Section A. Chapter 191, RSMo, is amended by adding thereto one new 2 section, to be known as section 191.1150, to read as follows:

191.1150. 1. This section shall be known as the "Caregiver, 2 Advise, Record, and Enable (CARE) Act".

- 3 2. As used in this section, the following terms shall mean:
- 4 (1) "After-care", assistance that is provided by a caregiver to a 5 patient after the patient's discharge from a hospital that is related to 6 the condition of the patient at the time of discharge, including assisting 7 with activities of daily living, as defined in section 198.006; 8 instrumental activities of daily living, as defined in section 198.006; or 9 carrying out medical or nursing tasks as permitted by law;

10 (2) "Admission", a patient's admission into a hospital as an in11 patient;

12

(3) "Ambulatory surgical center", as defined in section 197.200;

section, and who provides after-care assistance to such patient in the
patient's residence;

17 (5) "Discharge", a patient's release from a hospital or an
18 ambulatory surgical center to the patient's residence following an
19 admission;

- 20 (6) "Hospital", as defined in section 197.020;

22 her home. "Residence" shall not include:

23 (a) A facility, as defined in section 198.006;

32 control, or custody of the patient and which is compensated for doing
33 so.

34 3. A hospital or ambulatory surgical center shall provide each patient or, if applicable, the patient's legal guardian with an 35opportunity to designate a caregiver following the patient's admission 36 37into a hospital or entry into an ambulatory surgical center and prior 38 to the patient's discharge. Such designation shall include a written consent of the patient or the patient's legal guardian to release 39 otherwise confidential medical information to the designated caregiver 40 41 if such medical record would be needed to enable the completion of after-care tasks. In the event that the hospital or 61 ambulatory surgical center is unable to contact the designated 62 caregiver, the lack of contact shall not interfere with, delay, or 63 otherwise affect the medical care provided to the patient or an 64 appropriate discharge of the patient. The hospital or ambulatory 65 surgical center shall document the attempt to contact the caregiver.

66 7. Prior to being discharged, if the hospital or ambulatory 67 surgical center is able to contact the caregiver and caregiver is willing 68 to assist, the hospital or ambulatory surgical center shall provide the 69 caregiver with the patient's discharge plan, if such plan exists, or 70 instructions for the after-care needs of the patient and give the 71 caregiver the opportunity to ask questions about the after-care needs 72 of the patient.

8. A hospital or ambulatory surgical center is not required nor
obligated to determine the ability of a caregiver to understand or
perform any of the after-care tasks outlined in this section.

9. Nothing in this section shall authorize or require
compensation of a caregiver by a state agency or a health carrier, as
defined in section 376.1350.

10. Nothing in this section shall require a hospital or ambulatory surgical center to take actions that are inconsistent with the standards of the federal Medicare program under Title XVIII of the Social Security Act and its conditions of participation in the Code of Federal Regulations or the standards of a national accrediting organization with deeming authority under Section 1865(a)(1) of the Social Security Act.

86 11. Nothing in this section shall create a private right of action 87 against a hospital, ambulatory surgical center, a hospital or ambulatory 88 surgical center employee, or an individual with whom a hospital or 89 ambulatory surgical center has a contractual relationship.

12. A hospital, ambulatory surgical center, hospital or
ambulatory surgical center employee, or an individual with whom a
hospital or ambulatory surgical center has a contractual relationship
shall not be liable in any way for an act or omission of the caregiver.
