To repeal sections 301.140, 301.190, and 407.581, RSMo, and to enact in lieu thereof three new sections relating to the ownership of motor vehicles.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 301.140, 301.190, and 407.581, RSMo, are repealed 2 and three new sections enacted in lieu thereof, to be known as sections 301.140, 3 301.190, and 301.213, to read as follows:

301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, $\mathbf{2}$ the certificate of registration and the right to use the number plates shall expire 3 and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to 4 5whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable 6 purposes; except that the buyer of a motor vehicle or trailer who trades in a motor 7 8 vehicle or trailer may attach the license plates from the traded-in motor vehicle 9 or trailer to the newly purchased motor vehicle or trailer. The operation of a 10 motor vehicle with such transferred plates shall be lawful for no more than thirty days, or no more than ninety days if the dealer is selling the motor 11 12vehicle under the provisions of section 301.213. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle 13 or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as 14 15the license plates for the trade-in motor vehicle or trailer are still valid.

16 2. In the case of a transfer of ownership the original owner may register 17another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a 18 passenger-carrying commercial motor vehicle) seating capacity, not in excess of 19 20 that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) 2122seating capacity, for which a greater fee is prescribed, applicant shall pay a 23transfer fee of two dollars and a pro rata portion for the difference in fees. When 24such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying 25commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, 26applicant shall not be entitled to a refund.

273. License plates may be transferred from a motor vehicle which will no 28longer be operated to a newly purchased motor vehicle by the owner of such 29vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased 30 vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle 3132which will no longer be operated. When the newly purchased motor vehicle is of 33 greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, 34the applicant shall pay a transfer fee of two dollars and a pro rata portion of the 3536 difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating 37 38 capacity, for which a lesser fee is prescribed, the applicant shall not be entitled 39 to a refund.

40 4. The director of the department of revenue shall have authority to produce or allow others to produce a weather resistant, nontearing temporary 41 permit authorizing the operation of a motor vehicle or trailer by a buyer for not 42more than thirty days, or no more than ninety days if issued by a dealer 43selling the motor vehicle under the provisions of section 301.213, from 44 the date of purchase. The temporary permit authorized under this section may 45be purchased by the purchaser of a motor vehicle or trailer from the central office 46 of the department of revenue or from an authorized agent of the department of 4748 revenue upon proof of purchase of a motor vehicle or trailer for which the buyer 49 has no registration plate available for transfer and upon proof of financial 50responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle 51or trailer for which the buyer has no registration plate available for transfer, or

 $\mathbf{2}$

52from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which 53the buyer has registered and is awaiting receipt of registration plates. The 54director of the department of revenue or a producer authorized by the director of the department of revenue may make temporary permits available to registered 55dealers in this state, authorized agents of the department of revenue or the 56department of revenue. The price paid by a motor vehicle dealer, an authorized 57 agent of the department of revenue or the department of revenue for a temporary 5859permit shall not exceed five dollars for each permit. The director of the department of revenue shall direct motor vehicle dealers and authorized agents 60 61 to obtain temporary permits from an authorized producer. Amounts received by 62 the director of the department of revenue for temporary permits shall constitute 63 state revenue; however, amounts received by an authorized producer other than 64 the director of the department of revenue shall not constitute state revenue and 65 any amounts received by motor vehicle dealers or authorized agents for temporary 66 permits purchased from a producer other than the director of the department of revenue shall not constitute state revenue. In no event shall revenues from the 67 68 general revenue fund or any other state fund be utilized to compensate motor vehicle dealers or other producers for their role in producing temporary permits 69 70as authorized under this section. Amounts that do not constitute state revenue under this section shall also not constitute fees for registration or certificates of 7172title to be collected by the director of the department of revenue under section 73301.190. No motor vehicle dealer, authorized agent or the department of revenue 74shall charge more than five dollars for each permit issued. The permit shall be 75valid for a period of thirty days, or no more than ninety days if issued by a dealer selling the motor vehicle under the provisions of section 76 77 301.213, from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a motor vehicle dealer for which the 78purchaser obtains a permit as set out above. No permit shall be issued for a 79vehicle under this section unless the buyer shows proof of financial 80 responsibility. Each temporary permit issued shall be securely fastened to the 81 back or rear of the motor vehicle in a manner and place on the motor vehicle 82 83 consistent with registration plates so that all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably clean and are not 84 85 impaired in any way.

