## AN ACT

To repeal sections 143.041, 143.071, 143.191, 144.610, 285.230, 285.232, 285.233, 285.234, and 304.180, RSMo, and to enact in lieu thereof thirteen new sections relating to facilitating rapid response to disasters, with an existing penalty provision.

---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Sections 143.041, 143.071, 143.191, 144.610, 285.230, 285.232, 285.233, 285.234, and 304.180, RSMo, are repealed and thirteen new sections enacted in lieu thereof, to be known as sections 143.041, 143.071, 143.191, 144.610, 190.270, 190.275, 190.280, 190.285, 285.230, 285.232, 285.233, 285.234, and 304.180, to read as follows:

143.041. 1. A tax is hereby imposed for every taxable year on the income of every nonresident individual which is derived from sources within this state. The tax shall be that amount which bears the same ratio to the tax applicable to the individual if he would have been a resident as (A) his Missouri nonresident adjusted gross income as determined under section 143.181 (Missouri adjusted gross income derived from sources within this state) bears to (B) his Missouri adjusted gross income derived from all sources.

2. **The provisions of this section shall not apply to out-of-state businesses or out-of-state employees operating under sections 190.270 to 190.285.**

143.071. 1. For all tax years beginning before September 1, 1993, a tax is hereby imposed upon the Missouri taxable income of corporations in an amount equal to five percent of Missouri taxable income.

2. For all tax years beginning on or after September 1, 1993, a tax is hereby imposed upon the Missouri taxable income of corporations in an amount

6 equal to six and one-fourth percent of Missouri taxable income.

7           **3. The provisions of this section shall not apply to out-of-state**  
8 **businesses operating under sections 190.270 to 190.285.**

143.191. 1. Every employer maintaining an office or transacting any  
2 business within this state and making payment of any wages taxable under  
3 sections 143.011 to 143.998 to a resident or nonresident individual shall deduct  
4 and withhold from such wages for each payroll period the amount provided in  
5 subsection 3 of this section.

6           2. The term "wages" referred to in subsection 1 of this section means  
7 wages as defined by section 3401(a) of the Internal Revenue Code of 1986, as  
8 amended. The term "employer" means any person, firm, corporation, association,  
9 fiduciary of any kind, or other type of organization for whom an individual  
10 performs service as an employee, except that if the person or organization for  
11 whom the individual performs service does not have control of the payment of  
12 compensation for such service, the term "employer" means the person having  
13 control of the payment of the compensation. The term includes the United States,  
14 this state, other states, and all agencies, instrumentalities, and subdivisions of  
15 any of them.

16           3. The method of determining the amount to be withheld shall be  
17 prescribed by regulations of the director of revenue. The prescribed table,  
18 percentages, or other method shall result, so far as practicable, in withholding  
19 from the employee's wages during each calendar year an amount substantially  
20 equivalent to the tax reasonably estimated to be due from the employee under  
21 sections 143.011 to 143.998 with respect to the amount of such wages included in  
22 his Missouri adjusted gross income during the calendar year.

23           4. For purposes of this section an employee shall be entitled to the same  
24 number of personal and dependency withholding exemptions as the number of  
25 exemptions to which he is entitled for federal income tax withholding purposes.  
26 An employer may rely upon the number of federal withholding exemptions  
27 claimed by the employee, except where the employee provides the employer with  
28 a form claiming a different number of withholding exemptions in this state.

29           5. The director of revenue may enter into agreements with the tax  
30 departments of other states (which require income tax to be withheld from the  
31 payment of wages) so as to govern the amounts to be withheld from the wages of  
32 residents of such states under this section. Such agreements may provide for  
33 recognition of anticipated tax credits in determining the amounts to be withheld

34 and, under regulations prescribed by the director of revenue, may relieve  
35 employers in this state from withholding income tax on wages paid to nonresident  
36 employees. The agreements authorized by this subsection are subject to the  
37 condition that the tax department of such other states grant similar treatment  
38 to residents of this state.

39 6. The director of revenue shall enter into agreements with the Secretary  
40 of the Treasury of the United States or with the appropriate secretaries of the  
41 respective branches of the Armed Forces of the United States for the withholding,  
42 as required by subsections 1 and 2 of this section, of income taxes due the state  
43 of Missouri on wages or other payments for service in the armed services of the  
44 United States or on payments received as retirement or retainer pay of any  
45 member or former member of the Armed Forces entitled to such pay.

