---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Sections 404.717, 456.590, 456.3-304, 456.4B-411, 456.7-706, 2 469.467, 473.050, and 473.730, RSMo, are repealed and seven new sections 3 enacted in lieu thereof, to be known as sections 404.717, 456.3-304, 456.4B-411, 4 456.7-706, 469.467, 473.050, and 473.730, to read as follows:

404.717. 1. As between the principal and attorney in fact or successor 2 attorney in fact, and any agents appointed by either of them, unless the power of 3 attorney is coupled with an interest, the authority granted in a power of attorney 4 shall be modified or terminated as follows:

5 (1) On the date shown in the power of attorney and in accordance with the 6 express provisions of the power of attorney;

7 (2) When the principal, orally or in writing, or the principal's legal 8 representative with approval of the court in writing informs the attorney in fact 9 or successor that the power of attorney is modified or terminated, or when and 10 under what circumstances it is modified or terminated;

11 (3) When a written notice of modification or termination of the power of

**EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.**

12 attorney is filed by the principal or the principal's legal representative for record  
13 in the office of the recorder of deeds in the city or county of the principal's  
14 residence or, if the principal is a nonresident of the state, in the city or county of  
15 the residence of the attorney in fact last known to the principal, or in the city or  
16 county in which is located any property specifically referred to in the power of  
17 attorney;

18 (4) On the death of the principal, except that if the power of attorney  
19 grants authority under subdivision (7) or (8) of subsection 6 of section 404.710,  
20 the power of attorney and the authority of the attorney in fact shall continue for  
21 the limited purpose of carrying out the authority granted under either or both of  
22 said subdivisions for a reasonable length of time after the death of the principal;

23 (5) When the attorney in fact under a durable power of attorney is not  
24 qualified to act for the principal;

25 (6) On the filing of any action for divorce or dissolution of the marriage  
26 of the principal and the principal's attorney in fact who were married to each  
27 other at or subsequent to the time the power of attorney was created, unless the  
28 power of attorney provides otherwise.

29 2. Whenever any of the events described in subsection 1 of this section  
30 operate merely to terminate the authority of the particular person designated as  
31 the attorney in fact, rather than terminating the power of attorney, if the power  
32 of attorney designates a successor or contingent attorney in fact or prescribes a  
33 procedure whereby a successor or contingent attorney in fact may be designated,  
34 then the authority provided in the power of attorney shall extend to and vest in  
35 the successor or contingent attorney in fact in lieu of the attorney in fact whose  
36 power and authority was terminated under any of the circumstances referred to  
37 in subsection 1 of this section.

38 3. As between the principal and attorney in fact or successor **attorney**  
39 **in fact**, acts and transactions of the attorney in fact or successor **attorney in**  
40 **fact** undertaken in good faith, in accordance with section 404.714, and without  
41 actual knowledge of the death of the principal or without actual knowledge, or  
42 constructive knowledge pursuant to subdivision (3) of subsection 1 of this section,  
43 that the authority granted in the power of attorney has been suspended, modified  
44 or terminated, relieves the attorney in fact or successor **attorney in fact** from  
45 liability to the principal and the principal's successors in interest.

46 4. This section does not prohibit the principal, acting individually, and the  
47 person designated as the attorney in fact from entering into a written agreement

48 that sets forth their duties and liabilities as between themselves and their  
49 successors, and which expands or limits the application of sections 404.700 to  
50 404.735, with the exception of those acts enumerated in subsection 7 of section  
51 404.710.

52         5. As between the principal and any attorney in fact or successor  
53 **attorney in fact**, if the attorney in fact or successor **attorney in fact**  
54 undertakes to act, and if in respect to such act, the attorney in fact or successor  
55 [acts in bad faith, fraudulently or otherwise dishonestly] **attorney in fact**  
56 **engages in willful misconduct or fraud or acts with willful disregard for**  
57 **the purposes, terms, or conditions of the power of attorney**, or if the  
58 attorney in fact or successor **attorney in fact** intentionally acts after receiving  
59 actual notice that the power of attorney has been revoked or terminated, and  
60 thereby causes damage or loss to the principal or to the principal's successors in  
61 interest, such attorney in fact or successor **attorney in fact** shall be liable to the  
62 principal or to the principal's successors in interest, or both, for such damages,  
63 together with reasonable attorney's fees, and punitive damages as allowed by law.