5. The permit shall be issued on a form prescribed by the director of the department of revenue and issued only for the applicant's temporary operation 88 of the motor vehicle or trailer purchased to enable the applicant to temporarily 89 operate the motor vehicle while proper title and registration plates are being obtained, or while awaiting receipt of registration plates, and shall be displayed 90 on no other motor vehicle. Temporary permits issued pursuant to this section 9192 shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director of the 93 department of revenue shall determine the size, material, design, numbering 94 configuration, construction, and color of the permit. The director of the 95 96 department of revenue, at his or her discretion, shall have the authority to 97 reissue, and thereby extend the use of, a temporary permit previously and legally 98 issued for a motor vehicle or trailer while proper title and registration are being 99 obtained.

100 6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by proper officers, an accurate record of each permit issued by 101 102recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle 103 104 identification number, and the permit's date of issuance and expiration date. Upon the issuance of a temporary permit by either the central office of the 105106 department of revenue, a motor vehicle dealer or an authorized agent of the 107 department of revenue, the director of the department of revenue shall make the 108 information associated with the issued temporary permit immediately available to the law enforcement community of the state of Missouri. 109

110 7. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of 111 112motor vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original 113registration fee against the registration fee of another motor vehicle. Such credit 114 shall be granted based upon the date the license plates are surrendered. No 115refunds shall be made on the unused portion of any license plates surrendered for 116 117such credit.

118 8. The provisions of subsections 4, 5, and 6 of this section shall expire 119 July 1, 2019.

9. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the

124vehicle's rear window such that the driver's view out of the rear window is not 125obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs 126 127 the view of the actual plate. Such temporary plate is only authorized for use 128when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall 129130 be equal to the fee charged for a temporary permit issued under subsection 4 of 131 this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a 132temporary permit under subsection 4 of this section. The newly produced third 133134 plate may only be used on the vehicle with the matching plate, and the additional 135plate shall be clearly recognizable as a third plate and only used for the purpose 136 specified in this subsection.

13710. Notwithstanding the provisions of section 301.127, the director may 138 issue a temporary permit to an individual who possesses a salvage motor vehicle 139which requires an inspection under subsection 9 of section 301.190. The 140operation of a salvage motor vehicle for which the permit has been issued shall be limited to the most direct route from the residence, maintenance, or storage 141 facility of the individual in possession of such motor vehicle to the nearest 142143authorized inspection facility and return to the originating 144location. Notwithstanding any other requirements for the issuance of a temporary permit under this section, an individual obtaining a temporary permit 145146 for the purpose of operating a motor vehicle to and from an examination facility 147as prescribed in this subsection shall also purchase the required motor vehicle examination form which is required to be completed for an examination under 148 subsection 9 of section 301.190 and provide satisfactory evidence that such vehicle 149has passed a motor vehicle safety inspection for such vehicle as required in 150section 307.350. 151

15211. The director of the department of revenue may promulgate all 153necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created 154155under the authority delegated in this section shall become effective only if it 156complies with and is subject to all of the provisions of chapter 536 and, if 157applicable, section 536.028. This section and chapter 536 are nonseverable and 158if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are 159

subsequently held unconstitutional, then the grant of rulemaking authority andany rule proposed or adopted after August 28, 2012, shall be invalid and void.

162 12. The repeal and reenactment of this section shall become effective on 163 the date the department of revenue or a producer authorized by the director of 164 the department of revenue begins producing temporary permits described in 165 subsection 4 of such section, or on July 1, 2013, whichever occurs first. If the 166 director of revenue or a producer authorized by the director of the department of 167 revenue begins producing temporary permits prior to July 1, 2013, the director 168 of the department of revenue shall notify the revisor of statutes of such fact.

301.190. 1. No certificate of registration of any motor vehicle or trailer, $\mathbf{2}$ or number plate therefor, shall be issued by the director of revenue unless the 3 applicant therefor shall make application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall present satisfactory evidence 4 that such certificate has been previously issued to the applicant for such motor 5vehicle or trailer. Application shall be made within thirty days after the 6 applicant acquires the motor vehicle or trailer, unless the motor vehicle was 7 8 acquired under section 301.213 in which case the applicant shall make 9 application within thirty days after receiving title from the dealer, upon 10 a blank form furnished by the director of revenue and shall contain the 11 applicant's identification number, a full description of the motor vehicle or trailer, the vehicle identification number, and the mileage registered on the odometer at 12the time of transfer of ownership, as required by section 407.536, together with 1314 a statement of the applicant's source of title and of any liens or encumbrances on 15the motor vehicle or trailer, provided that for good cause shown the director of revenue may extend the period of time for making such application. When an 16owner wants to add or delete a name or names on an application for certificate 17of ownership of a motor vehicle or trailer that would cause it to be inconsistent 18 with the name or names listed on the notice of lien, the owner shall provide the 19 20director with documentation evidencing the lienholder's authorization to add or 21delete a name or names on an application for certificate of ownership.

