106 **5. The court may set a hearing on the matter no sooner than thirty days**
107 **from the filing of the petition and shall give reasonable notice of the hearing to**
108 **each entity named in the petition. At the hearing, the court may accept evidence**
109 **and hear testimony on, and may consider, the following criteria for each of the**
110 **offenses listed in the petition for expungement:**

111 (1) It has been at least twenty years if the offense is a felony, or at least
112 ten years if the offense is a misdemeanor, municipal offense, or infraction, since
113 the person making the application completed:

114 (a) Any sentence of imprisonment; or

115 (b) Any period of probation or parole;

116 (2) The person has not been found guilty of a misdemeanor or felony, not

121 (4) The circumstances and behavior of the petitioner warrant the
122 expungement; and

123 (5) The expungement is consistent with the public welfare.

124 6. If the court determines at the conclusion of the hearing that such
125 person meets all the criteria set forth in subsection 5 of this section for each of
126 the offenses listed in the petition for expungement, the court may enter an order
127 of expungement. A copy of the order shall be provided to each entity named in
128 the petition, and,]

129 **8. The office of the state courts administrator shall prepare and**
130 **make available a form for pro se petitioners seeking expungement,**
131 **which shall include the statement: I declare under penalty of perjury**

133 **knowledge, information, and belief.**

134 **9. The court shall provide a copy of the petition for expungement**
135 **as notice to the office that prosecuted the violations or offenses listed**
136 **in the petition. If the municipal prosecutor or prosecuting or circuit**
137 **attorney objects to the petition for expungement, he or she shall do so**

139 **after any written objection is filed, unless otherwise agreed upon by**
140 **the parties, the court shall hold a hearing upon notice to the petitioner.**
141 **If there is no objection, the court shall enter an order expunging such**
142 **records if, in the determination of the court, all the criteria set forth**
143 **in this section have been met. If the court determines the petitioner**
144 **has not met such criteria or the petitioner knowingly provides false**
145 **information in the petition, the court may enter an order dismissing the**
146 **petition. In all cases, the court shall issue an order under this section**
147 **within six months of the filing of the petition.**

148 **10. At the hearing, the court may accept evidence and hear**
149 **testimony on, and may consider, whether the petitioner meets the**
150 **criteria for expungement under this section. If the petitioner meets the**
151 **criteria, there shall be a presumption that the interests of justice**
152 **warrant the expungement of such records. If the court determines at**
153 **the conclusion of the hearing, wherein there shall be an opportunity for**
154 **any victims to be heard, that the interests of justice warrant the**
155 **expungement of records, the court shall enter an order of expungement.**
156 **A copy of the order shall be provided to the petitioner and each entity**
157 **possessing records subject to the order. Upon receipt of the order, each**

158 entity shall ~~[destroy]~~ **seal** any record in its possession relating to any offense
159 listed in the petition. If ~~[destruction]~~ **sealing** of the record is not feasible
160 because of the permanent nature of the record books, such record entries shall be
161 blacked out. Entries of a record ordered expunged shall be removed from all
162 electronic files maintained with the state of Missouri, except for the files of the
163 court. The records and files maintained in any administrative or court proceeding
164 in a municipal, associate, or circuit court for any offense **or violation** ordered
165 expunged under this section shall be confidential and only available to the parties
166 or by order of the court for good cause shown. The central repository shall
167 request the Federal Bureau of Investigation to expunge the records from its files.

168 **[7.] 11.** The order shall not limit any of the petitioner's rights that were
169 restricted as a collateral consequence of such person's criminal record, and such
170 rights shall be restored upon issuance of the order of expungement. Except as
171 otherwise provided under this section, the effect of such order shall be to restore
172 such person to the status he or she occupied prior to such arrests, pleas, trials,
173 or convictions as if such events had never taken place. No person as to whom
174 such order has been entered shall be held thereafter under any provision of law
175 to be guilty of perjury or otherwise giving a false statement by reason of his or
176 her failure to recite or acknowledge such arrests, pleas, trials, convictions, or
177 expungement in response to an inquiry made of him or her and no such inquiry
178 shall be made for information relating to an expungement, except the petitioner
179 shall disclose the expunged offense **or violation** to any court when asked or upon
180 being charged with any subsequent offense. [The expunged offense may be
181 considered a prior offense in determining a sentence to be imposed for any
182 subsequent offense that the person is found guilty of committing.] **A person who**
183 **has been granted an expungement of records pertaining to an**
184 **infraction, ordinance violation, or misdemeanor or felony offense may**
185 **answer "no" to an employer's inquiry into whether the person has ever**
186 **been convicted of a crime. Nothing in this section shall be construed**
187 **to limit or impair in any way the subsequent use of any expunged**
188 **record of any arrests or findings of guilt by a law enforcement agency,**
189 **criminal justice agency, or prosecuting or circuit attorney, including**
190 **its use as a prior offense.**

191 **[8.] 12.** Notwithstanding the provisions of subsection **[7] 11** of this
192 section to the contrary, a person granted an expungement shall disclose any
193 expunged offense **or violation** when the disclosure of such information is

194 necessary to complete any application for:

195 (1) A license, certificate, or permit issued by this state to practice such
196 individual's profession;

197 (2) Any license issued under chapter 313; or

198 (3) Paid or unpaid employment with an entity licensed under chapter 313,
199 any state-operated lottery, or any emergency services provider, including any law
200 enforcement agency. Notwithstanding any provision of law to the contrary, an
201 expunged offense **or violation** shall not be grounds for automatic disqualification
202 of an applicant, but may be a factor for denying employment, or a professional
203 license, certificate, or permit.

204 [9. If the court determines that such person has not met the criteria for
205 any of the offenses listed in the petition for expungement, the court shall enter
206 an order dismissing the petition. Any person whose petition for expungement has
207 been dismissed by the court for failure to meet the criteria set forth in subsection
208 5 of this section may not refile another petition until a year has passed since the
209 date of filing for the previous petition.

210 10. A person may be granted more than one expungement under this
211 section provided that no person shall be granted more than one order of
212 expungement from the same court. Nothing contained in this section shall
213 prevent the court from maintaining records to ensure that an individual has only
214 one petition for expungement granted by such court under this section.]