64         **6. For purposes of this section, the principal's "successors in**  
65 **interest" shall include those persons who can prove they have been**  
66 **damaged as a result of the actions of the attorney in fact or successor**  
67 **attorney in fact, such as a conservator of the principal or a personal**  
68 **representative of a deceased principal. If more than one person claims**  
69 **a recovery under this section the court shall determine the priority of**  
70 **their respective claims.**

456.3-304. 1. Unless otherwise represented, a minor, incapacitated, or  
2 unborn individual, or a person whose identity or location is unknown and not  
3 reasonably ascertainable, may be represented by and bound by another having  
4 a substantially identical interest with respect to the particular question or  
5 dispute, but only to the extent there is no conflict of interest between the  
6 representative and the person represented with respect to a particular question  
7 or dispute.

8         2. Unless otherwise represented, a beneficiary who is not a qualified  
9 beneficiary may be represented by and bound by a qualified beneficiary having  
10 a substantially identical interest with respect to the particular question or  
11 dispute, but only to the extent there is no conflict of interest with respect to the  
12 particular question or dispute between the representative and the person  
13 represented, in any court proceeding under subsection 2 of section 456.4-412, or

14 in a nonjudicial settlement agreement entered into under section 456.1-111 **or**  
15 **section 456.4A-411** in lieu of such a court proceeding.

456.4B-411. 1. When all of the adult beneficiaries having the capacity to  
2 contract consent, the court may, upon finding that the interest of any  
3 nonconsenting beneficiary will be adequately protected, modify the terms of a  
4 noncharitable irrevocable trust so as to reduce or eliminate the interests of some  
5 beneficiaries and increase those of others, change the times or amounts of  
6 payments and distributions to beneficiaries, or provide for termination of the  
7 trust at a time earlier or later than that specified by its terms. The court may  
8 at any time upon its own motion appoint a representative pursuant to section  
9 456.3-305 to represent a nonconsenting beneficiary. The court shall appoint such  
10 a representative upon the motion of any party, unless the court determines such  
11 an appointment is not appropriate under the circumstances.

12 2. Upon termination of a trust under subsection 1 of this section, the  
13 trustee shall distribute the trust property as directed by the court.

14 3. If a trust cannot be terminated or modified under subsection 1 of this  
15 section because not all adult beneficiaries having capacity to contract consent or  
16 the terms of the trust prevent such modification or termination, the modification  
17 or termination may be approved by the court if the court is satisfied that the  
18 interests of a beneficiary, other than the settlor, who does not consent will be  
19 adequately protected, modification or termination will benefit a living settlor who  
20 is also a beneficiary, and:

21 (1) in the case of a termination, the party seeking termination establishes  
22 that continuance of the trust is not necessary to achieve any material purpose of  
23 the trust; or

24 (2) in the case of a modification, the party seeking modification  
25 establishes that the modification is not inconsistent with a material purpose of  
26 the trust, and the modification is not specifically prohibited by the terms of the  
27 trust.

28 4. This section shall [apply to trusts created under trust instruments that  
29 become irrevocable on or after January 1, 2005.] **replace** the provisions of section  
30 456.590 **and** shall apply to all trusts that were created under trust instruments  
31 that become irrevocable prior to, **on, or after** January 1, 2005.

456.7-706. 1. The settlor, a cotrustee, or a qualified beneficiary may  
2 request the court to remove a trustee, or a trustee may be removed **and**  
3 **replaced** by the court **within its discretion** on its own initiative.

