AN ACT

To repeal sections 143.011, 143.021, and 143.151, RSMo, and to enact in lieu thereof four new sections relating to income taxes.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 143.011, 143.021, and 143.151, RSMo, are repealed and four new sections enacted in lieu thereof, to be known as sections 143.011, 143.021, 143.022, and 143.151, to read as follows:

143.011. 1. A tax is hereby imposed for every taxable year on the Missouri taxable income of every resident. The tax shall be determined by applying the tax table or the rate provided in section 143.021, which is based upon the following rates:

### Section 2

1. Beginning with the 2017 calendar year, the top rate of tax under subsection 1 of this section may be reduced over a period of years. Each reduction in the top rate of tax shall be by one-tenth of a percent and no more than one reduction shall occur in a calendar year. The top rate of tax shall not be reduced below five and one-half percent. Reductions in the rate of tax shall take effect on January first of a calendar year and such reduced rates shall continue in effect until the next reduction occurs.

2. A reduction in the rate of tax shall only occur if the amount of net general revenue collected in the previous fiscal year exceeds the highest amount of net general revenue collected in any of the three fiscal years prior to such fiscal year by at least one hundred fifty million dollars.

3. Any modification of tax rates under this subsection shall only apply to tax years that begin on or after a modification takes effect.

4. The director of the department of revenue shall, by rule, adjust the tax tables under subsection 1 of this section to effectuate the provisions of this subsection. The bracket for income subject to the top rate of tax shall be eliminated once the top rate of tax has been reduced to five and one-half of a percent.

### Section 3

1. Beginning with the 2017 calendar year, the brackets of Missouri taxable income identified in subsection 1 of this section shall be adjusted annually by the percent increase in inflation. The director shall publish such brackets annually beginning on or after October 1, 2016. Modifications to the brackets shall take effect on January first of each calendar year and shall apply to tax years beginning on or after the effective date of the new brackets.

### Section 4

1. "Percent increase in inflation", the percentage, if any, by
which the CPI for the preceding calendar year exceeds the CPI for the
year beginning September 1, 2014, and ending August 31, 2015;
(2) "CPI for the preceding calendar year", the average of the CPI
as of the close of the twelve month period ending on August thirty-first
of such calendar year;
(3) "CPI", the Consumer Price Index for All Urban Consumers for
the United States as reported by the Bureau of Labor Statistics, or its
successor index.

143.021. Every resident having a taxable income [of less than nine
thousand dollars] shall determine his or her tax from [a tax table prescribed by
the director of revenue and based upon] the rates provided in section
143.011. [The tax table shall be on the basis of one hundred dollar increments
of taxable income below nine thousand dollars. The tax provided in the table
shall be the amount rounded to the nearest whole dollar by applying the rates in
section 143.011 to the taxable income at the midpoint of each increment, except]
There shall be no tax on a taxable income of less than one hundred
dollars. [Every resident having a taxable income of nine thousand dollars or
more shall determine his tax from the rate provided in section 143.011.]

143.022. 1. As used in this section, "business income" means the
income greater than zero arising from transactions in the regular
course of all of a taxpayer's trade or business and shall be limited to
the Missouri source net profit from the combination of the following:
(1) The total combined profit as properly reported to the Internal
Revenue Service on each Schedule C, or its successor form, filed; and
(2) The total partnership and S corporation income or loss
properly reported to the Internal Revenue Service on Part II of
Schedule E, or its successor form.

2. In addition to all other modifications allowed by law, there
shall be subtracted from the federal adjusted gross income of an
individual taxpayer a percentage of such individual's business income,
to the extent that such amounts are included in federal adjusted gross
income when determining such individual's Missouri adjusted gross
income.

3. In the case of an S corporation described in section 143.471 or
a partnership, computing the deduction allowed under subsection 2 of
this section, taxpayers described in subdivisions (1) or (2) of this
subsection shall be allowed such deduction apportioned in proportion
to their share of ownership of the business as reported on the taxpayer's schedule K-1, or its successor form, for the tax period for which such deduction is being claimed when determining the Missouri adjusted gross income of:

(1) The shareholders of an S corporation as described in section 143.471;

(2) The partners in a partnership.

4. The percentage to be subtracted under subsection 2 of this section shall be increased over a period of years. Each increase in the percentage shall be by five percent and no more than one increase shall occur in a calendar year. The maximum percentage that may be subtracted is twenty-five percent of business income. Any increase in the percentage that may be subtracted shall take effect on January first of a calendar year and such percentage shall continue in effect until the next percentage increase occurs. An increase shall only apply to tax years that begin on or after the increase takes effect.

5. An increase in the percentage that may be subtracted under subsection 2 of this section shall only occur if the amount of net general revenue collected in the previous fiscal year exceeds the highest amount of net general revenue collected in any of the three fiscal years prior to such fiscal year by at least one hundred fifty million dollars.

6. The first year that a taxpayer may make the subtraction under subsection 2 of this section is 2017, provided that the provisions of subsection 5 of this section are met. If the provisions of subsection 5 of this section are met, the percentage that may be subtracted in 2017 is five percent.

143.151. For all taxable years beginning before January 1, 1999, a resident shall be allowed a deduction of one thousand two hundred dollars for himself or herself and one thousand two hundred dollars for his or her spouse if he or she is entitled to a deduction for such personal exemptions for federal income tax purposes. For all taxable years beginning on or after January 1, 1999, a resident shall be allowed a deduction of two thousand one hundred dollars for himself or herself and two thousand one hundred dollars for his or her spouse if he or she is entitled to a deduction for such personal exemptions for federal income tax purposes. For all tax years beginning on or after January 1, 2017, a resident with a Missouri adjusted gross income of less than
twenty thousand dollars shall be allowed an additional deduction of
five hundred dollars for himself or herself and an additional five
hundred dollars for his or her spouse if he or she is entitled to a
deduction for such personal exemptions for federal income tax
purposes and his or her spouse's Missouri adjusted gross income is less
than twenty thousand dollars.