46 7. Subject to appropriations for the purpose of implementing this section,  
47 the director of revenue shall comply with provisions of the laws of the United  
48 States as amended and the regulations promulgated thereto in order that all  
49 residents of this state receiving monthly retirement income as a civil service  
50 annuitant from the federal government taxable by this state may have withheld  
51 monthly from any such moneys, whether pension, annuities or otherwise, an  
52 amount for payment of state income taxes as required by state law, but such  
53 withholding shall not be less than twenty-five dollars per quarter.

54 **8. The provisions of this section shall not apply to out-of-state**  
55 **businesses operating under sections 190.270 to 190.285.**

144.610. 1. A tax is imposed for the privilege of storing, using or  
2 consuming within this state any article of tangible personal property, excluding  
3 motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard  
4 motors required to be titled under the laws of the state of Missouri and subject  
5 to tax under subdivision (9) of subsection 1 of section 144.020, purchased on or  
6 after the effective date of sections 144.600 to 144.745 in an amount equivalent to  
7 the percentage imposed on the sales price in the sales tax law in section  
8 144.020. This tax does not apply with respect to the storage, use or consumption  
9 of any article of tangible personal property purchased, produced or manufactured  
10 outside this state until the transportation of the article has finally come to rest  
11 within this state or until the article has become commingled with the general  
12 mass of property of this state.

13 2. Every person storing, using or consuming in this state tangible  
14 personal property subject to the tax in subsection 1 of this section is liable for the

15 tax imposed by this law, and the liability shall not be extinguished until the tax  
16 is paid to this state, but a receipt from a vendor authorized by the director of  
17 revenue under the rules and regulations that he prescribes to collect the tax,  
18 given to the purchaser in accordance with the provisions of section 144.650,  
19 relieves the purchaser from further liability for the tax to which receipt refers.

20 3. Because this section no longer imposes a Missouri use tax on the  
21 storage, use, or consumption of motor vehicles, trailers, motorcycles, mopeds,  
22 motortricycles, boats, and outboard motors required to be titled under the laws  
23 of the state of Missouri, in that the state sales tax is now imposed on the titling  
24 of such property, the local sales tax, rather than the local use tax, applies.

25 4. **The provisions of this section shall not apply to out-of-state**  
26 **businesses or out-of-state employees operating under sections 190.270**  
27 **to 190.285.**

190.270. Sections 190.270 to 190.285 shall be known and may be  
2 cited as the "Facilitating Business Rapid Response to State Declared  
3 Disasters Act".

190.275. As used in sections 190.270 to 190.285, unless the context  
2 clearly indicates otherwise, the following terms shall mean:

3 (1) "Declared state disaster" or "emergency", a disaster or  
4 emergency event for which a governor's state of emergency  
5 proclamation has been issued or that the President of the United States  
6 has declared to be a major disaster or emergency;

7 (2) "Disaster period", the period of time that begins ten days  
8 before the governor's proclamation of a state of emergency or the  
9 declaration by the President of the United States of a major disaster or  
10 emergency, whichever occurs first, and extending for a period of sixty  
11 calendar days following the end of the period specified in the  
12 proclamation or declaration or sixty calendar days from the  
13 proclamation or declaration if no end is provided. The governor may  
14 extend the disaster period as warranted;

15 (3) "Infrastructure", property and equipment owned or used by  
16 a public utility, communications network, broadband and internet  
17 service provider, cable and video service provider, gas distribution  
18 system, or water pipeline that provides service to more than one  
19 customer or person, including related support facilities. Infrastructure  
20 includes real and personal property such as buildings, offices, power  
21 lines, cable lines, poles, communication lines, pipes, structures, and

22 equipment; and

23 (4) "Out-of-state business", a business entity:

24 (a) That does not have a presence in the state;

25 (b) That does not conduct business in the state;

26 (c) That has no registrations, tax filings, or nexus in the state  
27 before the declared disaster or emergency; and

28 (d) Whose assistance in repairing, renovating, installing, or  
29 building infrastructure related to a declared state disaster or  
30 emergency is requested by the state, a county, city, town, or other  
31 political subdivision of the state or a registered business that owns or  
32 uses infrastructure as defined in this section.