4           2. The court **within its discretion** may remove **and replace** a trustee  
5 **[if] under the following circumstances:**

6           (1) the trustee has committed a serious breach of trust;

7           (2) lack of cooperation among cotrustees substantially impairs the  
8 administration of the trust;

9           (3) because of unfitness, unwillingness, or persistent failure of the trustee  
10 to administer the trust effectively, the court determines that removal of the  
11 trustee best serves the interests of the beneficiaries; or

12           (4) the trustee has substantially and materially reduced the level of  
13 services provided to that trust and has failed to reinstate a substantially  
14 equivalent level of services within ninety days after receipt of notice by the  
15 settlor, a cotrustee, or a qualified beneficiary or removal is requested by all of the  
16 qualified beneficiaries and in either such case the party seeking removal  
17 establishes to the court that:

18           (a) removal of the trustee best serves the interests of all of the  
19 beneficiaries;

20           (b) removal of the trustee is not inconsistent with a material purpose of  
21 the trust; and

22           (c) a suitable cotrustee or successor trustee is available and willing to  
23 serve.

24           3. In an action to remove a trustee under subdivision (4) of subsection 2  
25 of this section, the following apply:

26           (1) In the event that a corporation is the trustee being removed, a  
27 **[suitable]** replacement cotrustee or successor trustee shall be **[another**  
28 **corporation qualified to conduct trust business in this state]** **such trustee or**  
29 **trustees as the court finds suitable under the circumstances.**

30           (2) In the event that a successor trustee is not appointed under the  
31 provisions of section 456.7-704 or the court finds that all potential successor  
32 trustees are not suitable, then the court may appoint such trustee or trustees as  
33 the court finds suitable under the circumstances.

34           (3) With respect to a trust created under an instrument executed before  
35 January 1, 2005, the provisions of subdivision (4) of subsection 2 of this section  
36 shall not apply if the instrument contains any **language or** procedures  
37 concerning removal of any trustee **designated in the trust instrument.**

38           4. Pending a final decision on a request to remove a trustee, or in lieu of  
39 or in addition to removing a trustee, the court may order such appropriate relief

40 under subsection 2 of section 456.10-1001 as may be necessary to protect the trust  
41 property or the interests of the beneficiaries.

469.467. Sections 469.401 to 469.467 apply to every trust or decedent's  
2 estate existing on **or after** August 28, 2001, except as otherwise expressly  
3 provided in the will or terms of the trust or in sections 469.401 to 469.467.

473.050. 1. A will, to be effective as a will, must be presented for and  
2 admitted to probate.

3 2. When used in chapter 472, chapter 474, chapter 475, and this chapter,  
4 the term "presented" means:

5 (1) Either the delivery of a will of a decedent, if such will has not  
6 previously been delivered, to the probate division of the circuit court which would  
7 be the proper venue for the administration of the estate of such decedent, or the  
8 delivery of a verified statement to such court, if the will of such decedent is lost,  
9 destroyed, suppressed or otherwise not available, setting forth the reason such  
10 will is not available and setting forth the provisions of such will so far as known;  
11 and

12 (2) One of the following:

13 (a) An affidavit pursuant to section 473.097, which requests such will be  
14 admitted to probate; or

15 (b) A petition which seeks to have such will admitted to probate; or

16 (c) An authenticated copy of the order admitting such will to probate in  
17 any state, territory or district of the United States, other than this state.

18 3. No proof shall be taken of any will nor a certificate of probate thereof  
19 issued unless such will has been presented within the applicable time set forth  
20 as follows:

21 (1) In cases where notice has previously been given in accordance with  
22 section 473.033 of the granting of letters on the estate of such testator, within six  
23 months after the date of the first publication of the notice of granting of letters,  
24 or within thirty days after the commencement of an action under section 473.083  
25 to establish or contest the validity of a will of the testator named in such will,  
26 whichever later occurs;

27 (2) In cases where notice has not previously been given in accordance with  
28 section 473.033 of the granting of letters on the estate of testator, within one year  
29 after the date of death of the testator;

30 (3) In cases involving a will admitted to probate in any state, territory or  
31 district of the United States, other than this state, which was the decedent's

32 domicile, at any time during the course of administration of the decedent's  
33 domiciliary estate in such other state, territory or district of the United States.

34 4. A will presented for probate within the time limitations provided in  
35 subsection 3 of this section may be exhibited to be proven, and proof received and  
36 administration granted on such will at any time after such presentation.

37 5. A will not presented for probate within the time limitations provided  
38 in subsection 3 of this section is forever barred from admission to probate in this  
39 state.