22 2. The director of revenue shall use reasonable diligence in ascertaining 23 whether the facts stated in such application are true and shall, to the extent 24 possible without substantially delaying processing of the application, review any 25 odometer information pertaining to such motor vehicle that is accessible to the 26 director of revenue. If satisfied that the applicant is the lawful owner of such 27 motor vehicle or trailer, or otherwise entitled to have the same registered in his

28name, the director shall thereupon issue an appropriate certificate over his 29signature and sealed with the seal of his office, procured and used for such purpose. The certificate shall contain on its face a complete description, vehicle 30 identification number, and other evidence of identification of the motor vehicle 31 32or trailer, as the director of revenue may deem necessary, together with the odometer information required to be put on the face of the certificate pursuant to 33 section 407.536, a statement of any liens or encumbrances which the application 34may show to be thereon, and, if ownership of the vehicle has been transferred, the 35name of the state issuing the transferor's title and whether the transferor's 36 37 odometer mileage statement executed pursuant to section 407.536 indicated that 38 the true mileage is materially different from the number of miles shown on the 39 odometer, or is unknown.

40 3. The director of revenue shall appropriately designate on the current and all subsequent issues of the certificate the words "Reconstructed Motor 41 Vehicle", "Motor Change Vehicle", "Specially Constructed Motor Vehicle", or 42"Non-USA-Std Motor Vehicle", as defined in section 301.010. Effective July 1, 43 441990, on all original and all subsequent issues of the certificate for motor vehicles as referenced in subsections 2 and 3 of section 301.020, the director shall print 4546 on the face thereof the following designation: "Annual odometer updates may be available from the department of revenue.". On any duplicate certificate, the 4748 director of revenue shall reprint on the face thereof the most recent of either:

(1) The mileage information included on the face of the immediately prior
certificate and the date of purchase or issuance of the immediately prior
certificate; or

52 (2) Any other mileage information provided to the director of revenue, and 53 the date the director obtained or recorded that information.

4. The certificate of ownership issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection. In order to carry out the requirements of this subsection, the director of revenue may contract with a nonprofit scientific or educational institution specializing in the analysis of secure documents to determine the most effective methods of rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

5. The fee for each original certificate so issued shall be eight dollars and
fifty cents, in addition to the fee for registration of such motor vehicle or trailer.
If application for the certificate is not made within thirty days after the vehicle

is acquired by the applicant, or where the motor vehicle was acquired 64 under section 301.213 and the applicant fails to make application 65 within thirty days after receiving title from the dealer, a delinquency 66 penalty fee of twenty-five dollars for the first thirty days of delinquency and 67 68 twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be waived by the director for 69 a good cause shown. If the director of revenue learns that any person has failed 70 to obtain a certificate within thirty days after acquiring a motor vehicle or trailer, 71or where the motor vehicle was acquired under section 301.213 and the 7273applicant fails to make application within thirty days after receiving title from the dealer, or has sold a vehicle without obtaining a certificate, he 7475shall cancel the registration of all vehicles registered in the name of the person, 76 either as sole owner or as a co-owner, and shall notify the person that the cancellation will remain in force until the person pays the delinquency penalty 77 fee provided in this section, together with all fees, charges and payments which 7879 the person should have paid in connection with the certificate of ownership and registration of the vehicle. The certificate shall be good for the life of the motor 80 vehicle or trailer so long as the same is owned or held by the original holder of 81 82 the certificate and shall not have to be renewed annually.

6. Any applicant for a certificate of ownership requesting the department of revenue to process an application for a certificate of ownership in an expeditious manner requiring special handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.

7. It is unlawful for any person to operate in this state a motor vehicle or
trailer required to be registered under the provisions of the law unless a
certificate of ownership has been applied for as provided in this section.

