*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 376, RSMo, is amended by adding thereto one new section, to be known as section 376.1237, to read as follows:

**376.1237. 1. Each health carrier or health benefit plan that offers or issues health benefit plans which are delivered, issued for delivery, continued, or renewed in this state on or after January 1, 2014, and that provides coverage for prescription eye drops shall provide coverage for the refilling of an eye drop prescription prior to the last day of the prescribed dosage period without regard to a coverage restriction for early refill of prescription renewals as long as the prescribing health care provider authorizes such early refill, and the health carrier or the health benefit plan is notified.**

**2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same meaning as defined in section 376.1350.**

**3. The coverage required by this section shall not be subject to any greater deductible or co-payment than other similar health care services provided by the health benefit plan.**

16           4. The provisions of this section shall not apply to a  
17 supplemental insurance policy, including a life care contract,
