 and secondary education;

5 (2) Carry out the educational policies of the state relating to public
6 schools that are provided by law and supervise instruction in the public schools;

7 (3) Direct the investment of all moneys received by the state to be applied
8 to the capital of any permanent fund established for the support of public
9 education within the jurisdiction of the department of elementary and secondary
10 education and see that the funds are applied to the branches of educational
11 interest of the state that by grant, gift, devise or law they were originally
12 intended, and if necessary institute suit for and collect the funds and return them
13 to their legitimate channels;

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

14 (4) Cause to be assembled information which will reflect continuously the
15 condition and management of the public schools of the state;

16 (5) Require of county clerks or treasurers, boards of education or other
17 school officers, recorders and treasurers of cities, towns and villages, copies of all
18 records required to be made by them and all other information in relation to the
19 funds and condition of schools and the management thereof that is deemed
20 necessary;

21 (6) Provide blanks suitable for use by officials in reporting the information
22 required by the board;

23 (7) When conditions demand, cause the laws relating to schools to be
24 published in a separate volume, with pertinent notes and comments, for the
25 guidance of those charged with the execution of the laws;

26 (8) Grant, without fee except as provided in section 168.021, certificates
27 of qualification and licenses to teach in any of the public schools of the state,
28 establish requirements therefor, formulate regulations governing the issuance
29 thereof, and cause the certificates to be revoked for the reasons and in the
30 manner provided in section 168.071;

31 (9) Classify the public schools of the state, subject to limitations provided
32 by law **and subdivision (14) of this section**, establish requirements for the
33 schools of each class, and formulate rules governing the inspection and
34 accreditation of schools preparatory to classification, with such requirements
35 taking effect not less than two years from the date of adoption of the proposed
36 rule by the state board of education, provided that this condition shall not apply
37 to any requirement for which a time line for adoption is mandated in either
38 federal or state law;

39 (10) Make an annual report on or before the first Wednesday after the
40 first day of January to the general assembly or, when it is not in session, to the
41 governor for publication and transmission to the general assembly. The report
42 shall be for the last preceding school year, and shall include:

43 (a) A statement of the number of public schools in the state, the number
44 of pupils attending the schools, their sex, and the branches taught;

45 (b) A statement of the number of teachers employed, their sex, their
46 professional training, and their average salary;

47 (c) A statement of the receipts and disbursements of public school funds
48 of every description, their sources, and the purposes for which they were
49 disbursed;

50 (d) Suggestions for the improvement of public schools; and
51 (e) Any other information relative to the educational interests of the state
52 that the law requires or the board deems important;

53 (11) Make an annual report to the general assembly and the governor
54 concerning coordination with other agencies and departments of government that
55 support family literacy programs and other services which influence educational
56 attainment of children of all ages;

57 (12) Require from the chief officer of each division of the department of
58 elementary and secondary education, on or before the thirty-first day of August
59 of each year, reports containing information the board deems important and
60 desires for publication;

61 (13) Cause fifty copies of its annual report to be reserved for the use of
62 each division of the state department of elementary and secondary education, and
63 ten copies for preservation in the state library;

64 (14) **Promulgate rules under which the board shall classify the**
65 **public schools of the state. Said rules shall include but not be limited**
66 **to the standards, appropriate scoring guides, forms, instruments, and**
67 **procedures used in determining the accreditation status of a**
68 **district. The board shall make classification and accreditation**
69 **determinations consistent with said rules, and shall not deviate from**
70 **said rules without properly promulgating such rules pursuant to the**
71 **provisions of chapter 536;**

72 (15) Have other powers and duties prescribed by law.

168.221. 1. The first five years of employment of all teachers entering the
2 employment of the metropolitan school district shall be deemed a period of
3 probation during which period all appointments of teachers shall expire at the
4 end of each school year. During the probationary period any probationary teacher
5 whose work is unsatisfactory shall be furnished by the superintendent of schools
6 with a written statement setting forth the nature of his **or her** incompetency. If
7 improvement satisfactory to the superintendent is not made within one semester
8 after the receipt of the statement, the probationary teacher shall be
9 dismissed. The semester granted the probationary teacher in which to improve
10 shall not in any case be a means of prolonging the probationary period beyond
11 five years and six months from the date on which the teacher entered the employ
12 of the board of education. The superintendent of schools on or before the fifteenth
13 day of April in each year shall notify probationary teachers who will not be

14 retained by the school district of the termination of their services. Any
15 probationary teacher who is not so notified shall be deemed to have been
16 appointed for the next school year. Any principal who prior to becoming a
17 principal had attained permanent employee status as a teacher shall upon
18 ceasing to be a principal have a right to resume his or her permanent teacher
19 position with the time served as a principal being treated as if such time had
20 been served as a teacher for the purpose of calculating seniority and pay
21 scale. The rights and duties and remuneration of a teacher who was formerly a
22 principal shall be the same as any other teacher with the same level of
23 qualifications and time of service.

24 2. After completion of satisfactory probationary services, appointments of
25 teachers shall become permanent, subject to removal for any one or more causes
26 herein described and to the right of the board to terminate the services of all who
27 attain the age of compulsory retirement fixed by the retirement system. In
28 determining the duration of the probationary period of employment in this section
29 specified, the time of service rendered as a substitute teacher shall not be
30 included.

