22           2. In addition to any compensation provided pursuant to subsection 1 of  
 23 this section, the presiding commissioner of any county not having a charter form  
 24 of government shall receive two thousand dollars annual salary.

25           3. Two thousand dollars of the salary authorized in this section shall be  
 26 payable to a commissioner only if the commissioner has completed at least twenty  
 27 hours of classroom instruction each calendar year relating to the operations of the  
 28 commissioner's office when approved by a professional association of the county  
 29 commissioners of Missouri unless exempted from the training by the professional  
 30 association. The professional association approving the program shall provide a  
 31 certificate of completion to each commissioner who completes the training  
 32 program and shall send a list of certified commissioners to the treasurer of each  
 33 county. Expenses incurred for attending the training session may be reimbursed  
 34 to a county commissioner in the same manner as other expenses as may be  
 35 appropriated for that purpose.

36           4. A county commissioner in any county, other than a first classification  
 37 charter county or a first classification county not having a charter form of  
 38 government and not containing any part of a city with a population of three  
 39 hundred thousand or more, shall not, except upon a two-thirds vote of all the  
 40 members of the salary commission, receive an annual compensation in an amount  
 41 less than the total compensation being received for the office of county  
 42 commissioner or presiding commissioner respectively for the particular county for  
 43 services rendered or performed on the date the salary commission votes.

          50.327. Notwithstanding any other provisions of law to the contrary, the  
 2 salary schedules contained in section 49.082, sections 50.334 and 50.343, 51.281,  
 3 51.282, 52.269, 53.082, 53.083, 54.261, 54.320, 55.091, 56.265, 57.317, 58.095, and  
 4 473.742 shall be set as a base schedule for those county officials **and such**  
 5 **officials may receive up to two hundred percent the maximum**  
 6 **compensation in the base schedule in accordance with section**  
 7 **50.333.** Except when it is necessary to increase newly elected or reelected county  
 8 officials' salaries, in accordance with Section 13, Article VII, Constitution of

9 Missouri, **and except as otherwise provided under section 50.333**, to  
10 comply with the requirements of this section, the salary commission in all  
11 counties except charter counties in this state shall be responsible for the  
12 computation of salaries of all county officials; provided, however, that any  
13 percentage salary adjustments in a county shall be equal for all such officials in  
14 that county.

50.333. 1. There shall be a salary commission in every nonchartered  
2 county.

3 2. The clerk or court administrator of the circuit court of the judicial  
4 circuit in which such county is located shall set a date, time and place for the  
5 salary commission meeting and serve as temporary chairman of the salary  
6 commission until the members of the commission elect a chairman from their  
7 number. Upon written request of a majority of the salary commission members  
8 the clerk or court administrator of the circuit court shall forthwith set the earliest  
9 date possible for a meeting of the salary commission. The circuit clerk or court  
10 administrator shall give notice of the time and place of any meeting of the salary  
11 commission. Such notice shall be published in a newspaper of general circulation  
12 in such county at least five days prior to such meeting. Such notice shall contain  
13 a general description of the business to be discussed at such meeting.

14 3. The members of the salary commission shall be:

15 (1) The recorder of deeds if the recorder's office is separate from that of  
16 the circuit clerk;

17 (2) The county clerk;

18 (3) [The prosecuting attorney;

19 (4)] The sheriff;

20 [(5)] (4) The county commissioners;

21 [(6)] (5) The collector or treasurer ex officio collector;

22 [(7)] (6) The treasurer or treasurer ex officio collector;

23 [(8)] (7) The assessor;

24 [(9)] (8) The auditor;

25 [(10)] (9) The public administrator; and

26 [(11)] (10) The coroner.

27 Members of the salary commission shall receive no additional compensation for  
28 their services as members of the salary commission. A majority of members shall  
29 constitute a quorum.

30 4. Notwithstanding the provisions of sections 610.021 and 610.022, all

31 meetings of a county salary commission shall be open meetings and all votes  
32 taken at such meetings shall be open records. Any vote taken at any meeting of  
33 the salary commission shall be taken by recorded yeas and nays.

34         5. In every county, the salary commission shall meet at least once before  
35 November thirtieth of each odd-numbered year. The salary commission may meet  
36 as many times as it deems necessary and may meet after November thirtieth and  
37 prior to December fifteenth of any odd-numbered year if the commission has met  
38 at least once prior to November thirtieth of that year. At any meeting of the  
39 salary commission, the members shall elect a chairman from their number. The  
40 county clerk shall present a report on the financial condition of the county to the  
41 commission once the chairman is elected, and shall keep the minutes of the  
42 meeting.

