AN ACT
To amend chapter 376, RSMo, by adding thereto one new section relating to insurance for dental services.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 376, RSMo, is amended by adding thereto one new section, to be known as section 376.1060, to read as follows:

376.1060. 1. As used in this section, the following terms shall mean:

(1) "Contracting entity", any person or entity that is engaged in the act of contracting with providers for the delivery of dental services or the selling or assigning of dental network plans to other health care entities;

(2) "Identify", providing in writing, by email or otherwise, to the participating provider the name, address, and telephone number, to the extent possible, for any third party to which the contracting entity has granted access to the health care services of the participating provider;

(3) "Network plan", health insurance coverage offered by a health insurance issuer under which the financing and delivery of dental services are provided in whole or in part through a defined set of participating providers under contract with the health insurance issuer;

(4) "Participating provider", a provider who, under a contract with a contracting entity, has agreed to provide dental services with an expectation of receiving payment, other than coinsurance, copayments
or deductibles, directly or indirectly from the contracting entity;

(5) "Provider", any person licensed under section 332.071.

2. A contracting entity shall not sell, assign, or otherwise grant
access to the dental services of a participating provider under a health
care contract unless expressly authorized by the health care
contract. The health care contract shall specifically provide that one
purpose of the contract is the selling, assigning, or giving the
contracting entity rights to the services of the participating provider,
including network plans.

3. Upon entering a contract with a participating provider and
upon request by a participating provider, a contracting entity shall
properly identify any third party that has been granted access to the
dental services of the participating provider.

4. A contracting entity that sells, assigns, or otherwise grants
access to the dental services of a participating provider shall maintain
an internet website or a toll-free telephone number through which the
participating provider may obtain information which identifies the
insurance carrier to be used to reimburse the participating provider
for the covered dental services.

5. A contracting entity that sells, assigns, or otherwise grants
access to a participating provider's dental services shall ensure that an
explanation of benefits or remittance advice furnished to the
participating provider that delivers dental services under the health
care contract identifies the contractual source of any applicable
discount.

6. All third parties that have contracted with a contracting entity
to purchase, be assigned, or otherwise be granted access to the
participating provider's discounted rate shall comply with the
participating provider's contract, including all requirements to
encourage access to the participating provider, and pay the
participating provider pursuant to the rates of payment and
methodology set forth in that contract, unless otherwise agreed to by
a participating provider.

7. A contracting entity is deemed in compliance with this section
when the insured's identification card provides information which
identifies the insurance carrier to be used to reimburse the
participating provider for the covered dental services.