33 Out-of-state business includes a business entity that is affiliated with  
34 a registered business solely through common ownership as long as that  
35 business entity does not have any registrations, tax filings, or nexus in  
36 the state before the declared state disaster or emergency. For purposes  
37 of this section, a prior registration as an out-of-state business for a  
38 declared disaster or emergency shall not be considered a registration  
39 in this state.

40 (5) "Out-of-state employee", an individual who does not work in  
41 the state except for disaster or emergency related work during a  
42 disaster period;

43 (6) "Registered business", a business entity that is registered or  
44 licensed to do business in the state before the declared state disaster  
45 or emergency.

190.280. 1. An out-of-state business that conducts operations  
2 within the state for purposes of assisting in repairing, renovating,  
3 installing, or building infrastructure related to a declared state  
4 disaster or emergency during the disaster period shall not be  
5 considered to have established a level of presence that would subject  
6 the business or any of its out-of-state employees to any of the following  
7 state or local employment, licensing, or registration requirements:

8 (1) Except as set forth in section 190.285, registration with the  
9 secretary of state;

10 (2) Withholding or income tax registration, filing, or remitting  
11 requirements; and

12 (3) Use tax on equipment used or consumed during the disaster  
13 period if such equipment does not remain in the state after the disaster

14 **period.**

15           **2. An out-of-state employee shall not be considered to have**  
16 **established residency or a presence in the state that would require that**  
17 **person or that person's employer to file and pay income taxes, to be**  
18 **subjected to tax withholdings, or to file and pay any other state or local**  
19 **income or withholding tax or fee for work repairing, renovating,**  
20 **installing, or building infrastructure during the disaster period.**

21           **3. After the conclusion of a disaster period, an out-of-state**  
22 **business or out-of-state employee that remains in the state is fully**  
23 **subject to the state or local employment, licensing, or registration**  
24 **requirements listed in this section or that were otherwise suspended**  
25 **under sections 190.270 to 190.285 during the disaster period.**

**190.285. 1. An out-of-state business shall provide notification to**  
2 **the secretary of state within ten days after entry to the state during a**  
3 **disaster period that the out-of-state business is in the state for**  
4 **purposes of responding to the declared state disaster or**  
5 **emergency. The out-of-state business shall provide to the secretary of**  
6 **state information related to the out-of-state business including, but not**  
7 **limited to, the following:**

8           **(1) Name;**  
9           **(2) State of domicile;**  
10          **(3) Principal business address;**  
11          **(4) Federal employer identification number;**  
12          **(5) The date when the out-of-state business entered the state; and**  
13          **(6) Contact information while the out-of-state business is in this**  
14 **state.**

15           **2. A registered business shall provide the notification required**  
16 **in subsection 1 of this section for an affiliate of the registered business**  
17 **that enters the state as an out-of-state business. The notification under**  
18 **this subsection also must include contact information for the registered**  
19 **business in the state.**

20           **3. An out-of-state business that remains in the state after a**  
21 **disaster period shall notify the secretary of state within ten days after**  
22 **the end of the disaster period and shall meet all registration, licensing,**  
23 **and filing requirements resulting from any business presence or**  
24 **activity in the state.**

25           **4. The secretary of state shall provide information received from**

26 **out-of-state businesses or registered businesses under this section to**  
27 **the department of revenue within thirty days after receipt of**  
28 **notification.**

285.230. 1. As used in this section, "transient employer" means an  
2 employer as defined in sections 143.191, 287.030, and 288.032 making payment  
3 of wages taxable under chapters 143, 287, and 288 who is not domiciled in this  
4 state and who temporarily transacts any business within the state, but shall not  
5 include any employer who is not subject to Missouri income tax because of the  
6 provisions of 15 U.S.C. 381. The transaction of business shall be considered  
7 temporary at any time it cannot be reasonably expected to continue for a period  
8 of twenty-four consecutive months. Professional athletic teams and professional  
9 entertainers domiciled in a state other than Missouri shall be deemed a  
10 "transient employer" for the purposes of this section, unless the person or entity  
11 who pays compensation to the nonresident entertainer has fully complied with the  
12 provisions of section 143.183 in which case the nonresident entertainer shall not  
13 be considered a transient employer.