43         6. For purposes of this section, the 1988 base compensation is the  
44 compensation paid on September 1, 1987, plus the same percentage increase paid  
45 or allowed, whichever is greater, to the presiding commissioner or the sheriff,  
46 whichever is greater, of that county for the year beginning January 1, 1988. Such  
47 increase shall be expressed as a percentage of the difference between the  
48 maximum allowable compensation and the compensation paid on September 1,  
49 1987. At its meeting in 1987 and at any meeting held in 1988, the salary  
50 commission shall determine the compensation to be paid to every county officer  
51 holding office on January 1, 1988. The salary commission shall establish the  
52 compensation for each office at an amount not greater than that set by law as the  
53 maximum compensation. If the salary commission votes to increase  
54 compensation, but not to pay the maximum amount authorized by law for any  
55 officer or office, then the increase in compensation shall be the same percentage  
56 increase for all officers and offices and shall be expressed as a percentage of the  
57 difference between the maximum allowable compensation and the compensation  
58 being received at the time of the vote. If two-thirds of the members of the salary  
59 commission vote to decrease the compensation being received at the time of the  
60 vote below that compensation, all officers shall receive the same percentage  
61 decrease. The commission may vote not to increase or decrease the compensation  
62 and that compensation shall continue to be the salary of such offices and officers  
63 during the subsequent term of office.

64         7. For the year 1989 and every second year thereafter, the salary  
65 commission shall meet in every county as many times as it deems necessary on  
66 or prior to November thirtieth of any such year for the purpose of determining the

67 amount of compensation to be paid to county officials. For each year in which the  
68 commission meets, the members shall elect a chairman from their number. The  
69 county clerk shall present a report on the financial condition of the county to the  
70 commission once the chairman is elected, and shall keep minutes of the  
71 meeting. The salary commission shall then consider the compensation to be paid  
72 for the next term of office for each county officer to be elected at their next  
73 general election. If the commission votes not to increase or decrease the  
74 compensation, the salary being paid during the term in which the vote was taken  
75 shall continue as the salary of such offices and officers during the subsequent  
76 term of office. If the salary commission votes to increase the compensation, all  
77 officers or offices whose compensation is being considered by the commission at  
78 that time shall receive the same percentage, **up to two hundred percent**, of  
79 the maximum allowable compensation. [However, for any county in which all  
80 offices' and officers' salaries have been set at one hundred percent of the  
81 maximum allowable compensation, the commission may vote to increase the  
82 compensation of all offices except that of full-time prosecuting attorneys at that  
83 or any subsequent meeting of the salary commission without regard to any law  
84 or maximum limitation established by law.] Such increase shall be expressed as  
85 a percentage of the compensation being paid during the term of office when the  
86 vote is taken, and each officer or office whose compensation is being established  
87 by the salary commission at that time shall receive the same percentage increase  
88 over the compensation being paid for that office during the term when the vote  
89 is taken. This increase shall be in addition to any increase mandated by an  
90 official's salary schedule because of changes in assessed valuation during the  
91 current term. If the salary commission votes to decrease the compensation, a vote  
92 of two-thirds or more of all the members of the salary commission shall be  
93 required before the salary or other compensation of any county office shall be  
94 decreased below the compensation being paid for the particular office on the date  
95 the salary commission votes, and all officers and offices shall receive the same  
96 percentage decrease.

97 8. The salary commission shall issue, not later than December fifteenth  
98 of any year in which it meets, a report of compensation to be paid to each officer  
99 and the compensation so set shall be paid beginning with the start of the  
100 subsequent term of office of each officer. The report of compensation shall be  
101 certified to the clerk of the county commission for the county and shall be in  
102 substantially the following form:

103           The salary commission for ..... County hereby certifies that it has met  
104 pursuant to law to establish compensation for county officers to be paid to such  
105 officers during the next term of office for the officers affected. The salary  
106 commission reports that there shall be (no increase in compensation) (an increase  
107 of ..... percent) (a decrease of ..... percent) (county officer's salaries set at .....  
108 percent of the maximum allowable compensation). Salaries shall be adjusted each  
109 year on the official's year of incumbency for any change in the last completed  
110 assessment that would affect the maximum allowable compensation for that  
111 office.