31 3. No teacher whose appointment has become permanent may be removed
32 except for one or more of the following causes: immorality, **incompetency, or**
33 inefficiency in line of duty, violation of the published regulations of the school
34 district, violation of the laws of Missouri governing the public schools of the state,
35 or physical or mental condition which incapacitates him for instructing or
36 associating with children, and then only by a vote of not less than a majority of
37 all the members of the board, upon written charges presented by the
38 superintendent of schools, to be heard by the board after thirty days' notice, with
39 copy of the charges served upon the person against whom they are preferred, who
40 shall have the privilege of being present at the hearing, together with counsel,
41 offering evidence and making defense thereto. [Notifications received by an
42 employee during a vacation period shall be considered as received on the first day
43 of the school term following.] At the request of any person so charged the hearing
44 shall be public. During any time in which powers granted to the district's board
45 of education are vested in a special administrative board, the special
46 administrative board may appoint a hearing officer to conduct the hearing. The
47 hearing officer shall conduct the hearing as a contested case under chapter 536
48 and shall issue a written recommendation to the board rendering the charges
49 against the teacher. The board shall render a decision on the charges upon the

50 review of the hearing officer's recommendations and the record from the
51 hearing. The action and decision of the board upon the charges shall be
52 final. Pending the hearing of the charges, the person charged may be suspended
53 if the rules of the board so prescribe, but in the event the board does not by a
54 majority vote of all the members remove the teacher upon charges presented by
55 the superintendent, the person shall not suffer any loss of salary by reason of the
56 suspension. **Incompetency or** inefficiency in line of duty is cause for dismissal
57 only after the teacher has been notified in writing at least [one semester] **thirty**
58 **days** prior to the presentment of charges against him by the superintendent. The
59 notification shall specify the nature of the **incompetency or** inefficiency with
60 such particularity as to enable the teacher to be informed of the nature of his **or**
61 **her incompetency or** inefficiency.

62 4. No teacher whose appointment has become permanent shall be demoted
63 nor shall his **or her** salary be reduced unless the same procedure is followed as
64 herein stated for the removal of the teacher because of inefficiency in line of duty,
65 and any teacher whose salary is reduced or who is demoted may waive the
66 presentment of charges against him by the superintendent and a hearing thereon
67 by the board. The foregoing provision shall apply only to permanent teachers
68 prior to the compulsory retirement age under the retirement system. Nothing
69 herein contained shall in any way restrict or limit the power of the board of
70 education to make reductions in the number of teachers or principals, or both,
71 because of insufficient funds, decrease in pupil enrollment, or abolition of
72 particular subjects or courses of instruction, except that the abolition of particular
73 subjects or courses of instruction shall not cause those teachers who have been
74 teaching the subjects or giving the courses of instruction to be placed on leave of
75 absence as herein provided who are qualified to teach other subjects or courses
76 of instruction, if positions are available for the teachers in the other subjects or
77 courses of instruction.

78 5. Whenever it is necessary to decrease the number of teachers because
79 of insufficient funds or a substantial decrease of pupil population within the
80 school district, the board of education upon recommendation of the
81 superintendent of schools may cause the necessary number of teachers beginning
82 with those serving probationary periods to be placed on leave of absence without
83 pay, but only in the inverse order of their appointment. Nothing herein stated
84 shall prevent a readjustment by the board of education of existing salary
85 schedules. No teacher placed on a leave of absence shall be precluded from

86 securing other employment during the period of the leave of absence. Each
87 teacher placed on leave of absence shall be reinstated in inverse order of his **or**
88 **her** placement on leave of absence. Such reemployment shall not result in a loss
89 of status or credit for previous years of service. [No new appointments shall be
90 made while there are available teachers on leave of absence who are seventy
91 years of age or less and who are adequately qualified to fill the vacancy unless
92 the teachers fail to advise the superintendent of schools within thirty days from
93 the date of notification by the superintendent of schools that positions are
94 available to them that they will return to employment and will assume the duties
95 of the position to which appointed not later than the beginning of the school year
96 next following the date of the notice by the superintendent of schools] **No**
97 **appointment of new teachers shall be made while there are available**
98 **teachers on unrequested leave of absence who are properly qualified**
99 **to fill such vacancies. Such leave of absence shall not impair the**
100 **tenure of a teacher. The leave of absence shall continue for a period of**
101 **not more than three years unless extended by the board.**

102 6. If any regulation which deals with the promotion of teachers is
103 amended by increasing the qualifications necessary to be met before a teacher is
104 eligible for promotion, the amendment shall fix an effective date which shall allow
105 a reasonable length of time within which teachers may become qualified for
106 promotion under the regulations.

107 7. A teacher whose appointment has become permanent may give up the
108 right to a permanent appointment to participate in the teacher choice
109 compensation package under sections 168.745 to 168.750.

[168.291. Whenever it is necessary to decrease the number
2 of employees because of insufficient funds or decrease in pupil
3 enrollment or lack of work the board of education may cause the
4 necessary number of employees, beginning with those serving
5 probationary periods, to be placed on leave of absence without pay,
6 but only in the inverse order of their appointment. Each employee
7 placed on leave of absence shall be reinstated in inverse order of
8 his placement on leave of absence. Such reemployment shall not
9 result in a loss of status or credit for previous periods of
10 service. No new appointments shall be made while there are
11 available employees on leave of absence who have not attained the
12 age of seventy years and who are adequately qualified to fill the

13 vacancy in the particular department unless the employees fail to
14 advise the board within thirty days from date of notification by the
15 board that positions are available to them, that they will return to
16 employment, and will assume the duties of the position to which
17 they are appointed not later than the beginning of the month
18 following the date of the notice by the board.]