14 2. Employers meeting the following criteria shall not be required to file  
15 a financial assurance instrument as required by this section:

16 (1) The principal place of business of the employer must be in a county of  
17 another state which is contiguous to the state of Missouri; and

18 (2) The employer must have been under contract to perform work in  
19 Missouri for at least sixty days cumulatively out of twelve months during each of  
20 the two calendar years immediately preceding the employer's initial application  
21 for exemption from the provisions of this section; and

22 (3) The employer must have in his possession a tax clearance from the  
23 department of revenue and the division of employment security stating that the  
24 employer has faithfully complied with the tax laws of this state during the period  
25 set out in subdivision (2) of this subsection.

26 Within ninety days of August 13, 1988, such employers must obtain initial tax  
27 clearances in accordance with subdivision (3) of this subsection. Any tax  
28 clearance issued under the provisions of this section by the division of  
29 employment security shall be submitted to the department of revenue. On or  
30 before January thirty-first of each year, except January thirty-first following the  
31 year during which the employer first meets these criteria, the employer shall  
32 submit application to the department of revenue and division of employment  
33 security for a renewed tax clearance. Failure to submit such renewal applications

34 or failure to comply with applicable Missouri taxing and employment security  
35 laws during the period between annual renewal dates or removal of the  
36 employer's principal place of business from a county in another state which is  
37 contiguous to Missouri to a state other than Missouri shall immediately subject  
38 the employer to all provisions of this section. An employer meeting the  
39 requirements of this subsection shall still be subject to the provisions of  
40 subsection 5 of this section.

41           3. Every transient employer shall file with the director of revenue a  
42 financial assurance instrument including, but not limited to, a cash bond, a  
43 surety bond, or an irrevocable letter of credit as defined in section 400.5-103  
44 issued by any state or federal financial institution. The financial assurance  
45 instrument shall be in an amount not less than the average estimated quarterly  
46 withholding tax liability of the applicant, but in no case less than five thousand  
47 dollars nor more than twenty-five thousand dollars. Any corporate surety shall  
48 be licensed to do such business in this state and approved by the director of  
49 revenue to act as a surety. The transient employer shall be the principal obligor  
50 and the state of Missouri shall be the obligee. The financial assurance  
51 instrument shall be conditioned upon the prompt filing of true reports and the  
52 payment by such employer to the director of revenue of any and all withholding  
53 taxes which are now or which hereafter may be levied or imposed by the state of  
54 Missouri, upon the employer, together with any and all penalties and interest  
55 thereon, and generally upon the faithful compliance with the provisions of  
56 chapters 143, 287, and 288.

57           4. Any transient employer who is already otherwise required to file a  
58 financial assurance instrument as a condition of any contract, provided said  
59 financial assurance instrument guarantees payment of all applicable state taxes  
60 and all withholding taxes levied or imposed by the state and provided that such  
61 financial assurance instrument is delivered by certified mail to the department  
62 of revenue by the applicable awarding entity at least fourteen days before the  
63 execution of the contract for the performance of work, may use the same financial  
64 assurance instrument to comply with the provisions of this section. Before such  
65 financial assurance instrument is approved by the awarding entity, the director  
66 of revenue shall be satisfied that such financial assurance instrument is sufficient  
67 to cover all taxes imposed by this state and the director shall so notify the  
68 awarding entity of the decision within the fourteen days prior to the execution of  
69 the contract. Failure to do so by the director shall waive any right to disapprove

70 such financial assurance instrument. Before a financial assurance instrument is  
71 released by the entity awarding the contract, a tax clearance shall be obtained  
72 from the director of revenue that such transient employer has faithfully complied  
73 with all the tax laws of this state.

74         5. Every transient employer shall certify to the director of revenue that  
75 such employer has sufficient workers' compensation insurance either through a  
76 self-insurance program or a policy of workers' compensation insurance issued by  
77 an approved workers' compensation carrier. The self-insurance program shall be  
78 approved by the division of workers' compensation pursuant to section  
79 287.280. The insurance policy shall be in a contract form approved by the  
80 department of insurance, financial institutions and professional registration.

81         6. In the event that liability upon the financial assurance instrument thus  
82 filed by the transient employer shall be discharged or reduced, whether by  
83 judgment rendered, payment made or otherwise, or if in the opinion of the  
84 director of revenue any surety on a bond theretofore given or financial institution  
85 shall have become unsatisfactory or unacceptable, then the director of revenue  
86 may require the employer to file a new financial assurance instrument in the  
87 same form and amount. If such new financial assurance instrument shall be  
88 furnished by such employer as above provided, the director of revenue shall upon  
89 satisfaction of any liability that has accrued, release the surety on the old bond  
90 or financial institution issuing the irrevocable letter of credit.