112           9. For the meeting in 1989 and every meeting thereafter, in the event a  
113 salary commission in any county fails, neglects or refuses to meet as provided in  
114 this section, or in the event a majority of the salary commission is unable to reach  
115 an agreement and so reports or fails to certify a salary report to the clerk of the  
116 county commission by December fifteenth of any year in which a report is  
117 required to be certified by this section, then the compensation being paid to each  
118 affected office or officer on such date shall continue to be the compensation paid  
119 to the affected office or officer during the succeeding term of office, **except as**  
120 **otherwise provided under subsection 14 of this section.**

121           10. Other provisions of law notwithstanding, in every instance where an  
122 officer or employee of any county is paid a mileage allowance or reimbursement,  
123 the county commission shall allow or reimburse such officers or employees out of  
124 the county treasury at the highest rate paid to any county officer for each mile  
125 actually and necessarily traveled in the performance of their official duties. The  
126 county commission of any county may elect to pay a mileage allowance for any  
127 county commissioner for travel going to and returning from the place of holding  
128 commission meetings and for all other necessary travel on official county business  
129 in the personal motor vehicle of the commissioner presenting the claim. The  
130 governing body of any county of the first classification not having a charter form  
131 of government may provide by order for the payment of mileage expenses of  
132 elected and appointed county officials by payment of a certain amount monthly  
133 which would reflect the average monthly mileage expenses of such officer based  
134 on the amount allowed pursuant to state law for the payment of mileage for state  
135 employees. Any order entered for such purpose shall not be construed as salary,  
136 wages or other compensation for services rendered.

137           11. The term "maximum allowable compensation" as used in this section  
138 means the highest compensation which may be paid to the specified officer or

139 office in the particular county based on the salary schedule established by law for  
140 the specified officer or office. If the salary commission at its meeting in 1987  
141 voted for one hundred percent of the maximum allowable compensation and does  
142 not change such vote at its meeting held within thirty days after May 13, 1988,  
143 as provided in subsection 6 of this section, the one hundred percent shall be  
144 calculated on the basis of the total allowable compensation permitted after May  
145 13, 1988.

146       12. At the salary commission meeting which establishes the percentage  
147 rate to be applied to county officers during the next term of office, the salary  
148 commission may authorize the further adjustment of such officers' compensation  
149 as a cost-of-living component and effective January first of each year, the  
150 compensation for county officers may be adjusted by the county commission, and  
151 if the adjustment of compensation is authorized, the percentage increase shall be  
152 the same for all county officers, not to exceed the percentage increase given to the  
153 other county employees. The compensation for all county officers may be set as  
154 a group, although the change in compensation will not become effective until the  
155 next term of office for each officer.

156       13. At the salary commission meeting in 1997 which establishes the  
157 salaries for those officers to be elected at the general election in 1998, the salary  
158 commission of each noncharter county may provide salary increases for associate  
159 county commissioners elected in 1996. This one-time increase is necessitated by  
160 the change from two- to four-year terms for associate commissioners pursuant to  
161 house bill 256, passed by the first regular session of the eighty-eighth general  
162 assembly in 1995.

163       **14. As a cost of living adjustment, beginning January 1, 2017, the**  
164 **compensation of each county officer shall increase by ten percent, and**  
165 **on January first each year thereafter, the compensation of each county**  
166 **officer shall increase by two percent, until the officer's total**  
167 **compensation is at two hundred percent of the maximum allowable**  
168 **compensation. Such increase shall occur regardless of any action taken**  
169 **by the county salary commission under this section unless the county**  
170 **officer's compensation is set at or has reached two hundred percent of**  
171 **the maximum allowable compensation, in which case the county officer**  
172 **shall not receive further increases under this subsection.**

51.281. 1. The county clerk in any county, other than in a first  
2 classification county, shall receive an annual salary computed as set forth in the

3 following schedule. The assessed valuation factor shall be the amount thereof as  
 4 shown for the year next preceding the computation. **The county clerk shall**  
 5 **receive the same percentage adjustments provided in that county for**  
 6 **county officers under section 50.333.** The provisions of this section shall not  
 7 permit or require a reduction in the amount of compensation being paid for the  
 8 office of clerk on January 1, 1997.