90 8. Before an original Missouri certificate of ownership is issued, an 91 inspection of the vehicle and a verification of vehicle identification numbers shall be made by the Missouri state highway patrol on vehicles for which there is a 92 93 current title issued by another state if a Missouri salvage certificate of title has been issued for the same vehicle but no prior inspection and verification has been 94 95made in this state, except that if such vehicle has been inspected in another state by a law enforcement officer in a manner comparable to the inspection process in 96 97 this state and the vehicle identification numbers have been so verified, the 98 applicant shall not be liable for the twenty-five dollar inspection fee if such 99 applicant submits proof of inspection and vehicle identification number 100 verification to the director of revenue at the time of the application. The 101 applicant, who has such a title for a vehicle on which no prior inspection and 102 verification have been made, shall pay a fee of twenty-five dollars for such 103 verification and inspection, payable to the director of revenue at the time of the 104 request for the application, which shall be deposited in the state treasury to the 105 credit of the state highways and transportation department fund.

106 9. Each application for an original Missouri certificate of ownership for 107 a vehicle which is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle, motor change vehicle, non-USA-std motor 108 vehicle, or other vehicle as required by the director of revenue shall be 109110 accompanied by a vehicle examination certificate issued by the Missouri state 111 highway patrol, or other law enforcement agency as authorized by the director of 112revenue. The vehicle examination shall include a verification of vehicle identification numbers and a determination of the classification of the 113114 vehicle. The owner of a vehicle which requires a vehicle examination certificate shall present the vehicle for examination and obtain a completed vehicle 115116 examination certificate prior to submitting an application for a certificate of ownership to the director of revenue. Notwithstanding any provision of the law 117118 to the contrary, an owner presenting a motor vehicle which has been issued a 119 salvage title and which is ten years of age or older to a vehicle examination 120described in this subsection in order to obtain a certificate of ownership with the designation prior salvage motor vehicle shall not be required to repair or restore 121122the vehicle to its original appearance in order to pass or complete the vehicle 123 examination. The fee for the vehicle examination application shall be twenty-five 124dollars and shall be collected by the director of revenue at the time of the request 125for the application and shall be deposited in the state treasury to the credit of the state highways and transportation department fund. If the vehicle is also to be 126registered in Missouri, the safety inspection required in chapter 307 and the 127128emissions inspection required under chapter 643 shall be completed and the fees 129required by section 307.365 and section 643.315 shall be charged to the owner.

130 10. When an application is made for an original Missouri certificate of 131 ownership for a motor vehicle previously registered or titled in a state other than 132 Missouri or as required by section 301.020, it shall be accompanied by a current 133 inspection form certified by a duly authorized official inspection station as 134 described in chapter 307. The completed form shall certify that the 135 manufacturer's identification number for the vehicle has been inspected, that it

is correctly displayed on the vehicle and shall certify the reading shown on the 136137 odometer at the time of inspection. The inspection station shall collect the same fee as authorized in section 307.365 for making the inspection, and the fee shall 138 be deposited in the same manner as provided in section 307.365. If the vehicle 139is also to be registered in Missouri, the safety inspection required in chapter 307 140 and the emissions inspection required under chapter 643 shall be completed and 141 142only the fees required by section 307.365 and section 643.315 shall be charged to 143the owner. This section shall not apply to vehicles being transferred on a 144manufacturer's statement of origin.

14511. Motor vehicles brought into this state in a wrecked or damaged 146 condition or after being towed as an abandoned vehicle pursuant to another 147state's abandoned motor vehicle procedures shall, in lieu of the inspection 148required by subsection 10 of this section, be inspected by the Missouri state highway patrol in accordance with subsection 9 of this section. If the inspection 149 150reveals the vehicle to be in a salvage or junk condition, the director shall so indicate on any Missouri certificate of ownership issued for such vehicle. Any 151152salvage designation shall be carried forward on all subsequently issued certificates of title for the motor vehicle. 153

15412. When an application is made for an original Missouri certificate of 155ownership for a motor vehicle previously registered or titled in a state other than 156Missouri, and the certificate of ownership has been appropriately designated by 157the issuing state as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of revenue shall 158159appropriately designate on the current Missouri and all subsequent issues of the 160 certificate of ownership the name of the issuing state and such prior designation. The absence of any prior designation shall not relieve a transferor 161 of the duty to exercise due diligence with regard to such certificate of ownership 162prior to the transfer of a certificate. If a transferor exercises any due diligence 163 with regard to a certificate of ownership, the legal transfer of a certificate of 164 ownership without any designation that is subsequently discovered to have or 165should have had a designation shall be a transfer free and clear of any liabilities 166 167of the transferor associated with the missing designation.