91         7. Any surety on any bond or financial institution issuing an irrevocable  
92 letter of credit furnished by any transient employer as provided in this section  
93 shall be released and discharged from any and all liability to the state of Missouri  
94 accruing on such bond or irrevocable letter of credit after the expiration of sixty  
95 days from the date upon which such surety or financial institution shall have  
96 lodged with the director of revenue a written request to be released and  
97 discharged; but the request shall not operate to relieve, release or discharge such  
98 surety or financial institution from any liability already accrued or which shall  
99 accrue during and before the expiration of said sixty-day period. The director of  
100 revenue shall promptly on receipt of notice of such request notify the employer  
101 who furnished such bond or irrevocable letter of credit and such employer shall  
102 on or before the expiration of such sixty-day period file with the director of  
103 revenue a new financial assurance instrument satisfactory to the director of  
104 revenue in the amount and form provided in this section.

105         8. Notwithstanding the limitation as to the amount of any financial

106 assurance instrument fixed by this section, if a transient employer becomes  
107 delinquent in the payment of any tax or tenders a check in payment of tax which  
108 check is returned unpaid because of insufficient funds, the director may demand  
109 an additional instrument of such employer in an amount necessary, in the  
110 judgment of the director, to protect the revenue of the state. The penal sum of  
111 the additional instrument and the instrument furnished under the provisions of  
112 the law requiring such instrument may not exceed two quarters' estimated tax  
113 liability.

114 9. For any period when a transient employer fails to meet the  
115 requirements of this section, there shall be added to any deficiency assessed  
116 against a transient employer, in addition to any other addition, interest, and  
117 penalties, an amount equal to twenty-five percent of the deficiency.

118 10. A taxpayer commits the crime of failure to file a financial assurance  
119 instrument if he knowingly fails to comply with the provisions of this section.

120 11. Failure to file a financial assurance instrument is a class A  
121 misdemeanor. Pursuant to section 560.021, a corporation found guilty of failing  
122 to file a financial assurance instrument may be fined up to five thousand dollars  
123 or any higher amount not exceeding twice the amount the employer profited from  
124 the commission of the offense.

125 12. Failing to register with the department of revenue and execute the  
126 financial assurance instrument herein provided, prior to beginning the  
127 performance of any contract, shall prohibit the employer from performing on such  
128 contract until he complies with such requirements.

129 13. Each employer shall keep full and accurate records clearly indicating  
130 the names, occupations, and crafts, if applicable, of every person employed by him  
131 together with an accurate record of the number of hours worked by each employee  
132 and the actual wages paid. The payroll records required to be so kept shall be  
133 open to inspection by any authorized representative of the department of revenue  
134 at any reasonable time and as often as may be necessary and such records shall  
135 not be destroyed or removed from the state for a period of one year following the  
136 completion of the contract in connection with which the records are made.

137 14. The entering into of any contract for the performance of work in the  
138 state of Missouri by any such employer shall be deemed to constitute an  
139 appointment of the secretary of state as registered agent of such employer for  
140 purposes of accepting service of any process, or of any notice or demand required  
141 or permitted by law. The service of any such process, notice or demand, when

142 served on the secretary of state shall have the same legal force and validity as if  
143 served upon the employer personally within the state.

144 15. In addition, any employer who fails to file a financial assurance  
145 instrument as required by this section shall be prohibited from contracting for or  
146 performing labor on any public works project in this state for a period of one year.

147 16. Whenever a transient employer ceases to engage in activity within the  
148 state it shall be the duty of such transient employer to notify the director of  
149 revenue in writing at least ten days prior to the time the discontinuance takes  
150 effect.

151 **17. The provisions of this section shall not apply to out-of-state**  
152 **businesses operating under sections 190.270 to 190.285.**