9	Assessed Valuation	Salary
10	\$ 18,000,000 to 40,999,999	\$29,000

17	160,000,000 to 189,999,999	41,000

19	250,000,000 to 299,999,999	43,000
20	300,000,000 or more	45,000

21 2. Two thousand dollars of the salary authorized in this section shall be  
 22 payable to the clerk only if the clerk has completed at least twenty hours of  
 23 classroom instruction each calendar year relating to the operations of the clerk's  
 24 office when approved by a professional association of the county clerks of Missouri  
 25 unless exempted from the training by the professional association. The  
 26 professional association approving the program shall provide a certificate of  
 27 completion to each clerk who completes the training program and shall send a list  
 28 of certified clerks to the treasurer of each county. Expenses incurred for  
 29 attending the training session may be reimbursed to the county clerk in the same  
 30 manner as other expenses as may be appropriated for that purpose.

31 3. The county clerk may retain any fees to which he is entitled for services  
 32 performed in the issuance of fish and game licenses or permits.

33 4. The county clerk in any county, other than a first classification charter  
 34 county or a first classification county not having a charter form of government  
 35 and not containing any part of a city with a population of three hundred thousand  
 36 or more, shall not, except upon two-thirds vote of all the members of the salary  
 37 commission, receive an annual compensation in an amount less than the total  
 38 compensation being received for the office of county clerk in the particular county

39 for services rendered or performed on the date the salary commission votes.

52.269. 1. In all counties, except first classification counties having a  
 2 charter form of government and first classification counties not having a charter  
 3 form of government and not containing any part of a city with a population of  
 4 three hundred thousand or more, the county collector shall receive an annual  
 5 salary which shall be paid in equal monthly installments by the county. The  
 6 salary shall be computed on an assessed valuation basis as provided in this  
 7 subsection. The assessed valuation factor shall be the amount as shown for the  
 8 year next preceding the annual salary computation. A county collector subject to  
 9 the provisions of this section shall not receive an annual compensation less than  
 10 the total compensation being received by the county collector in that county for  
 11 services rendered or performed for the period beginning March 1, 1987, and  
 12 ending February 29, 1988. The county collector shall receive the same percentage  
 13 adjustments provided [by the county salary commissions for county officers] in  
 14 that county pursuant to section 50.333. The provisions of this section shall not  
 15 permit or require a reduction in the amount of compensation being paid for the  
 16 office of county collector on January 1, 1997, or less than the total compensation  
 17 being received for the services rendered or performed for the period beginning  
 18 March 1, 1987, and ending February 29, 1988. The salary shall be computed on  
 19 the basis of the following schedule:

20	Assessed Valuation	Salary
21	\$ 18,000,000 to 40,999,999	\$29,000

 33 payable to the collector only if the collector has completed at least twenty hours  
 34 of classroom instruction each calendar year relating to the operations of the  
 35 collector's office when approved by a professional association of the county

36 collectors of Missouri unless exempted from the training by the professional  
 37 association. The professional association approving the program shall provide a  
 38 certificate of completion to each collector who completes the training program and  
 39 shall send a list of certified collectors to the treasurer of each county. Expenses  
 40 incurred for attending the training session may be reimbursed to the county  
 41 collector in the same manner as other expenses as may be appropriated for that  
 42 purpose.

43 3. Any provision of law to the contrary notwithstanding, any fee provided  
 44 for in section 52.250 or 52.275, when collected on ditch and levee taxes, shall not  
 45 be collected on behalf of the county and deposited into the county general revenue  
 46 fund. Such fee shall be retained by the collector as compensation for his services,  
 47 in addition to any amount provided for such collector in this section.

48 4. Except as provided in subsection 3 of this section, after the next general  
 49 election following January 1, 1988, all fees collected by the collector shall be  
 50 collected on behalf of the county and deposited in the county general revenue  
 51 fund.

53.082. 1. The county assessor in any county, other than in a first  
 2 classification county, shall receive an annual salary computed as set forth in the  
 3 following schedule provided in this subsection. The assessed valuation factor  
 4 shall be the amount thereof as shown for the year next preceding the  
 5 computation. **The county assessor shall receive the same percentage**  
 6 **adjustments provided in that county for county officers under section**  
 7 **50.333.** The provisions of this section shall not permit or require a reduction in  
 8 the amount of compensation being paid for the office of assessor on September 1,  
 9 1997.
