Section 217.735 and 559.106.1 RSMo require lifetime supervision of all first time sex offenders convicted under 566.030, 566.062, and 566.062 RSMo. The legislative intent of these lifetime supervision statutes was to require a prior sex offense conviction involving a victim less than fourteen years of age for all listed offenses. When additional offenses were added to these sections in 2006, two separate clauses were created, one requiring prior sex offense conviction, and the other not requiring a prior sex offense conviction. The number of lifetime supervision cases as a result of the legislation is far more than expected with no additional resources given. Today, there are over 100 cases in the field and 900 cases in the institution where lifetime supervision currently applies or will upon client's release.