285.232. 1. Subject to the provisions of section 285.230, any county, city,  
2 town, village or any other political subdivision which requires a building permit  
3 for a person to perform certain construction projects shall require a transient  
4 employer to show proof that the employer has been issued a tax clearance and has  
5 filed a financial assurance instrument as required by section 285.230 before such  
6 entity issues a building permit to the transient employer. If any transient  
7 employer obtains a building permit without providing such proof, provides a  
8 fraudulently obtained tax clearance or a fraudulent financial assurance  
9 instrument or through any misrepresentation or any other fraudulent act or in  
10 any way violates the provisions of sections 285.230 to 285.234, the Missouri  
11 department of revenue shall request a temporary restraining order or seek  
12 injunctive relief to immediately prohibit further performance of work by the  
13 transient employer on such contract or project. The court may direct that any  
14 payments due such transient employer be equitably distributed in satisfaction of  
15 the transient employer's obligations pursuant to sections 285.230 to  
16 285.234. Upon issuance of such order by a court of competent jurisdiction, the  
17 person for whom the work is being performed may engage another contractor as  
18 provided by law or any provision of contract and the person shall not be deemed  
19 to be in violation of the contract with such transient employer removed by the  
20 court. Nothing in this section shall be construed to create or constitute a liability  
21 to or a cause of action against a city or county in regard to the issuance of any  
22 license pursuant to this section.

23 2. Any contractor for private or public construction work in this state  
24 which contracts with or otherwise engages a subcontractor, which is deemed a  
25 transient employer as defined in section 285.230, to perform any portion of such

26 work, shall require such subcontractor to show proof of having filed a financial  
27 assurance instrument with the director of revenue as required by section 285.230  
28 and to show proof that the subcontractor holds a current valid certificate of  
29 insurance for workers' compensation coverage in this state, prior to the  
30 subcontractor performing any work on the project. If the subcontractor is  
31 self-insured for purposes of workers' compensation, the contractor shall require  
32 proof that such self-insurance by the subcontractor has been approved by the  
33 division of workers' compensation. The contractor shall not allow the  
34 subcontractor to perform on such contract until proof of compliance as required  
35 by this section has been provided to the contractor. If a subcontractor which is  
36 deemed to be a transient employer has previously submitted proof of compliance  
37 as required by this section to a state agency or political subdivision for which the  
38 contract is being performed as a condition of being qualified to perform work for  
39 such agency or political subdivision, the general contractor shall not be required  
40 to obtain the proofs required by this section. If at any time prior to final payment  
41 to a subcontractor for work performed on a project, a contractor is notified in  
42 writing by the director of revenue or the director of the division of workers'  
43 compensation that a subcontractor is in violation of sections 285.230 to 285.234,  
44 the contractor shall withhold all or part of any payment to the subcontractor  
45 under the contract for payment in satisfaction of the subcontractor's obligations  
46 as a transient employer if so directed by the director of revenue or the director  
47 of the division of workers' compensation. Any contractor withholding payment  
48 and paying such funds in satisfaction of the subcontractor's obligations as a  
49 transient employer if so directed by the director of revenue or the director of the  
50 division of workers' compensation. Any contractor withholding payment and  
51 paying such funds in satisfaction of the subcontractor's obligations as a transient  
52 employer shall be deemed in compliance with the contract with the subcontractor  
53 to the extent of the amount paid to fulfill such obligation and with the laws of  
54 this state regarding timely payment under construction contracts and shall not  
55 be subject to any civil or criminal penalty for withholding such payment.

56         3. Notwithstanding the provision of section 32.057, the Missouri  
57 department of revenue shall at least quarterly submit for publication in the  
58 Missouri Register a list of construction contractors performing work on  
59 construction projects in Missouri who are known by the department to be deemed  
60 transient employers pursuant to section 285.230. The department shall also  
61 update such list monthly and make such list available upon request without cost

62 to any person.

63 **4. The provisions of this section shall not apply to out-of-state**  
64 **businesses operating under sections 190.270 to 190.285.**

285.233. 1. Any transient employer, as defined in this chapter, failing to  
2 conclusively show at any time that he has complied with the provisions of section  
3 285.230, relating to the filing of a financial assurance instrument, shall, before  
4 beginning performance on any contract made with a political subdivision, deposit  
5 with that political subdivision an amount equal to twenty percent of labor costs  
6 as specified in such contract which will be held in escrow by the political  
7 subdivision and payable only to the department of revenue, the division of  
8 employment security or the division of workers' compensation after the actual  
9 amount of tax liability is determined. In the event that labor costs are not  
10 separately stated in the contract, the amount to be held in escrow shall be ten  
11 percent of the contract amount. Any amount remaining in the escrow fund after  
12 payments are made shall be refunded to the contractor. Failure of a political  
13 subdivision to properly escrow funds required under this section will make it  
14 ineligible to receive state funds for public works projects for a period of one year  
15 from the date the infraction is discovered.