40 6. Except as provided in **subsection 4 of this section and** section  
41 537.021, no letters of administration shall be issued unless application is made  
42 to the court for such letters within one year from the date of death of the  
43 decedent.

473.730. 1. Every county in this state, except the City of St. Louis, shall  
2 elect a public administrator at the general election in the year 1880, and every  
3 four years thereafter, who shall be ex officio public guardian and conservator in  
4 and for the public administrator's county. A candidate for public administrator  
5 shall be at least twenty-one years of age and a resident of the state of Missouri  
6 and the county in which he or she is a candidate for at least one year prior to the  
7 date of the general election for such office. The candidate shall also be a  
8 registered voter and shall be current in the payment of all personal and business  
9 taxes. **Each candidate for public administrator shall provide to the**  
10 **election authority a copy of a signed affidavit from a surety company,**  
11 **indicating that the candidate meets the bond requirements for the**  
12 **office of public administrator under this section.**

13 2. Before entering on the duties of the public administrator's office, the  
14 public administrator shall take the oath required by the constitution, and enter  
15 into bond to the state of Missouri in a sum not less than ten thousand dollars,  
16 with [two] **one** or more securities, approved by the court and conditioned that the  
17 public administrator will faithfully discharge all the duties of the public  
18 administrator's office, which bond shall be given and oath of office taken on or  
19 before the first day of January following the public administrator's election, and  
20 it shall be the duty of the judge of the court to require the public administrator  
21 to make a statement annually, under oath, of the amount of property in the public  
22 administrator's hands or under the public administrator's control as such  
23 administrator, for the purpose of ascertaining the amount of bond necessary to  
24 secure such property; and such court may from time to time, as occasion shall

25 require, demand additional security of such administrator, and, in default of  
26 giving the same within twenty days after such demand, may remove the  
27 administrator and appoint another.

28 [2.] 3. The public administrator in all counties, in the performance of the  
29 duties required by chapters 473, 474, and 475, is a public officer. The duties  
30 specified by section 475.120 are discretionary. The county shall defend and  
31 indemnify the public administrator against any alleged breach of duty, provided  
32 that any such alleged breach of duty arose out of an act or omission occurring  
33 within the scope of duty or employment.

34 [3.] 4. After January 1, 2001, all salaried public administrators shall be  
35 considered county officials for purposes of section 50.333, subject to the minimum  
36 salary requirements set forth in section 473.742.

37 [4.] 5. The public administrator for the city of St. Louis shall be  
38 appointed by a majority of the circuit judges and associate circuit judges of the  
39 twenty-second judicial circuit, en banc. Such public administrator shall meet the  
40 same qualifications and requirements specified in subsection 1 of this section for  
41 elected public administrators. The elected public administrator holding office on  
42 August 28, 2013, shall continue to hold such office for the remainder of his or her  
43 term.

[456.590. 1. Where, in the management or administration  
2 of any property vested in trustees, any sale, lease, mortgage,  
3 surrender, release, or other disposition, or any purchase,  
4 investment, acquisition, expenditure, or other transaction is in the  
5 opinion of the court expedient, but the same cannot be effected by  
6 reason of the absence of any power for that purpose vested in the  
7 trustees by the trust instrument, if any, or by law, the court may  
8 by order confer upon the trustees, either generally or in any  
9 particular instance, the necessary power for the purpose, on such  
10 terms, and subject to such provisions and conditions, if any, as the  
11 court may think fit and may direct in what manner any money  
12 authorized to be expended, and the costs of any transaction, are to  
13 be paid or borne as between capital and income.

14 2. When all of the adult beneficiaries who are not disabled  
15 consent, the court may, upon finding that such variation will  
16 benefit the disabled, minor, unborn and unascertained  
17 beneficiaries, vary the terms of a private trust so as to reduce or

18 eliminate the interests of some beneficiaries and increase those of  
19 others, to change the times or amounts of payments and  
20 distributions to beneficiaries, or to provide for termination of the  
21 trust at a time earlier or later than that specified by the terms.

22 3. The court may, from time to time, rescind or vary any  
23 order made under this section, or may make any new or further  
24 order.

25 4. An application to the court under this section may be  
26 made by the trustees, or by any of them, or by any person  
27 beneficially interested under the trust.]
