FIRST REGULAR SESSION

THIRD DAY—MONDAY, JANUARY 12, 2015

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“Make me to know your ways, O Lord; teach me your paths.” (Psalm 25:4)

As we start off a new week it is right and proper that we seek to follow the path that we are to take, so help us this week to know where our energies and efforts are to be directed. Help us to be open to hear what others are called to do and assist us in knowing how to be of help to them and teach us how to ask for assistance from them. This we ask in Your Holy Name, O Lord. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE CONCURRENT RESOLUTION NO.4

Relating to recognition of September 26th as Mesothelioma Awareness Day in Missouri

WHEREAS, mesothelioma is a rare form of cancer of the smooth lining of the chest, lungs, heart, and abdomen that is difficult to detect in its early stages and may be associated with many other conditions; however, when vital organs are involved or disease is identified outside of the operative field, surgery is no longer an option and patients are referred to chemotherapy or clinical trials; and

WHEREAS, approximately 2,500 to 3,000 cases of mesothelioma are reported annually in the United States, and because it occurs in such a small number of patients, mesothelioma is often referred to as an orphan disease, but the number of affected persons is steadily rising every year in North America, Europe, Australia, and Asia; and

WHEREAS, according to the American Cancer Society, mesothelioma is caused by exposure to asbestos fibers and characterized by a latency period that usually lasts for decades, although the exact method by which asbestos causes the disease is not known; and

WHEREAS, the American Cancer Society indicates that most people who develop mesothelioma have worked on jobs where they inhaled asbestos particles, or have been exposed to asbestos dust and fibers in other ways, such as by washing the clothes of a family member who worked with asbestos, or by home renovation using asbestos products"; and

WHEREAS, due to the long period between exposure and diagnosis, mesothelioma results in a life expectancy of four to eighteen months after onset, and nearly 3,000 persons succumb to the disease each year; and

WHEREAS, to promote public awareness of the dangers of this deadly cancer and of asbestos exposure, the need for treatment protocols, and funding for research, Mesothelioma Awareness Day was started by Meso Foundation volunteers in 2004, and September 26th was designated as the day to (I) remember the victims of mesothelioma, (ii) publicize the dangers of asbestos exposure, (iii) offer hope for those who suffer with the disease today, and (iv) focus on and highlight the need for research support and a cure for mesothelioma; and

WHEREAS, on September 26th each year, citizens across the nation are encouraged to participate in CURE MESOTHELIOMA public awareness programs and events, and to sponsor or organize fundraising campaigns in the name of MESOTHELIOMA AWARENESS; and

WHEREAS, Mesothelioma Awareness Day provides an appropriate venue to communicate an important message to the public about this deadly cancer to ensure affected persons are accurately diagnosed and treated and connected to a support system:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby designate September 26th of every year as Mesothelioma Awareness Day in Missouri; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to send properly inscribed copies of this resolution to the Governor for his approval or rejection pursuant to the Missouri Constitution.

Senator Romine offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 5

Whereas, the easily extracted, high purity lead ore in Missouri was a critical reason for the early development of Missouri and has provided good jobs, a way of life, and significant economic development to Missourians for centuries; and

Whereas, the lead industry in Missouri is the only primary, domestic source for that strategic material in America; and

Whereas, new technology now makes production of primary lead metal a safe, cost effective, and valuable means of continuing to provide a strategic material for numerous uses including munitions, protective barriers for x-rays, radioactive fallout, and radioactive contamination, and batteries for numerous uses including cars, trucks, electric vehicles, renewable energy storage, and peaking power reduction; and

Whereas, encouraging a safe, healthy, and lucrative lead industry in Missouri will give rise to good paying jobs, significant economic development, and the resources to mitigate the legacy of environmental issues caused by lead extraction:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby create the Missouri Lead Industry Employment, Economic Development and Environmental Remediation Task Force; and

Be It Further Resolved that the mission of the task force shall be to fully consider:

- (1) The effects of a prompt environmental settlement giving rise to efficient and cost effective remediation;
- (2) Ways to promote the development of a clean lead industry;
- (3) Clean lead industry legislative proposals including rules and regulations necessary for implementation;
- (4) The economic potential of implementing clean lead industry policies; and