16 2. Any transient employer failing to conclusively show at any time that  
17 he has complied with the provisions of section 285.230, relating to the filing of a  
18 financial assurance instrument, shall, before beginning performance on any  
19 contract made with a private entity deposit with that private entity an amount  
20 equal to twenty percent of labor costs as specified in such contract which will be  
21 held in escrow by the private entity and payable only to the department of  
22 revenue, the division of employment security or the division of workers'  
23 compensation after the actual amount of tax liability is determined. In the event  
24 that labor costs are not separately stated in the contract, the amount to be held  
25 in escrow shall be ten percent of the contract amount. Any amount remaining in  
26 the escrow fund after payments are made shall be refunded to the  
27 contractor. Failure of a private entity to properly escrow funds required under  
28 this section shall make such entity liable for the full amount of the state  
29 withholding, workers' compensation, and employment security tax liability  
30 resulting from the transient employers' contract with that private entity.

31 3. In addition to any other penalty, interest, or remedy imposed by this  
32 section, any transient employer that fails to post a financial assurance  
33 instrument or escrow funds as provided for in this section shall be subject to a

34 writ of attachment as provided for in chapter 521 or any other injunctive relief  
35 provided for by law.

36 **4. The provisions of this section shall not apply to out-of-state**  
37 **businesses or out-of-state employees operating under sections 190.270**  
38 **to 190.285.**

285.234. 1. Every transient employer, as defined in section 285.230 shall  
2 post in a prominent and easily accessible place at the work site a clearly legible  
3 copy of the following:

4 (1) The notice of registration for employer withholding issued to such  
5 transient employer by the director of revenue;

6 (2) Proof of coverage for workers' compensation insurance or  
7 self-insurance signed by the transient employer and verified by the department  
8 of revenue through the records of the division of workers' compensation; and

9 (3) The notice of registration for unemployment insurance issued to such  
10 transient employer by the division of employment security.

11 2. Any transient employer failing to comply with the provisions of this  
12 section shall be liable for a penalty of five hundred dollars per day until the  
13 notices required by this section are posted as provided by this section.

14 **3. The provisions of this section shall not apply to out-of-state**  
15 **businesses operating under sections 190.270 to 190.285.**

304.180. 1. No vehicle or combination of vehicles shall be moved or  
2 operated on any highway in this state having a greater weight than twenty  
3 thousand pounds on one axle, no combination of vehicles operated by transporters  
4 of general freight over regular routes as defined in section 390.020 shall be moved  
5 or operated on any highway of this state having a greater weight than the vehicle  
6 manufacturer's rating on a steering axle with the maximum weight not to exceed  
7 twelve thousand pounds on a steering axle, and no vehicle shall be moved or  
8 operated on any state highway of this state having a greater weight than  
9 thirty-four thousand pounds on any tandem axle; the term "tandem axle" shall  
10 mean a group of two or more axles, arranged one behind another, the distance  
11 between the extremes of which is more than forty inches and not more than  
12 ninety-six inches apart.

13 2. An "axle load" is defined as the total load transmitted to the road by  
14 all wheels whose centers are included between two parallel transverse vertical  
15 planes forty inches apart, extending across the full width of the vehicle.

16 3. Subject to the limit upon the weight imposed upon a highway of this

17 state through any one axle or on any tandem axle, the total gross weight with  
 18 load imposed by any group of two or more consecutive axles of any vehicle or  
 19 combination of vehicles shall not exceed the maximum load in pounds as set forth  
 20 in the following table:

81 Notwithstanding the above table, two consecutive sets of tandem axles may carry

82 a gross load of thirty-four thousand pounds each if the overall distance between  
83 the first and last axles of such consecutive sets of tandem axles is thirty-six feet  
84 or more.

85 4. Whenever the state highways and transportation commission finds that  
86 any state highway bridge in the state is in such a condition that use of such  
87 bridge by vehicles of the weights specified in subsection 3 of this section will  
88 endanger the bridge, or the users of the bridge, the commission may establish  
89 maximum weight limits and speed limits for vehicles using such bridge. The  
90 governing body of any city or county may grant authority by act or ordinance to  
91 the state highways and transportation commission to enact the limitations  
92 established in this section on those roadways within the purview of such city or  
93 county. Notice of the weight limits and speed limits established by the  
94 commission shall be given by posting signs at a conspicuous place at each end of  
95 any such bridge.