168 13. When an application is made for an original Missouri certificate of 169 ownership for a motor vehicle previously registered or titled in a state other than 170 Missouri, and the certificate of ownership has been appropriately designated by 171 the issuing state as non-USA-std motor vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of thecertificate of ownership the words "Non-USA-Std Motor Vehicle".

174 14. The director of revenue and the superintendent of the Missouri state 175 highway patrol shall make and enforce rules for the administration of the 176 inspections required by this section.

177 15. Each application for an original Missouri certificate of ownership for 178 a vehicle which is classified as a reconstructed motor vehicle, manufactured forty 179 or more years prior to the current model year, and which has a value of three 180 thousand dollars or less shall be accompanied by:

(1) A proper affidavit submitted by the owner explaining how the motor
vehicle or trailer was acquired and, if applicable, the reasons a valid certificate
of ownership cannot be furnished;

184 (2) Photocopies of receipts, bills of sale establishing ownership, or titles,185 and the source of all major component parts used to rebuild the vehicle;

(3) A fee of one hundred fifty dollars in addition to the fees described in
subsection 5 of this section. Such fee shall be deposited in the state treasury to
the credit of the state highways and transportation department fund; and

189 (4) An inspection certificate, other than a motor vehicle examination 190 certificate required under subsection 9 of this section, completed and issued by 191 the Missouri state highway patrol, or other law enforcement agency as authorized 192by the director of revenue. The inspection performed by the highway patrol or 193 other authorized local law enforcement agency shall include a check for stolen 194 vehicles. The department of revenue shall issue the owner a certificate of 195ownership designated with the words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with the provisions of this 196197 chapter. Notwithstanding subsection 9 of this section, no owner of a reconstructed motor vehicle described in this subsection shall be required to 198199 obtain a vehicle examination certificate issued by the Missouri state highway 200 patrol.

301.213. 1. Notwithstanding the provisions of sections 301.200 2 and 301.210, any person licensed as a motor vehicle dealer under 3 sections 301.550 to 301.573 that has provided to the director of revenue 4 a surety bond or irrevocable letter of credit in an amount not less than 5 one hundred thousand dollars in a form which complies with the 6 requirements of section 301.560 and in lieu of the twenty-five thousand 7 dollar bond otherwise required for licensure as a motor vehicle dealer, 8 shall be authorized to purchase or accept in trade any motor vehicle for

9 which there has been issued a certificate of ownership, and to receive
10 such vehicle subject to any existing liens thereon created and perfected

14 owner of the vehicle; and

15 (2) Physical delivery of the vehicle to the licensed dealer; and

(3) A power of attorney from the owner to the licensed dealer, in
accordance with subsection 4 of section 301.300, authorizing the
licensed dealer to obtain a duplicate or replacement title in the owner's
name and sign any title assignments on the owner's behalf.

20 2. If the dealer complies with the requirements of subsection 1 21 of this section, the sale or trade of the vehicle to the dealer shall be 22 considered final, subject to any existing liens created and perfected 23 under sections 301.600 to 301.660. Once the prior owner of the motor 24 vehicle has physically delivered the motor vehicle to the licensed 25 dealer, the prior owners' insurable interest in such vehicle shall cease 26 to exist.

273. If a licensed dealer complies with the requirements of subsection 1 of this section, and such dealer has provided to the 2829director of revenue a surety bond or irrevocable letter of credit in 30 amount not less than one hundred thousand dollars in a form which 31complies with the requirements of section 301.560 and in lieu of the 32twenty-five thousand dollar bond otherwise required for licensure as 33 a motor vehicle dealer, such dealer may sell such vehicle prior to receiving and assigning to the purchaser the certificate of ownership, 34provided such dealer complies with the following: 35

Such 60 dealer shall maintain the original or an electronic copy of the signed 61 agreement and deliver a copy of the signed agreement to the 62purchaser. Such dealer shall also complete and deliver to the director 63 of revenue such form as the director shall prescribe demonstrating that 64 the purchaser has purchased the vehicle without contemporaneous 6566 delivery of the title.

