 8 customers to apply to seek a Senior Assistance Fair Energy (SAFE)
 9 rate. Such applications for a SAFE rate made available to all
 10 residential customers of the participating electrical corporation
 11 beginning in the participating electrical corporation's first
 12 year that it elects to become a participating electrical
 13 corporation, shall be processed by the participating electrical
 14 corporation in order for the SAFE rate to be in effect at the
 15 time that rates established under the participating electrical
 16 corporation's first annual update filing made under section

7 year.

8 (2) In order to qualify for a SAFE rate, such customer

20 corporation's customer classes equally."
