2. (1) Beginning with the 2017 calendar year, the top rate of tax under subsection 1 of this section may be reduced over a period of years. Each reduction in the top rate of tax shall be by one-tenth of a percent and no more than one reduction shall occur in a calendar year. The top rate of tax shall not be reduced below five and one-half percent. Reductions in the rate of tax shall take effect on January first of a calendar year and such reduced rates shall continue in effect until the next reduction occurs.

(2) A reduction in the rate of tax shall only occur if the amount of net general revenue collected in the previous fiscal year exceeds the highest amount of net general revenue collected in any of the three fiscal years prior to such fiscal year by at least one hundred fifty million dollars.

(3) Any modification of tax rates under this subsection shall only apply to tax years that begin on or after a modification takes effect.

(4) The director of the department of revenue shall, by rule, adjust the tax tables under subsection 1 of this section to effectuate the provisions of this subsection. The bracket for income subject to the top rate of tax shall be eliminated once the top rate of tax has been reduced to five and one-half of a percent.

3. Beginning with the 2017 calendar year, the brackets of Missouri taxable income identified in subsection 1 of this section shall be adjusted annually by the percent increase in inflation. The director shall publish such brackets annually beginning on or after October 1, 2016. Modifications to the brackets shall take effect on January first of each calendar year and shall apply to tax years beginning on or after the effective date of the new brackets.
4. As used in this section, the following terms mean:

   (1) "Percent increase in inflation", the percentage, if any, by which the CPI for the preceding calendar year exceeds the CPI for the year beginning September 1, 2014, and ending August 31, 2015;
   (2) "CPI for the preceding calendar year", the average of the CPI as of the close of the twelve month period ending on August thirty-first of such calendar year;
   (3) "CPI", the Consumer Price Index for All Urban Consumers for the United States as reported by the Bureau of Labor Statistics, or its successor index.

143.021. Every resident having a taxable income of less than nine thousand dollars shall determine his or her tax from a tax table prescribed by the director of revenue and based upon the rates provided in section 143.011. [The tax table shall be on the basis of one hundred dollar increments of taxable income below nine thousand dollars. The tax provided in the table shall be the amount rounded to the nearest whole dollar by applying the rates in section 143.011 to the taxable income at the midpoint of each increment, except] There shall be no tax on a taxable income of less than one hundred dollars. [Every resident having a taxable income of nine thousand dollars or more shall determine his tax from the rate provided in section 143.011.]

143.022. 1. As used in this section, "business income" means the income greater than zero arising from transactions in the regular course of all of a taxpayer's trade or business and shall be limited to the Missouri source net profit from the combination of the following:

   (1) The total combined profit as properly reported to the Internal Revenue Service on each Schedule C, or its successor form, filed; and
   (2) The total partnership and S corporation income or loss properly reported to the Internal Revenue Service on Part II of Schedule E, or its successor form.

2. In addition to all other modifications allowed by law, there shall be subtracted from the federal adjusted gross income of an individual taxpayer a percentage of such individual's business income, to the extent that such amounts are included in federal adjusted gross income when determining such individual's Missouri adjusted gross income.

3. In the case of an S corporation described in section 143.471 or a partnership, computing the deduction allowed under subsection 2 of
this section, taxpayers described in subdivisions (1) or (2) of this
subsection shall be allowed such deduction apportioned in proportion
to their share of ownership of the business as reported on the
taxpayer's schedule K-1, or its successor form, for the tax period for
which such deduction is being claimed when determining the Missouri
adjusted gross income of:

(1) The shareholders of an S corporation as described in section
143.471;

(2) The partners in a partnership.

4. The percentage to be subtracted under subsection 2 of this
section shall be increased over a period of years. Each increase in the
percentage shall be by five percent and no more than one increase shall
occur in a calendar year. The maximum percentage that may be
subtracted is twenty-five percent of business income. Any increase in
the percentage that may be subtracted shall take effect on January first
of a calendar year and such percentage shall continue in effect until
the next percentage increase occurs. An increase shall only apply to
tax years that begin on or after the increase takes effect.

5. An increase in the percentage that may be subtracted under
subsection 2 of this section shall only occur if the amount of net
general revenue collected in the previous fiscal year exceeds the
highest amount of net general revenue collected in any of the three
fiscal years prior to such fiscal year by at least one hundred fifty
million dollars.

6. The first year that a taxpayer may make the subtraction under
subsection 2 of this section is 2017, provided that the provisions of
subsection 5 of this section are met. If the provisions of subsection 5
of this section are met, the percentage that may be subtracted in 2017
is five percent.

143.151. For all taxable years beginning before January 1, 1999, a
resident shall be allowed a deduction of one thousand two hundred dollars for
himself or herself and one thousand two hundred dollars for his or her spouse if
he or she is entitled to a deduction for such personal exemptions for federal
income tax purposes. For all taxable years beginning on or after January 1, 1999,
a resident shall be allowed a deduction of two thousand one hundred dollars for
himself or herself and two thousand one hundred dollars for his or her spouse if
he or she is entitled to a deduction for such personal exemptions for federal
income tax purposes. For all tax years beginning on or after January 1, 2017, a resident with a Missouri adjusted gross income of less than twenty thousand dollars shall be allowed an additional deduction of five hundred dollars for himself or herself and an additional five hundred dollars for his or her spouse if he or she is entitled to a deduction for such personal exemptions for federal income tax purposes and his or her spouse's Missouri adjusted gross income is less than twenty thousand dollars.
