(2) "Business" includes any activity engaged in by any person, or caused to be engaged in by him, with the object of gain, benefit or advantage, either direct or indirect, and the classification of which business is of such character as to be subject to the terms of sections 144.010 to 144.525. A person is "engaging in business" in this state for purposes of sections 144.010 to 144.525 if such person "engages in business in this state" or "maintains a place of business in

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

14 this state" under section 144.605. The isolated or occasional sale of tangible
15 personal property, service, substance, or thing, by a person not engaged in such
16 business, does not constitute engaging in business within the meaning of sections
17 144.010 to 144.525 unless the total amount of the gross receipts from such sales,
18 exclusive of receipts from the sale of tangible personal property by persons which
19 property is sold in the course of the partial or complete liquidation of a
20 household, farm or nonbusiness enterprise, exceeds three thousand dollars in any
21 calendar year. The provisions of this subdivision shall not be construed to make

33 received in money or otherwise; except that, the term "gross receipts" shall not
34 include the sale price of property returned by customers when the full sale price
35 thereof is refunded either in cash or by credit. In determining any tax due under
36 sections 144.010 to 144.525 on the gross receipts, charges incident to the
37 extension of credit shall be specifically exempted. For the purposes of sections
38 144.010 to 144.525 the total amount of the sale price above mentioned shall be
39 deemed to be the amount received. It shall also include the lease or rental
40 consideration where the right to continuous possession or use of any article of
41 tangible personal property is granted under a lease or contract and such transfer
42 of possession would be taxable if outright sale were made and, in such cases, the
43 same shall be taxable as if outright sale were made and considered as a sale of
44 such article, and the tax shall be computed and paid by the lessee upon the
45 rentals paid;

47 limited to, ostrich and emu, aquatic products as defined in section 277.024,

63 well as the singular number;

82 (11) "Sale at retail" means any transfer made by any person engaged in
83 business as defined herein of the ownership of, or title to, tangible personal
84 property to the purchaser, for use or consumption and not for resale in any form
85 as tangible personal property, for a valuable consideration; except that, for the

86 purposes of sections 144.010 to 144.525 and the tax imposed thereby: (i)
87 purchases of tangible personal property made by duly licensed physicians,
88 dentists, optometrists and veterinarians and used in the practice of their
89 professions shall be deemed to be purchases for use or consumption and not for
90 resale; and (ii) the selling of computer printouts, computer output or microfilm
