Offered by _____ of _____

Amend SCS/Senate Bill No. 518, Page 3, Section 208.166, Line 86,

2 by inserting after all of said line the following:

3 "6. To aid the discovery of how and if MO HealthNet
4 recipients covered under managed care organization health plans
5 are improving in health outcomes and to provide data to the state
6 to target health disparities, the state of Missouri shall
7 establish and maintain an accountability system utilizing health
8 information technology. Such system shall:

9 (1) Have the ability to interoperate to collect and
10 aggregate data from disparate systems. Such disparate systems
11 shall include, but not be limited to electronic medical records,
12 claims and eligibility databases, state-managed registries such
13 as public health and immunizations registries, and health
14 information organizations;

15 (2) Provide a quarterly analysis of each of the state
16 managed care organizations to ensure such organizations are
17 meeting required metrics, goals, and quality measurements as
18 defined in the managed care contract such as costs of managed
19 care services as compared to fee-for-service providers, and to
20 provide the state with needed data for future contract
21 negotiations and incentive management;

22 (3) Meet all state health privacy laws and federal Health

1 Insurance Portability and Accountability Act (HIPAA)
2 requirements; and
3 (4) Meet federal data security requirements.".
