4. The department of elementary and secondary education may promulgate rules and regulations to implement this section.

5. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This

11 3. By July 1, 2016, the department of elementary and secondary
12 education shall develop a model policy that districts may adopt. When

15 suicide awareness and prevention. By July 1, 2020, and every three
16 years thereafter, the department shall request information and seek
