FOUNDATION FORMULA
SECTION 2.015**

PG. 41

The state’s education funding formula was changed in SB 287 (2005) with the changes becoming effective in FY 2007. The previous formula was a tax rate driven formula which provided a certain amount of money per student for each penny of property tax rate of the school district. The formula adopted in SB 287 (2005) follows a student needs philosophy. The new formula is weighted average daily attendance x state adequacy target x dollar value modifier – local effort = state funding. The new formula combines funding from FY 2006 for Equity, Line-14, Exceptional Pupil Aid, Remedial Reading, Gifted, Fair Share and County Foreign Insurance.

REBUILD MISSOURI SCHOOLS PROGRAM**

PG. 228

SECTION 2.065

SB 1170 (2008) created this program to assist districts in paying the costs of emergency projects to replace or repair facilities destroyed or damaged due to acts of God or extreme weather events. The amount of the grant is not to exceed the cost of the project less any insurance proceeds or other moneys received by the eligible districts. The district is to repay the interest free loan over not more than 20 years. These funds were disbursed FY2010 and statute states that all repayments will be made to this fund; however this fund is subject to the biannual fund sweep.

SECTION 2.075

The various programs combined in Section 2.085 of the appropriations bill all deal with Early Childhood Education, either directly or indirectly. Funds flow through a contract to the Parents As Teachers National Center for parent educator training, also Child Care Development Block Grants that provide technical assistance to child care centers. The remaining federal capacity is for the Child Development Associate (CDA) program that increases, enhances and improves the quality of child care and education programs by providing students enrolled in secondary, postsecondary and adult career education programs the opportunity to obtain entry level CDA certification and/or advanced degrees. The largest program in this Section is the Missouri Preschool Program funded through the Early Childhood Education and Care Fund which derives its funds through the Tobacco Settlement moneys.

A portion of the Independent Living Centers' funding was switched from GR to the ILC Fund (0284) in SFY14 because the fund had accumulated excess revenues. Projected revenues supporting the ILC Fund will not be sufficient to support the current funding level established. This decision item restores GR funding to the SFY13 level and reduces the ILC Fund obligations to an amount supported by the revenues to the fund.