96 5. Nothing in this section shall be construed as permitting lawful axle  
97 loads, tandem axle loads or gross loads in excess of those permitted under the  
98 provisions of Section 127 of Title 23 of the United States Code.

99 6. Notwithstanding the weight limitations contained in this section, any  
100 vehicle or combination of vehicles operating on highways other than the interstate  
101 highway system may exceed single axle, tandem axle and gross weight limitations  
102 in an amount not to exceed two thousand pounds. However, total gross weight  
103 shall not exceed eighty thousand pounds, except as provided in subsections 9 and  
104 10 of this section.

105 7. Notwithstanding any provision of this section to the contrary, the  
106 department of transportation shall issue a single-use special permit, or upon  
107 request of the owner of the truck or equipment, shall issue an annual permit, for  
108 the transporting of any concrete pump truck or well-drillers' equipment. The  
109 department of transportation shall set fees for the issuance of permits pursuant  
110 to this subsection. Notwithstanding the provisions of section 301.133, concrete  
111 pump trucks or well-drillers' equipment may be operated on state-maintained  
112 roads and highways at any time on any day.

113 8. Notwithstanding the provision of this section to the contrary, the  
114 maximum gross vehicle limit and axle weight limit for any vehicle or combination  
115 of vehicles equipped with an idle reduction technology may be increased by a  
116 quantity necessary to compensate for the additional weight of the idle reduction  
117 system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the

118 additional weight increase allowed by this subsection be greater than five  
119 hundred fifty pounds. Upon request by an appropriate law enforcement officer,  
120 the vehicle operator shall provide proof that the idle reduction technology is fully  
121 functional at all times and that the gross weight increase is not used for any  
122 purpose other than for the use of idle reduction technology.

123           9. Notwithstanding subsection 3 of this section or any other provision of  
124 law to the contrary, the total gross weight of any vehicle or combination of  
125 vehicles hauling livestock may be as much as, but shall not exceed, eighty-five  
126 thousand five hundred pounds while operating on U.S. Highway 36 from St.  
127 Joseph to U.S. Highway 63, on U.S. Highway 65 from the Iowa state line to U.S.  
128 Highway 36, and on U.S. Highway 63 from the Iowa state line to U.S. Highway  
129 36, and on U.S. Highway 63 from U.S. Highway 36 to Missouri Route 17. The  
130 provisions of this subsection shall not apply to vehicles operated on the Dwight  
131 D. Eisenhower System of Interstate and Defense Highways.

132           10. Notwithstanding any provision of this section or any other law to the  
133 contrary, the total gross weight of any vehicle or combination of vehicles hauling  
134 milk from a farm to a processing facility may be as much as, but shall not exceed,  
135 eighty-five thousand five hundred pounds while operating on highways other than  
136 the interstate highway system. The provisions of this subsection shall not apply  
137 to vehicles operated and operating on the Dwight D. Eisenhower System of  
138 Interstate and Defense Highways.

139           **11. Notwithstanding any provision of this section or any other**  
140 **law to the contrary, the department of transportation shall issue**  
141 **emergency utility response permits for the transporting of utility wires**  
142 **or cables, poles, and equipment needed for repair work immediately**  
143 **following a disaster where utility service has been disrupted. Under**  
144 **exigent circumstances, verbal approval of such operation may be made**  
145 **either by the motor carrier compliance supervisor or other designated**  
146 **motor carrier services representative. Utility vehicles and equipment**  
147 **used to assist utility companies granted special permits under this**  
148 **subsection may be operated and transported on state-maintained roads**  
149 **and highways at any time on any day. The department of**  
150 **transportation shall promulgate all necessary rules and regulations for**  
151 **the administration of this section. Any rule or portion of a rule, as that**  
152 **term is defined in section 536.010, that is created under the authority**  
153 **delegated in this section shall become effective only if it complies with**

154 **and is subject to all of the provisions of chapter 536 and, if applicable,**  
155 **section 536.028. This section and chapter 536 are nonseverable and if**  
156 **any of the powers vested with the general assembly pursuant to chapter**  
157 **536 to review, to delay the effective date, or to disapprove and annul a**  
158 **rule are subsequently held unconstitutional, then the grant of**  
159 **rulemaking authority and any rule proposed or adopted after August**  
160 **28, 2014, shall be invalid and void.**