Be It Further Resolved that the task force be authorized to call upon any department, office, division, or agency of this state to assist in gathering information pursuant to its objective; and

Be It Further Resolved that the task force shall consist of all of the following members:

- (1) The Governor, or his or her designee, to serve as a member of the task force; and
- (2) One member of the general assembly of the majority party appointed by the president pro tem of the senate, to serve as the chair of the task force; and
- (3) One member of the general assembly of the majority party appointed by the speaker of the house of representatives, to serve as the vice-chair and secretary of the task force, and who will provide an agenda and report minutes of the task force; and
- (4) The Attorney General, or his or her designee, to serve as a member and provide technical assistance to the task force; and
- (5) The Director of the Department of Natural Resources, or his or her designee, to serve as a member and provide technical assistance to the task force; and
- (6) One member of the majority party of the senate and one member of the minority party of the senate appointed by the president pro

tempore of the senate; and

(7) One member of the majority party of the house of representatives and one member of the minority party of the house of representatives appointed by the speaker of the house of representatives; and

(8) A representative of industry appointed by the president pro tem of the senate; and

(9) A representative of industry appointed by the speaker of the house of representatives; and

Be It Further Resolved that the staff of Senate Research shall provide such legal, research, clerical, technical, and bill drafting services as the task force may require in the performance of its duties; and

Be It Further Resolved that the task force, its members, and any staff assigned to the committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the committee; and

Be It Further Resolved that the chair or vice-chair and secretary of the task force shall call an organizational meeting within fifteen days of the adoption of this resolution; and

Be It Further Resolved that the task force shall terminate by either a majority of members voting for termination, or by December 31, 2016, whichever occurs first; and

Be It Further Resolved that on the date of termination, the task force may deliver a report of findings and recommendations to the General Assembly; and

Be It Further Resolved that this resolution does not amend any state law to which the Department of Natural Resources is subject, and shall be interpreted to be consistent with any requirements of such state or federal law; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for Governor Jay Nixon, Attorney General Chris Koster, and the Director of the Department of Natural Resources.

Senator Schaaf offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO.6

Relating to disapproving the recommendations of the Missouri Citizens
Commission on Compensation for Elected Officials.

Whereas, Section 3 of Article XIII of the Missouri Constitution charges the Missouri Citizens' Commission on Compensation for Elected Officials with setting the amounts of compensation paid to statewide elected officials, legislators, and judges; and

Whereas, the Constitution provides the Commission with a four-month window prior to its constitutional deadline for making salary recommendations to hold public hearings around the state to gather testimony related to salaries for affected state officials and to carefully consider whether pay increases are warranted; and

Whereas, the Missouri Citizens' Commission on Compensation for Elected Officials has recommended that the compensation for statewide elected officials, other than Lieutenant Governor, be increased by eight percent each year for fiscal years 2016 and 2017, and the compensation for the Lieutenant Governor be increased by eleven percent for the two-year period of fiscal years 2016 and 2017, representing salary increases of \$50,638 in fiscal year 2016 and an additional \$54,306 in fiscal year 2017; and

Whereas, the Missouri Citizens' Commission on Compensation for Elected Officials has also recommended that the compensation for members of the General Assembly be increased by eleven percent over fiscal years 2016 and 2017, representing a salary increase of \$4,000 per year; and

Whereas, the Missouri Citizens' Commission on Compensation for Elected Officials recommended that daily expense compensation be raised by \$26 a day and that mileage reimbursement be raised by \$0.19 per mile; and

Whereas, the Missouri Citizens' Commission on Compensation for Elected Officials recommended no increases in compensation for judges over fiscal years 2016 and 2017 so that the salaries of judges shall remain tied to the salaries of comparable positions in the federal judiciary; and

Whereas, the state has many other priorities for appropriating money in the budget that are far more important than the salary increases recommended by the Commission; and

Whereas, the Commission's recommendations shall take effect unless disapproved by the General Assembly through a concurrent resolution process passed by two-thirds majorities in each legislative chamber before February 1, 2015:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby disapprove the recommendations of the Missouri Citizens' Commission on Compensation for Elected Officials contained in its report of November 25, 2014; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for Governor Jay Nixon.