67 Notwithstanding any provision of law to the contrary, completion of the 68 requirements of this subsection shall constitute prima facie evidence 69 of an ownership interest vested in the purchaser of the vehicle for all 70 purposes other than for a subsequent transfer of ownership of the vehicle by the purchaser, subject to the rights of any secured lienholder 71of record; however, the purchaser may use the dealer-supplied copy of 72the agreement to transfer his or her ownership of the vehicle to an 73insurance company in situations where the vehicle has been declared 74salvage or a total-loss by the insurance company as a result of a 7576settlement of a claim. Such insurance company may apply for a salvage certificate of title or junking certificate pursuant to the provisions of 77subsection 3 of section 301.193 in order to transfer its interest in such 78vehicle. The purchaser may also use the dealer-supplied copy of the 79agreement on the form prescribed by the director of revenue as proof 80 of ownership interest. Any lender or insurance company may rely upon 81

a copy of the signed written agreement on the form prescribed by the
director of revenue as proof of ownership. Any lien placed upon a
vehicle based upon such signed written agreement shall be valid and
enforceable, notwithstanding the absence of a certificate of ownership.

86 4. Following a sale or other transaction in which a certificate of ownership has not been assigned from the owner to the licensed dealer, 87 the dealer shall, within ten business days, apply for a duplicate or 88 replacement certificate of ownership. Upon receipt of a duplicate or 89 replacement certificate of ownership applied for under subsection 4 of 90 section 301.300, the dealer shall assign and deliver said certificate of 91 ownership to the purchaser of the vehicle within five business 92days. The dealer shall maintain proof of the assignment and delivery 93 of the certificate of ownership to the purchaser. For purposes of this 94subsection, a dealer shall be deemed to have delivered the certificate 9596 of ownership to the purchaser upon either:

97 (1) Physical delivery of the certificate of ownership to any of the
98 purchasers identified in the contract with such dealer; or

99 (2) Mailing of the certificate, postage prepaid, return receipt
100 requested, to any of the purchasers at any of their addresses identified
101 in the contract with such dealer.

5. If a licensed dealer fails to comply with subsection 3 of this section, and the purchaser of the vehicle is thereby damaged, then the dealer shall be liable to the purchaser of the vehicle for actual damages, plus court costs and reasonable attorney fees.

106 6. If a licensed dealer fails or is unable to comply with 107 subsection 4 of this section, and the purchaser of the vehicle is thereby damaged, then the dealer shall be liable to the purchaser of the vehicle 108109 for actual damages, plus court costs and reasonable attorney fees. If the dealer cannot be found by the purchaser after making reasonable 110 attempts, or if the dealer fails to assign and deliver the duplicate or 111 replacement certificate of ownership to the purchaser by the date 112113 agreed upon by the dealer and the purchaser, as required by subsection 4 of this section, then the purchaser may deliver to the director a copy 114 of the contract for sale of the vehicle, a copy of the application for 115duplicate title provided by the dealer to the purchaser, a copy of the 116117 secure power of attorney allowing the dealer to assign the duplicate title, and the proof or other evidence obtained by the purchaser from 118

119 the dealer under subsection 3 of this section. Thereafter, the director 120 shall mail by certified mail, return receipt requested, a notice to the 121dealer at the last address given to the department by that dealer. That 122notice shall inform the dealer that the director intends to cancel any 123 prior certificate of title issued to the dealer on the vehicle and issue to the purchaser a certificate of title in the name of the purchaser, subject 124 to any liens incurred by the purchaser in connection with the purchase 125126 of the vehicle, unless the dealer, within ten business days from the date 127 of the director's notice, files with the director a written objection to the director taking such action. If the dealer does file a timely, written 128129objection with the director, then the director shall not take any further action without an order from a court of competent 130 131 jurisdiction. However, if the dealer does not file a timely, written objection with the director, then the director shall cancel the prior 132certificate of title issued to the dealer on the vehicle and issue a 133134certificate of tile to the purchaser of the vehicle, subject to any liens 135incurred by the purchaser in connection with the purchase of the vehicle and subject to the purchaser satisfying all applicable taxes and 136137fees associated with registering the vehicle.

7. If a seller misrepresents to a dealer that the seller is the
owner of a vehicle and the dealer, the owner, any subsequent
purchaser, or any prior or subsequent lienholder is thereby damaged,
then the seller shall be liable to each such party for actual and punitive
damages, plus court costs and reasonable attorney fees.

8. When a lienholder is damaged as a result of a licensed dealer's acts, errors, omissions, or violations of this section, then the dealer shall be liable to the lienholder for actual damages, plus court costs and reasonable attorney fees.

9. No court costs or attorney fees shall be awarded under this
section unless, prior to filing any such action, the following conditions
have been met:

(1) The aggrieved party seeking damages has delivered an
itemized written demand of the party's actual damages to the party
from whom damages are sought; and

(2) The party from whom damages are sought has not satisfied
the written demand within thirty days after receipt of the written
demand.
