FIRST REGULAR SESSION

---

**TWENTY-FIRST DAY—THURSDAY, FEBRUARY 12, 2015**

---

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“I remember the days of old, I think about all your deeds; I meditate on the works of your hands, I stretch out my hands to you; my soul thirsts for you like a parched land.” (Psalm 143:5-6)

Heavenly Father, Your love and grace touch us and fill us with the light of Your presence. Your hope enfolds us and fills us with what we need each day. As we return home this day, may we meditate on how You have been with us this week and what You have helped us accomplish, so we may give thanks and sing Your praise. And, we would ask that You strengthen our bonds of love with those You have given us to love so that this Valentine time will bear witness of our love for each other throughout this weekend together. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

## CONCURRENT RESOLUTIONS

Senator Emery offered the following concurrent resolution:

### SENATE CONCURRENT RESOLUTION NO. 20

Whereas, the growth and abuse of federal regulatory authority threaten our constitutional liberties, including those guaranteed by the Bill of Rights in the First, Second, Fourth, and Fifth Amendments to our Constitution; and

Whereas, federal regulators must be more accountable to elected representatives of the people, and not immune from such accountability; and

Whereas, the United States House of Representatives has passed with bipartisan support the Regulations from the Executive in Need of Scrutiny (REINS) Act to require that Congress approve major new federal regulations before they can take effect; and

Whereas, even if enacted, a law may be repealed or waived by a future Congress and President:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge that the United States Congress vote to propose the Regulation Freedom Amendment to the United States Constitution as follows:

“Whenever one quarter of the members of the United States House of Representatives or the United States Senate transmits to the President their written declaration of opposition to a proposed federal regulation, it shall require a majority vote of the House of Representatives and the

Senate to adopt that regulation.”; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and each member of the Missouri Congressional delegation.

Senators Dixon, Emery and Wallingford offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 21

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

Be It Further Resolved that this application constitutes a continuing application in accordance with Article V of the United States Constitution until the legislatures of at least two-thirds of the several states have made applications on the same subject; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.
